The background of the image is a reproduction of Raphael's fresco 'Plato and Aristotle from Plato's Academy'. It depicts a grand, vaulted classical building with statues in niches and a large group of ancient Greek philosophers. Plato is shown pointing towards the sky, while Aristotle gestures towards the earth. Other figures include Pythagoras, Euclid, and various other scholars engaged in study and discussion.

A classical painting depicting a pastoral scene. In the foreground, a group of people, including men, women, and children, are gathered in a lush, green landscape. Some are seated on the ground, while others stand. A man in an orange tunic is on the left, and a woman in a blue dress is in the center. A child in a green dress is on the right. In the background, there are tall, leafy trees and a blue sky with soft clouds. A bird is perched on a tree branch in the upper right. The overall style is characteristic of 17th-century European art, with detailed figures and a vibrant color palette.
