

The background of the slide features a light blue gradient with a bokeh effect of soft, out-of-focus light spots in shades of blue and white. Overlaid on this background are stylized, dark grey circuit board traces. These traces are most prominent on the left and right edges, where they form a dense, branching pattern resembling a microchip or a network of connections. Some traces end in small circles, mimicking solder pads or vias.

ПАНАДИЙ ОЛЬГА ЮРЬЕВНА

The image features a light blue background with a subtle pattern of glowing, out-of-focus circles in shades of blue and white. In the four corners, there are decorative black line art elements resembling circuit traces or stylized trees, each ending in small white circles.

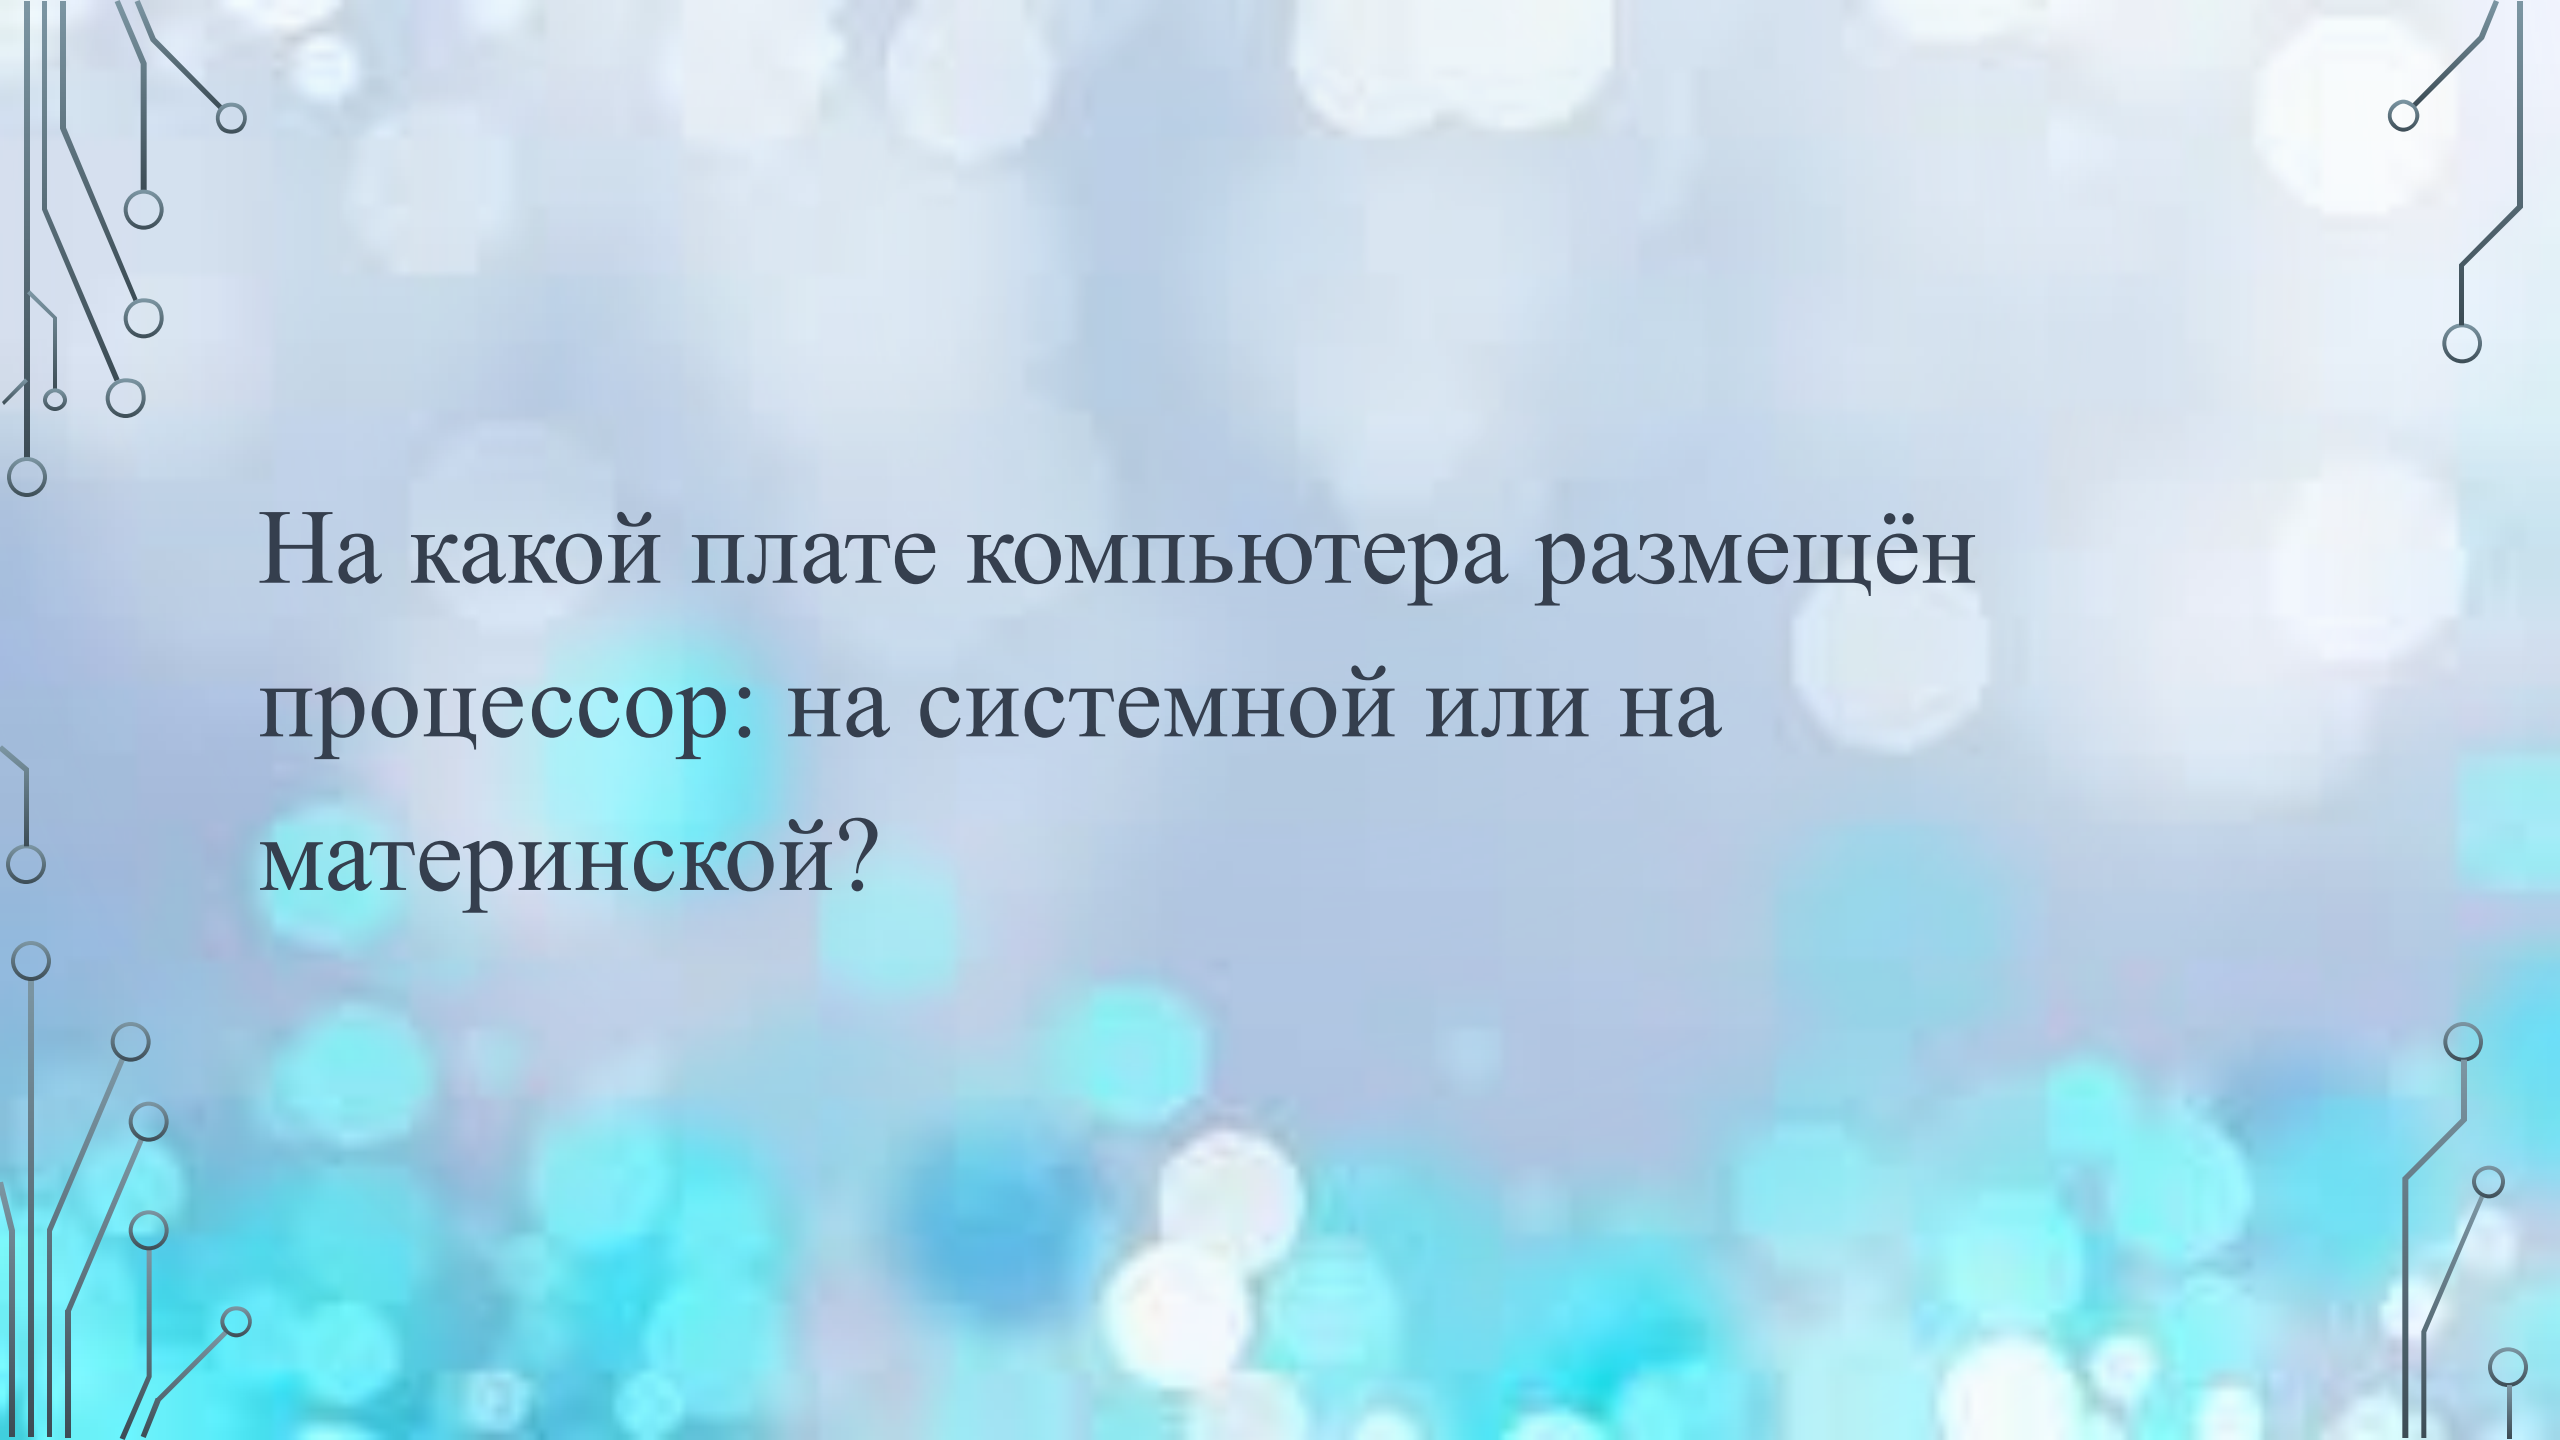

Какой российский город назван «в честь»
древнейшего компьютера?

The image features a light blue background with a subtle pattern of overlapping circles. In the corners, there are decorative line art elements resembling electronic circuit boards, with lines and small circles representing components.

Какая система счисления используется в
ЭВМ: бинарная или двоичная?

The image features a light blue background with a subtle pattern of blurred, colorful circles. In the corners, there are decorative line art elements resembling circuit boards or neural network connections, with lines and small circles.

Если бы осьминоги умели считать, то какой
бы системой они, скорее всего,
пользовались?

The image features a light blue background with a subtle pattern of overlapping circles. In the corners, there are decorative line art elements resembling circuit boards or neural networks, with lines and small circles extending from the edges.

На какой плате компьютера размещён
процессор: на системной или на
материнской?

The image features a light blue background with a subtle pattern of soft, out-of-focus circles in shades of blue and white. In the four corners, there are decorative line art elements resembling electronic circuit boards, with thin black lines and small white circles representing components or solder points.

Название какого узла устройств ЭВМ
частенько выкрикивают в театрах на
хороших представлениях?

The image features a light blue background with a subtle bokeh effect of out-of-focus light spots. In the four corners, there are decorative black line art elements resembling circuit traces or stylized trees, each ending in small circles.

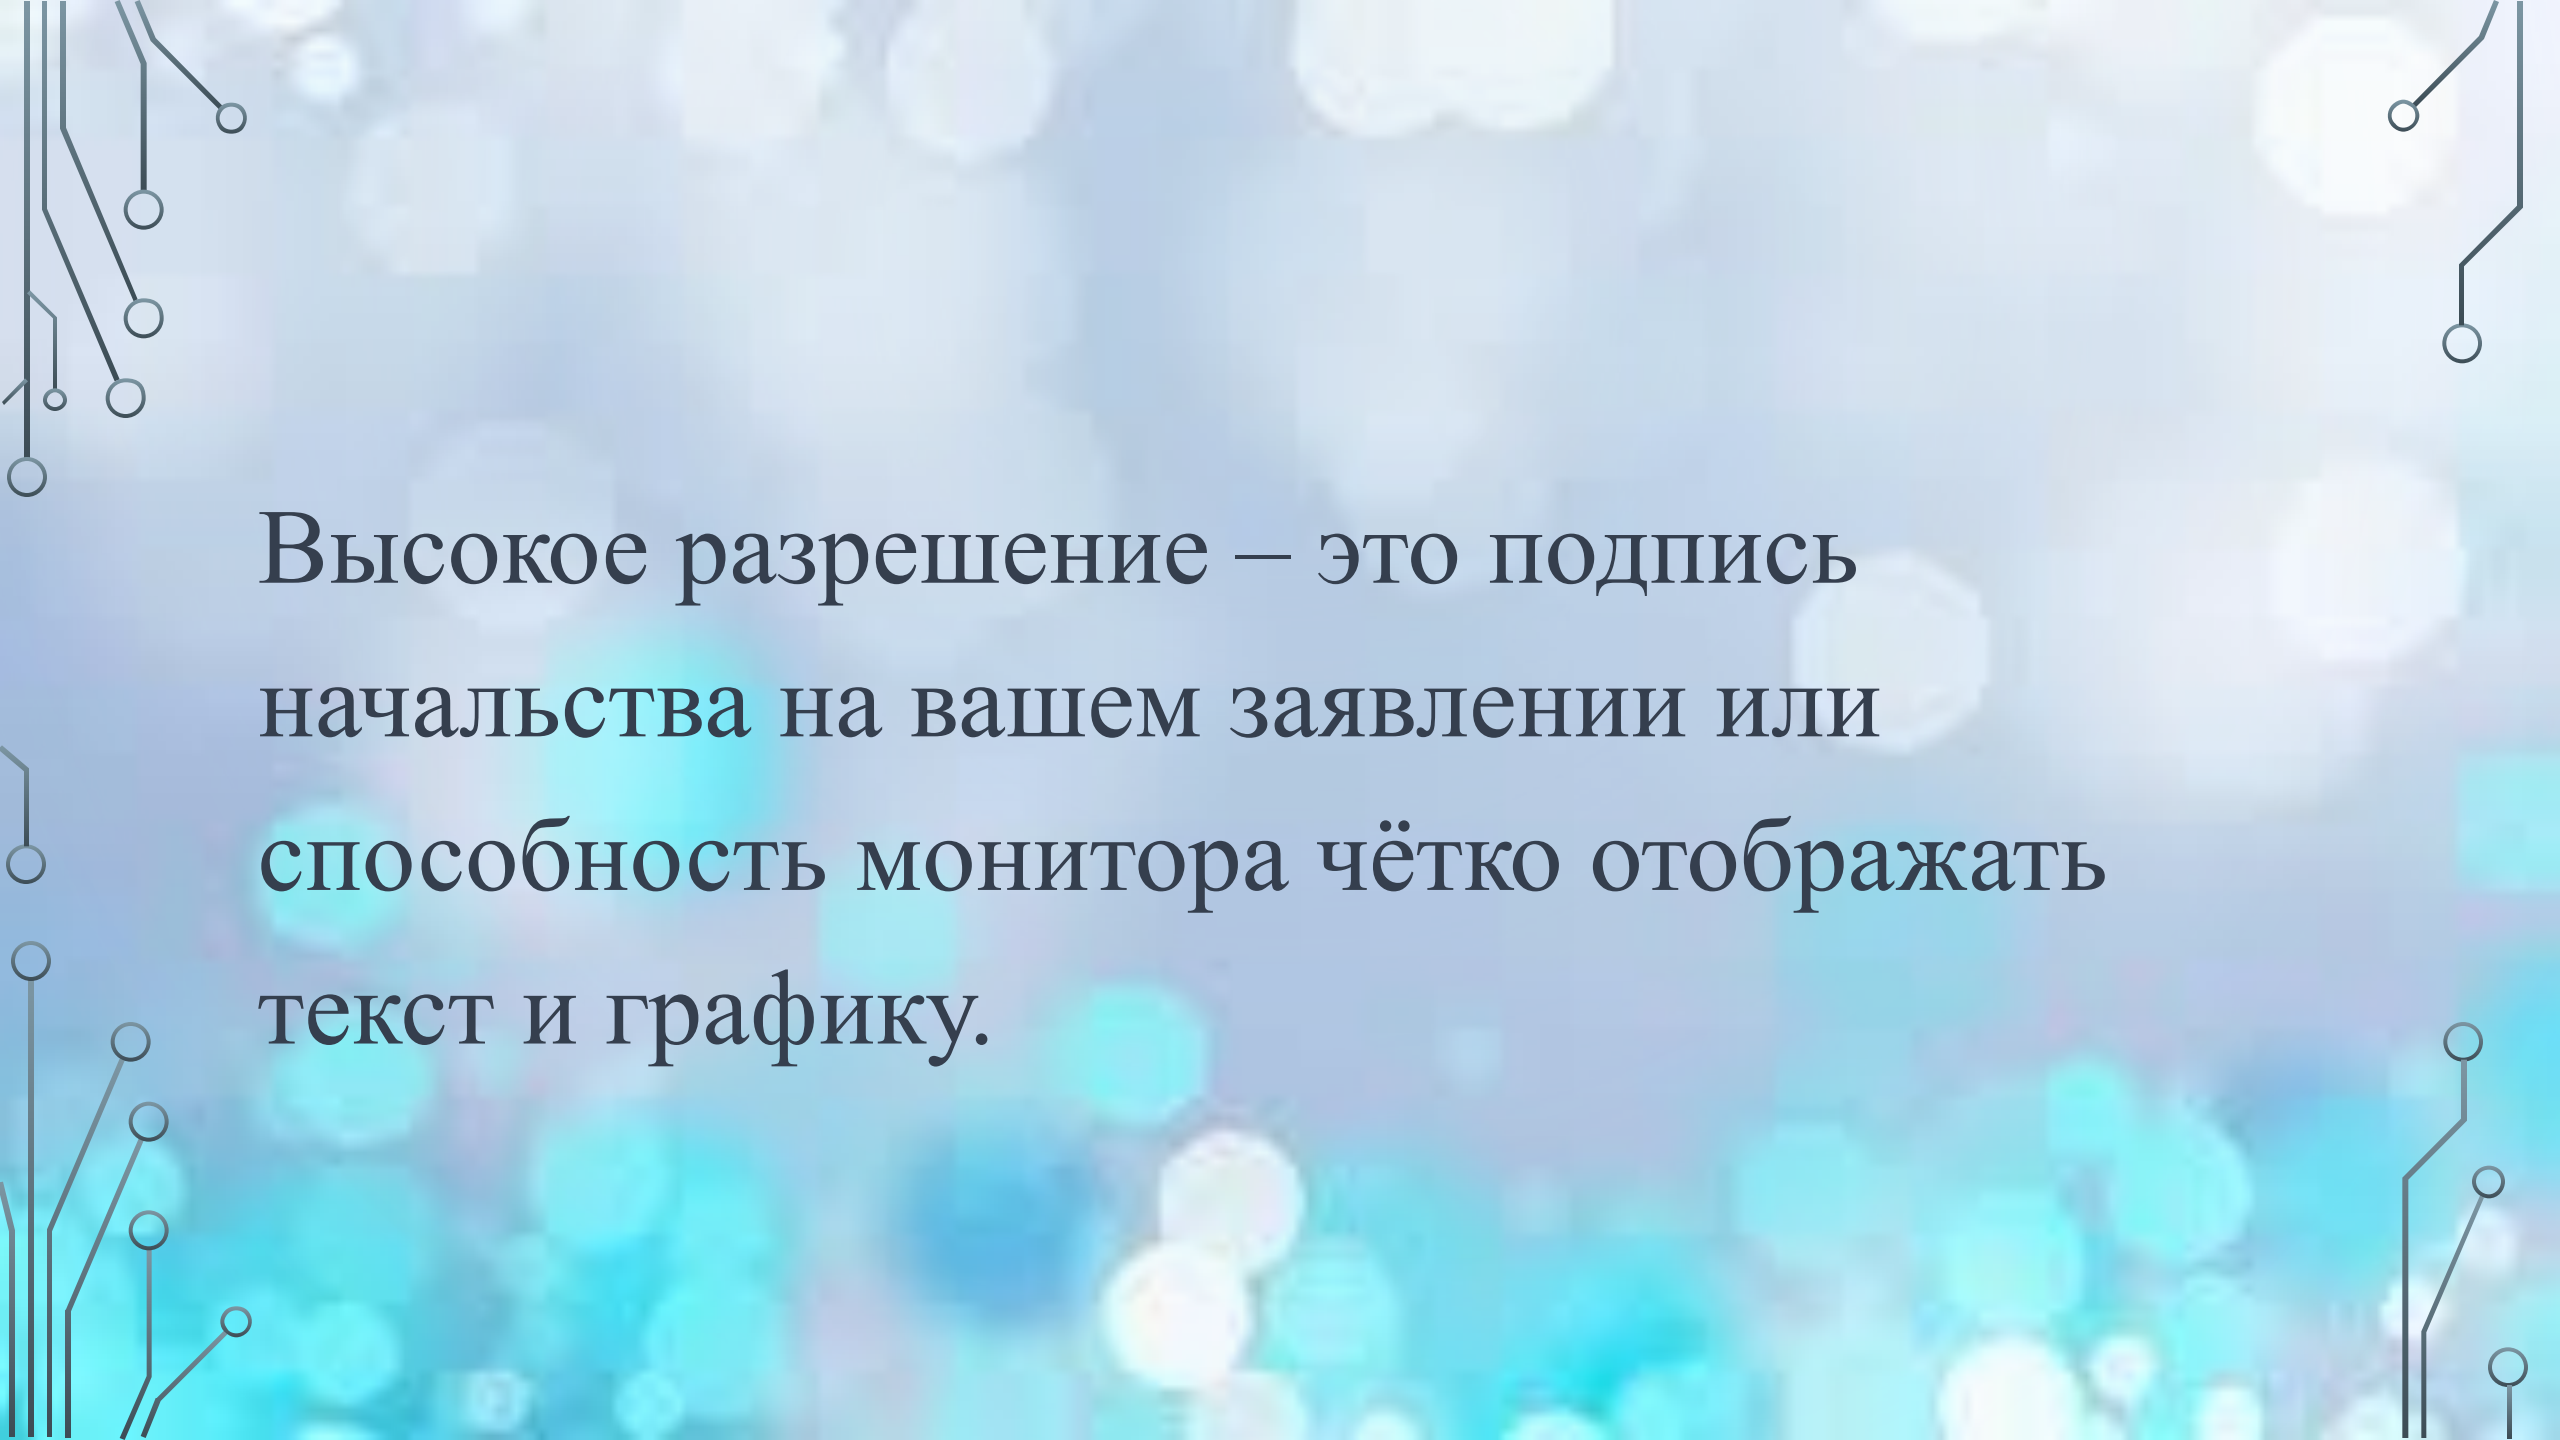

Какой магнитный носитель имеет форму
пиццы?

The image features a light blue background with a subtle pattern of soft, out-of-focus light spots. In the four corners, there are decorative line art elements resembling electronic circuit boards, with thin black lines and small white circles representing components.

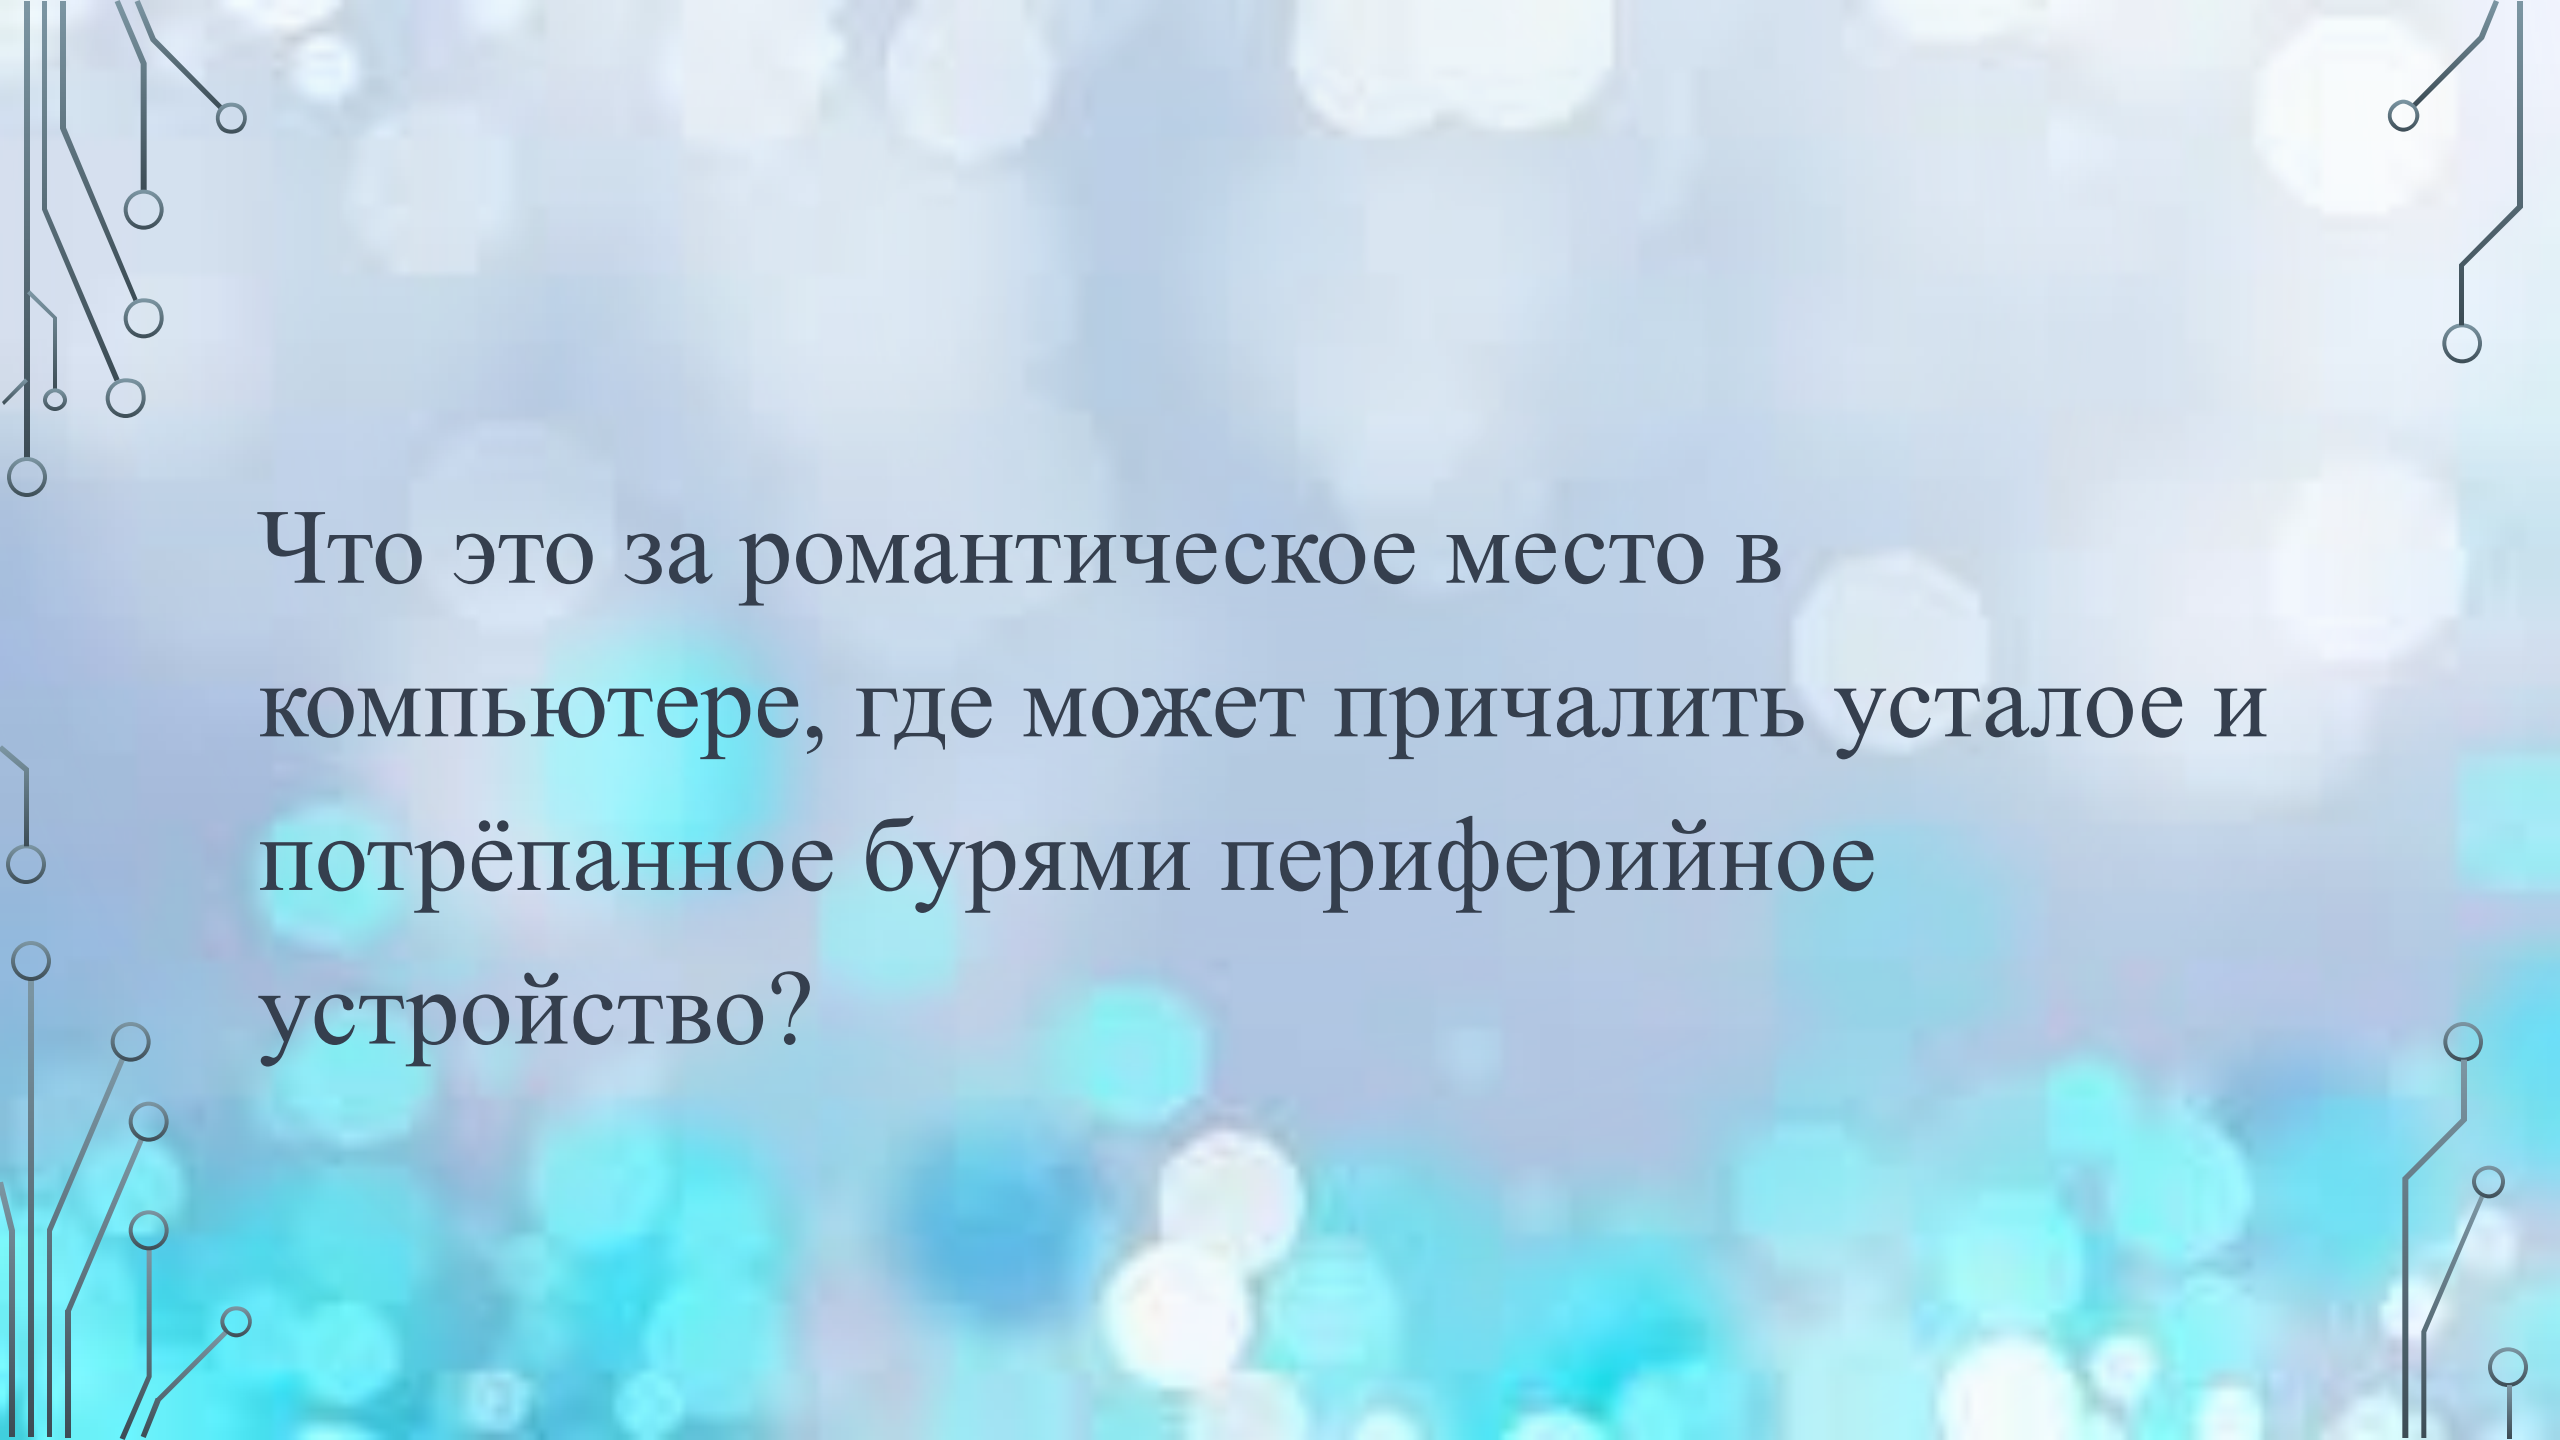

Назовите устройство персонального
компьютера от французского кутюрье
Кристиана Диора.

The image features a light blue background with a subtle pattern of overlapping circles. In the corners, there are decorative line art elements resembling circuit boards or neural networks, with lines and small circles extending from the edges.

Какое зерно интересует программистов?

The background is a light blue gradient with a subtle pattern of overlapping circles. In the corners, there are decorative line art elements resembling circuit boards or neural networks, with lines and small circles.

Высокое разрешение – это подпись
начальства на вашем заявлении или
способность монитора чётко отображать
текст и графику.

The image features a light blue background with a subtle bokeh effect of out-of-focus light spots. In the corners, there are decorative line art elements resembling electronic circuit traces or a stylized city skyline, with small circles at the end of the lines.

Что это за романтическое место в
компьютере, где может причалить усталое и
потрёпанное бурями периферийное
устройство?

The image features a light blue background with a subtle pattern of soft, out-of-focus light spots. In the four corners, there are decorative line art elements resembling electronic circuit boards, with thin black lines and small white circles representing components.

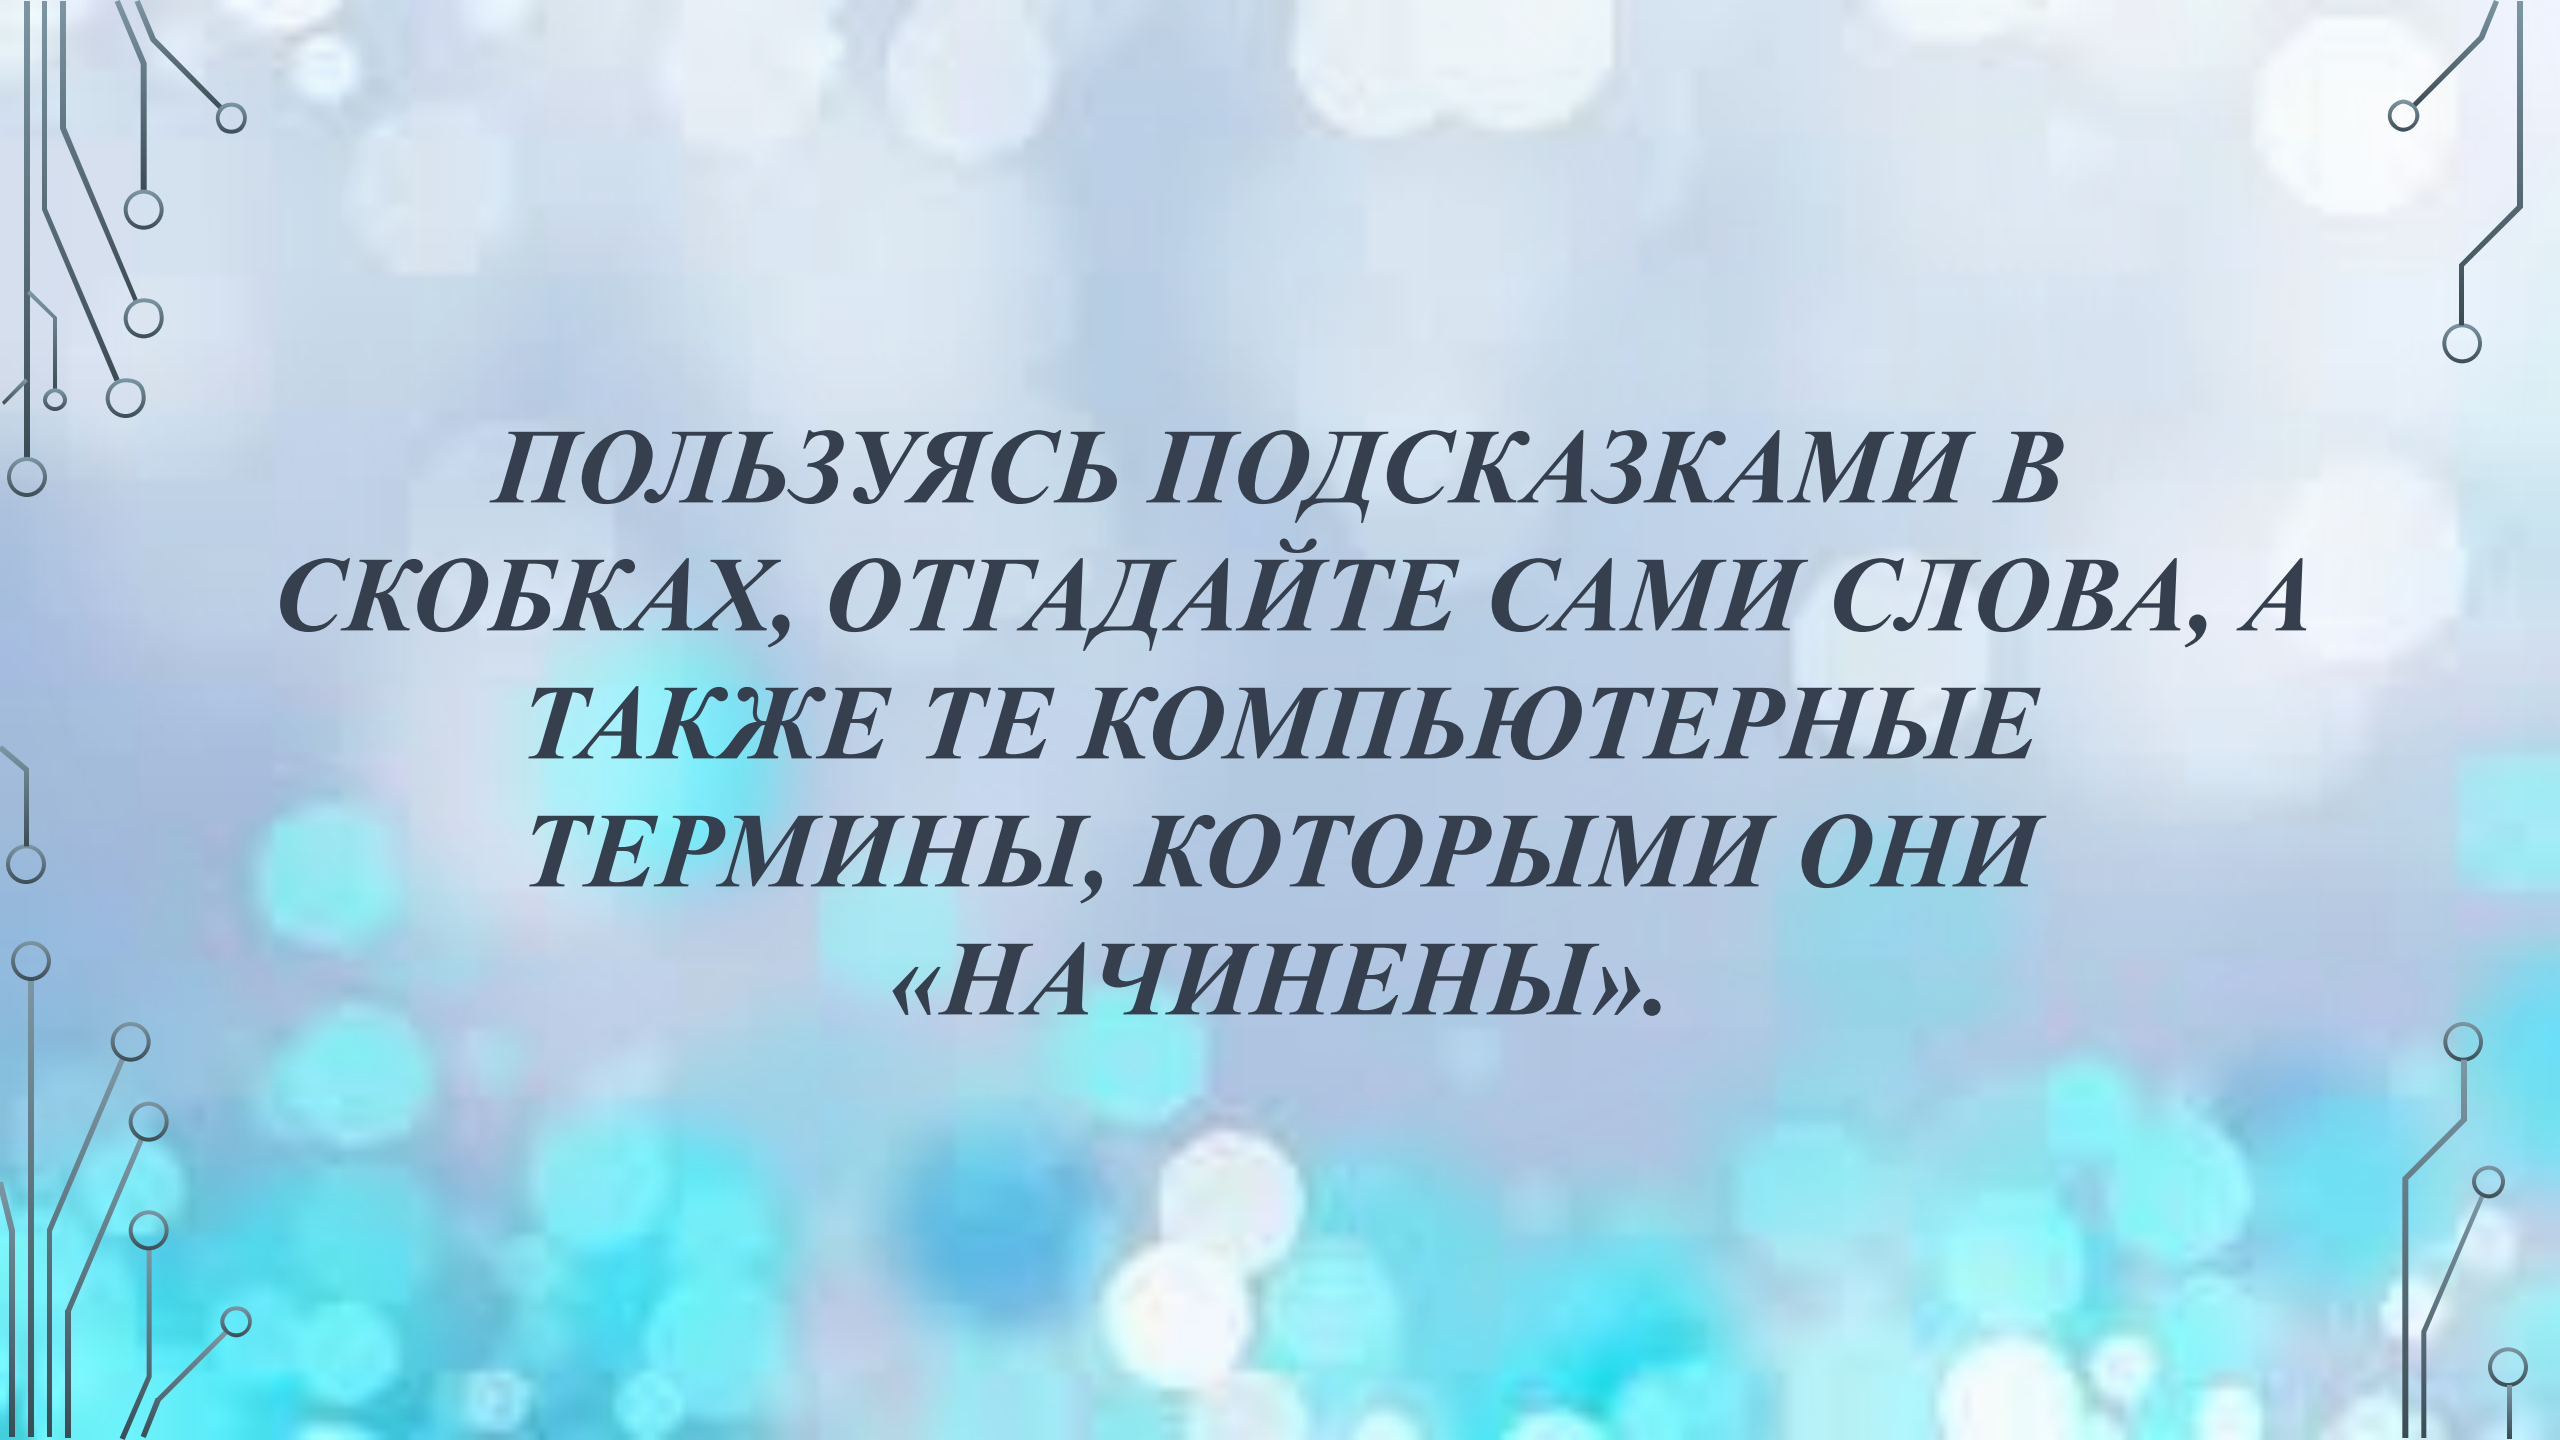

Закончите переделанную программистами
на свой лад известную русскую пословицу:
«Семь бед — один ...».

The image features a light blue background with a subtle bokeh effect of out-of-focus light spots. In the four corners, there are decorative black line art elements resembling circuit traces or neural network connections, each ending in small circles.

Почему кошки очень любят лизать руки программистам?

The image features a light blue background with a subtle bokeh effect of out-of-focus light spots. In the four corners, there are decorative black line art elements resembling circuit traces or neural network connections, each ending in small circles.

Что такое «подмышка» на компьютерном языке?

The image features a light blue background with a subtle bokeh effect of out-of-focus light spots. In the four corners, there are decorative line art elements resembling electronic circuit boards, with thin black lines and small white circles representing components.

ОПОЗНАЙТЕ ПОСЛОВИЦУ

The image features a light blue background with a subtle pattern of overlapping circles. In the four corners, there are decorative line art elements resembling circuit boards or neural networks, with lines and small circles extending from the edges.

Компьютер — лучший друг.

The image features a light blue background with a subtle bokeh effect of out-of-focus light spots. In the four corners, there are decorative line art elements resembling electronic circuit boards, with thin black lines and small white circles representing components or connection points.

Скажи мне, какой у тебя компьютер, и я
скажу, кто ты.

The image features a light blue background with a subtle bokeh effect of out-of-focus light spots. In the four corners, there are decorative line art elements resembling electronic circuit traces or a stylized city skyline, with small circles at the end of the lines.

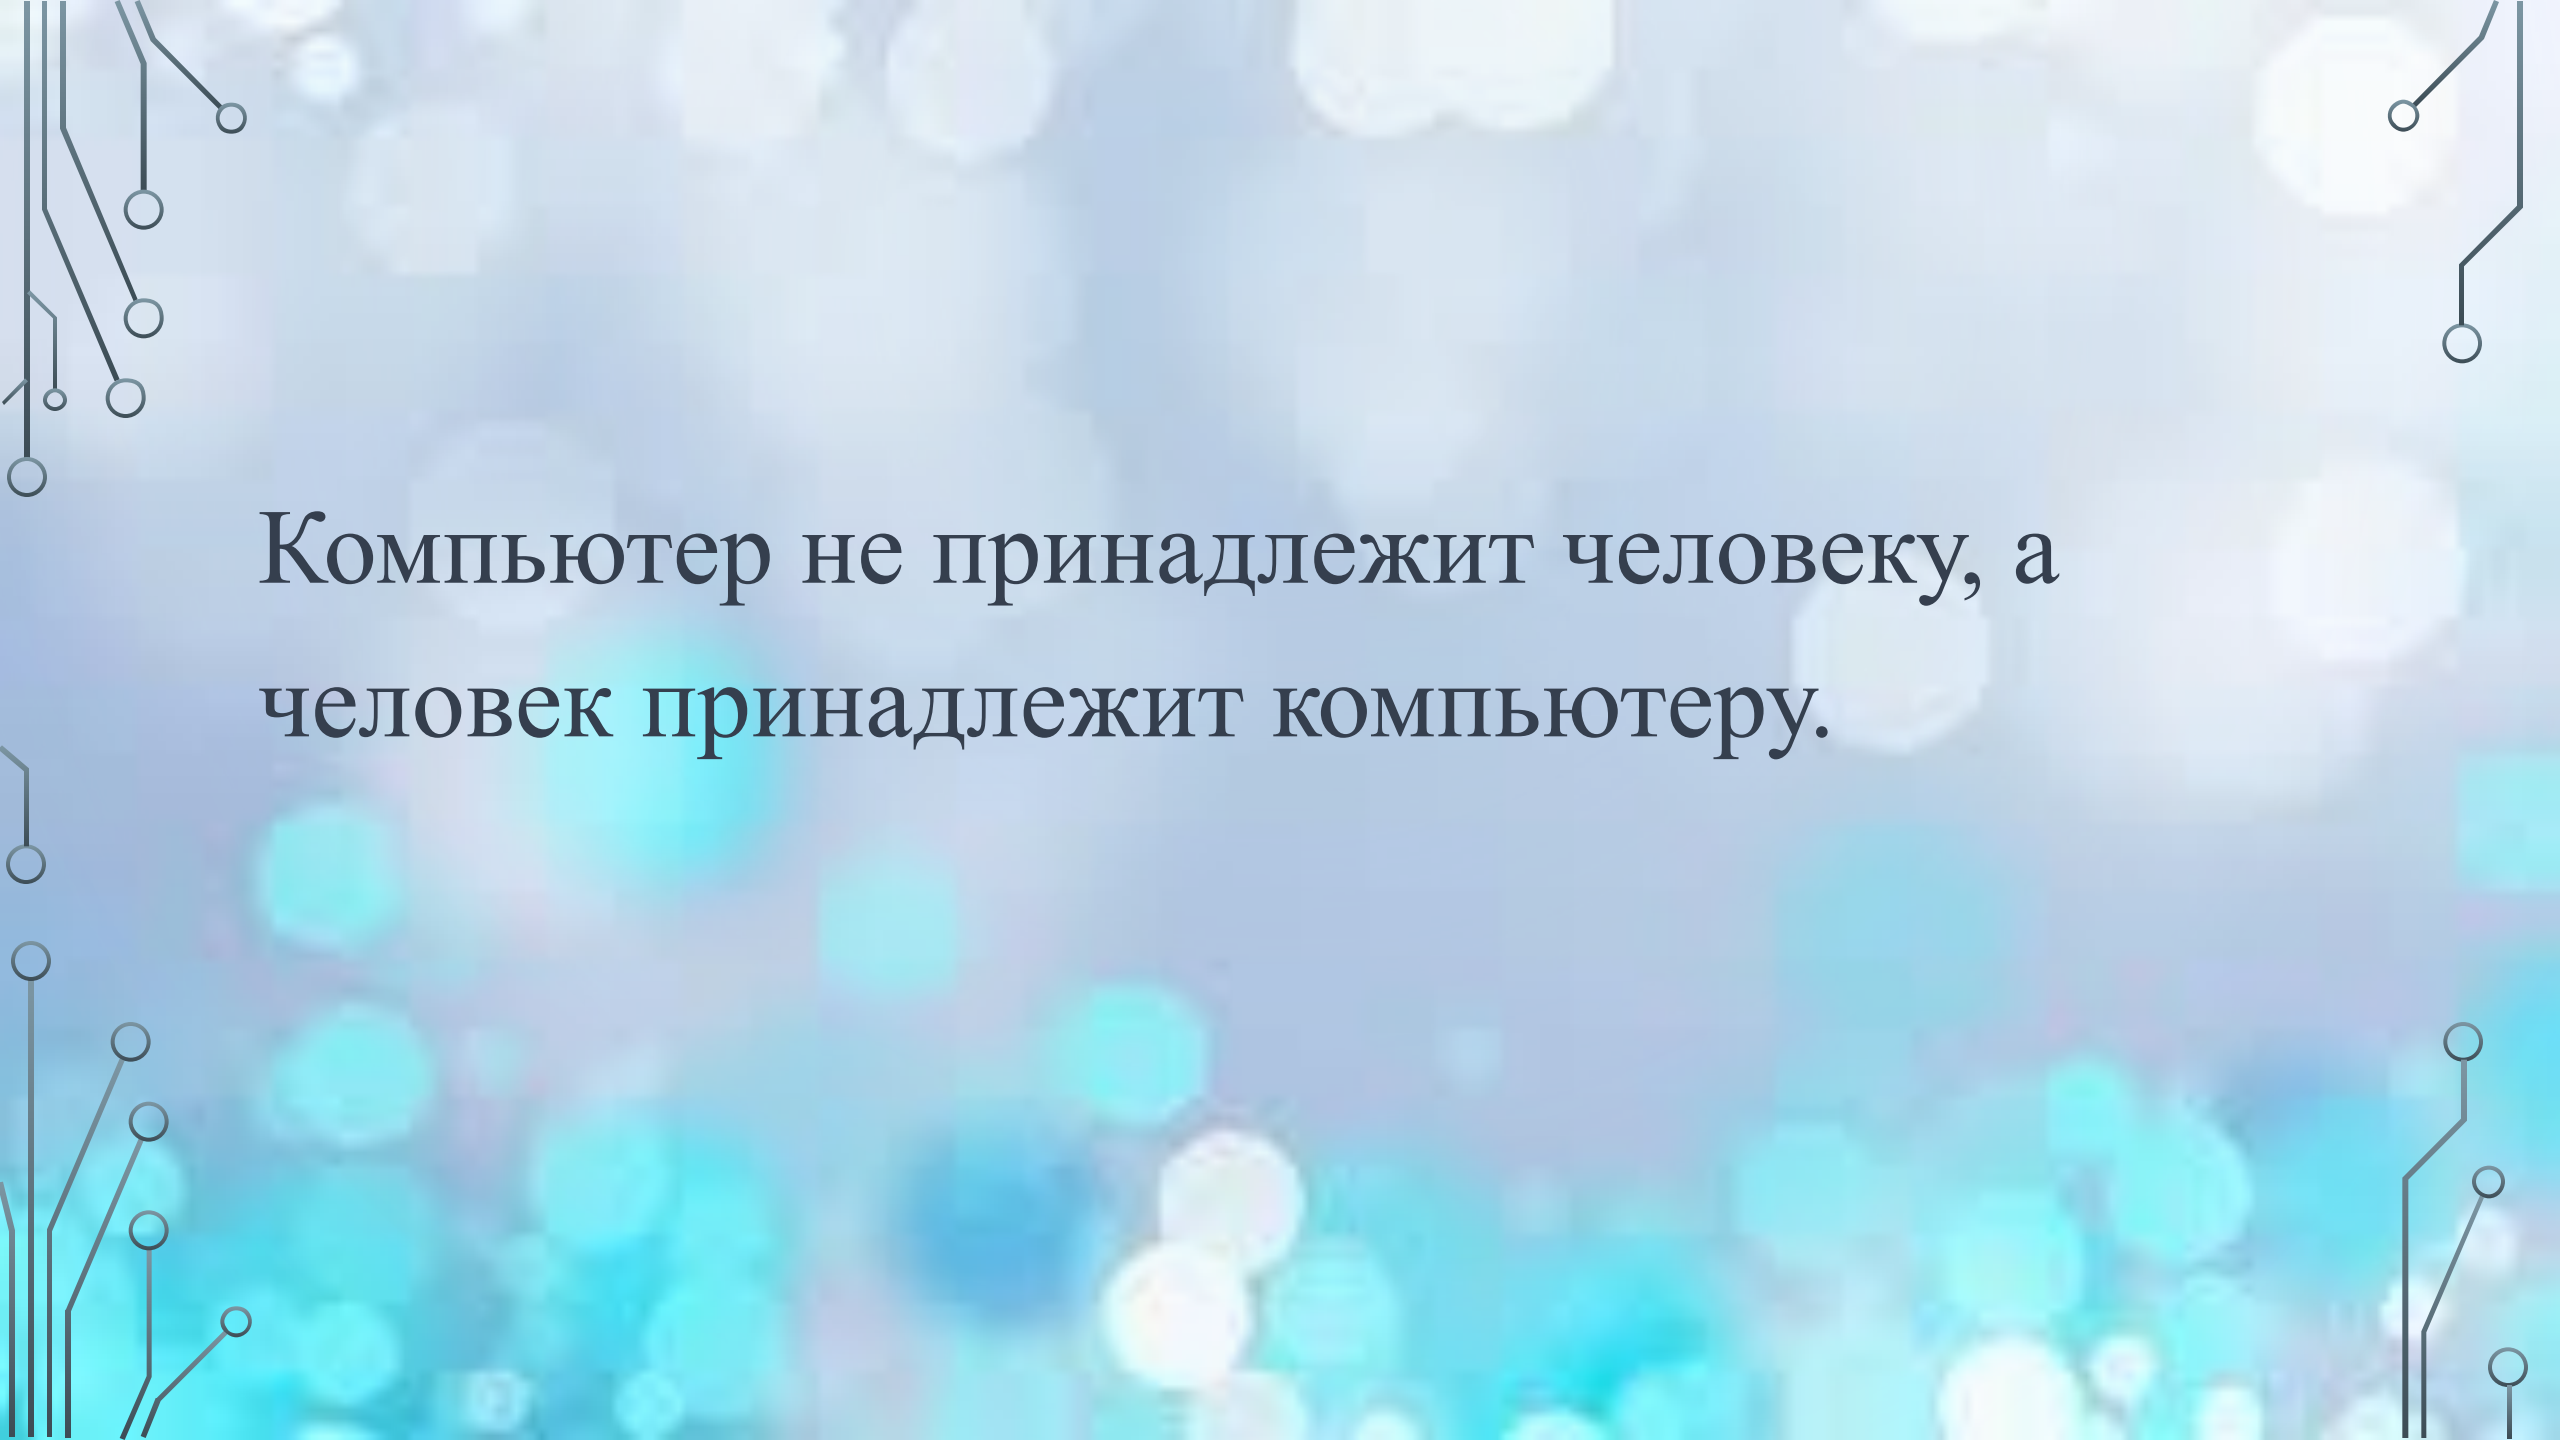

Без компьютера жить, только небо коптить.

The image features a light blue background with a subtle pattern of overlapping circles. In the four corners, there are decorative line art elements resembling circuit boards or neural networks, with lines and small circles extending from the edges.

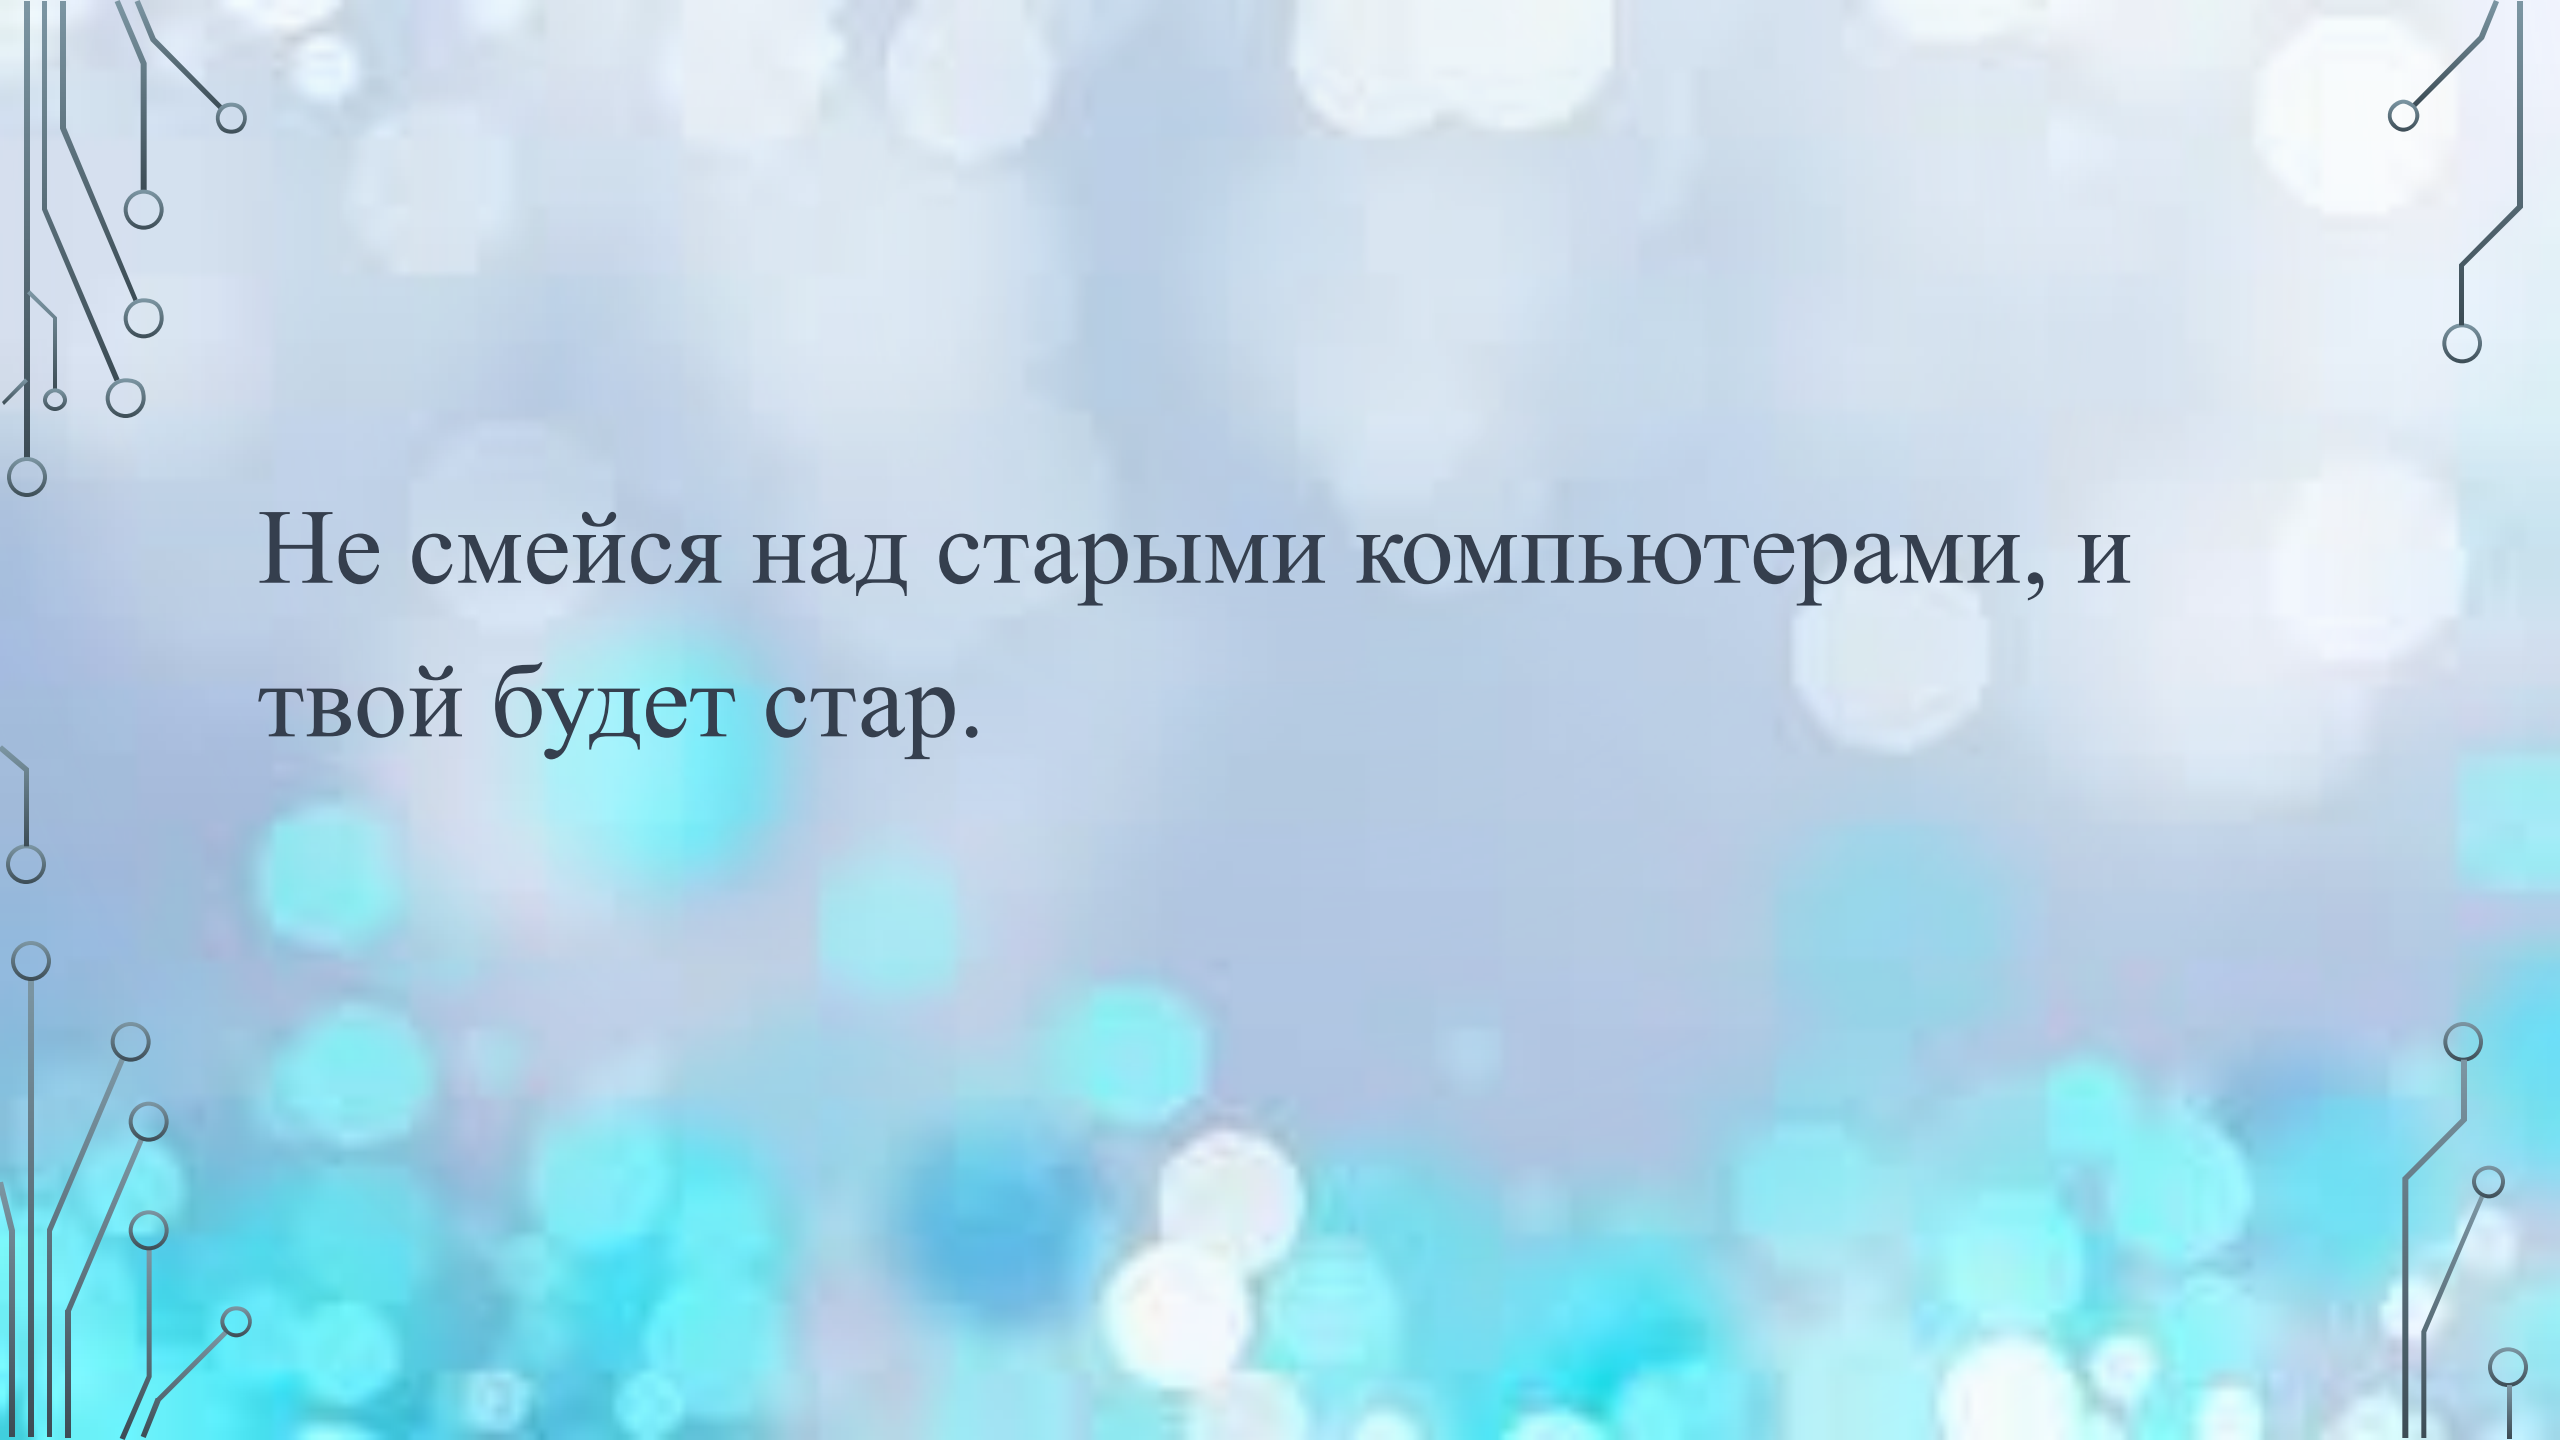

На дисплей неча пенять, коли відеокарта
крива.

The image features a light blue background with a subtle pattern of glowing, out-of-focus circles in shades of blue and white. In the four corners, there are decorative line art elements resembling circuit boards or neural network connections, with thin black lines and small white circles.

Компьютер без программы – что фонарь без
свечи.

The image features a light blue background with a subtle pattern of blurred, glowing circles. In the four corners, there are decorative line art elements resembling circuit boards or neural networks, with lines and small circles extending from the edges.

Компьютер не принадлежит человеку, а
человек принадлежит компьютеру.

The image features a light blue background with a subtle bokeh effect of out-of-focus light spots. In the four corners, there are decorative line art elements resembling electronic circuit boards, with thin black lines and small circles representing components.

Не смейся над старыми компьютерами, и
твой будет стар.

The image features a light blue background with a subtle pattern of overlapping circles. In the four corners, there are decorative line art elements resembling circuit boards or neural networks, with lines and small circles extending from the edges.

Компьютер памятью не испортишь.

The image features a light blue background with a subtle bokeh effect of soft, out-of-focus light spots. In the four corners, there are decorative line art elements resembling electronic circuit boards, with thin black lines and small circles representing components or solder points.

Компьютер на столе не для одних только
игр.

The image features a light blue background with a subtle bokeh effect of out-of-focus light spots. In the four corners, there are decorative line art elements resembling electronic circuit traces or neural network connections, with small circles at the end of the lines.

По ноутбуку встречают, по уму провожают.

The image features a light blue background with a subtle pattern of overlapping circles. In the corners, there are decorative line art elements resembling circuit boards or neural networks, with lines and small circles extending from the edges.

Дарёному компьютеру в системный блок не
заглядывают.

The image features a light blue background with a subtle pattern of overlapping circles in various shades of blue and white. In the four corners, there are decorative line art elements resembling circuit boards or neural network connections, with lines and small circles.

Семь раз подумай – один раз апгрейдируй.

The image features a light blue background with a subtle pattern of overlapping circles. In the four corners, there are decorative black line art elements resembling circuit traces or branching paths, each ending in a small circle.

Утопающий за «F1» хватается.

The image features a light blue background with a subtle bokeh effect of out-of-focus light spots. In the four corners, there are decorative line art elements resembling circuit boards or neural network connections, with thin black lines and small white circles.

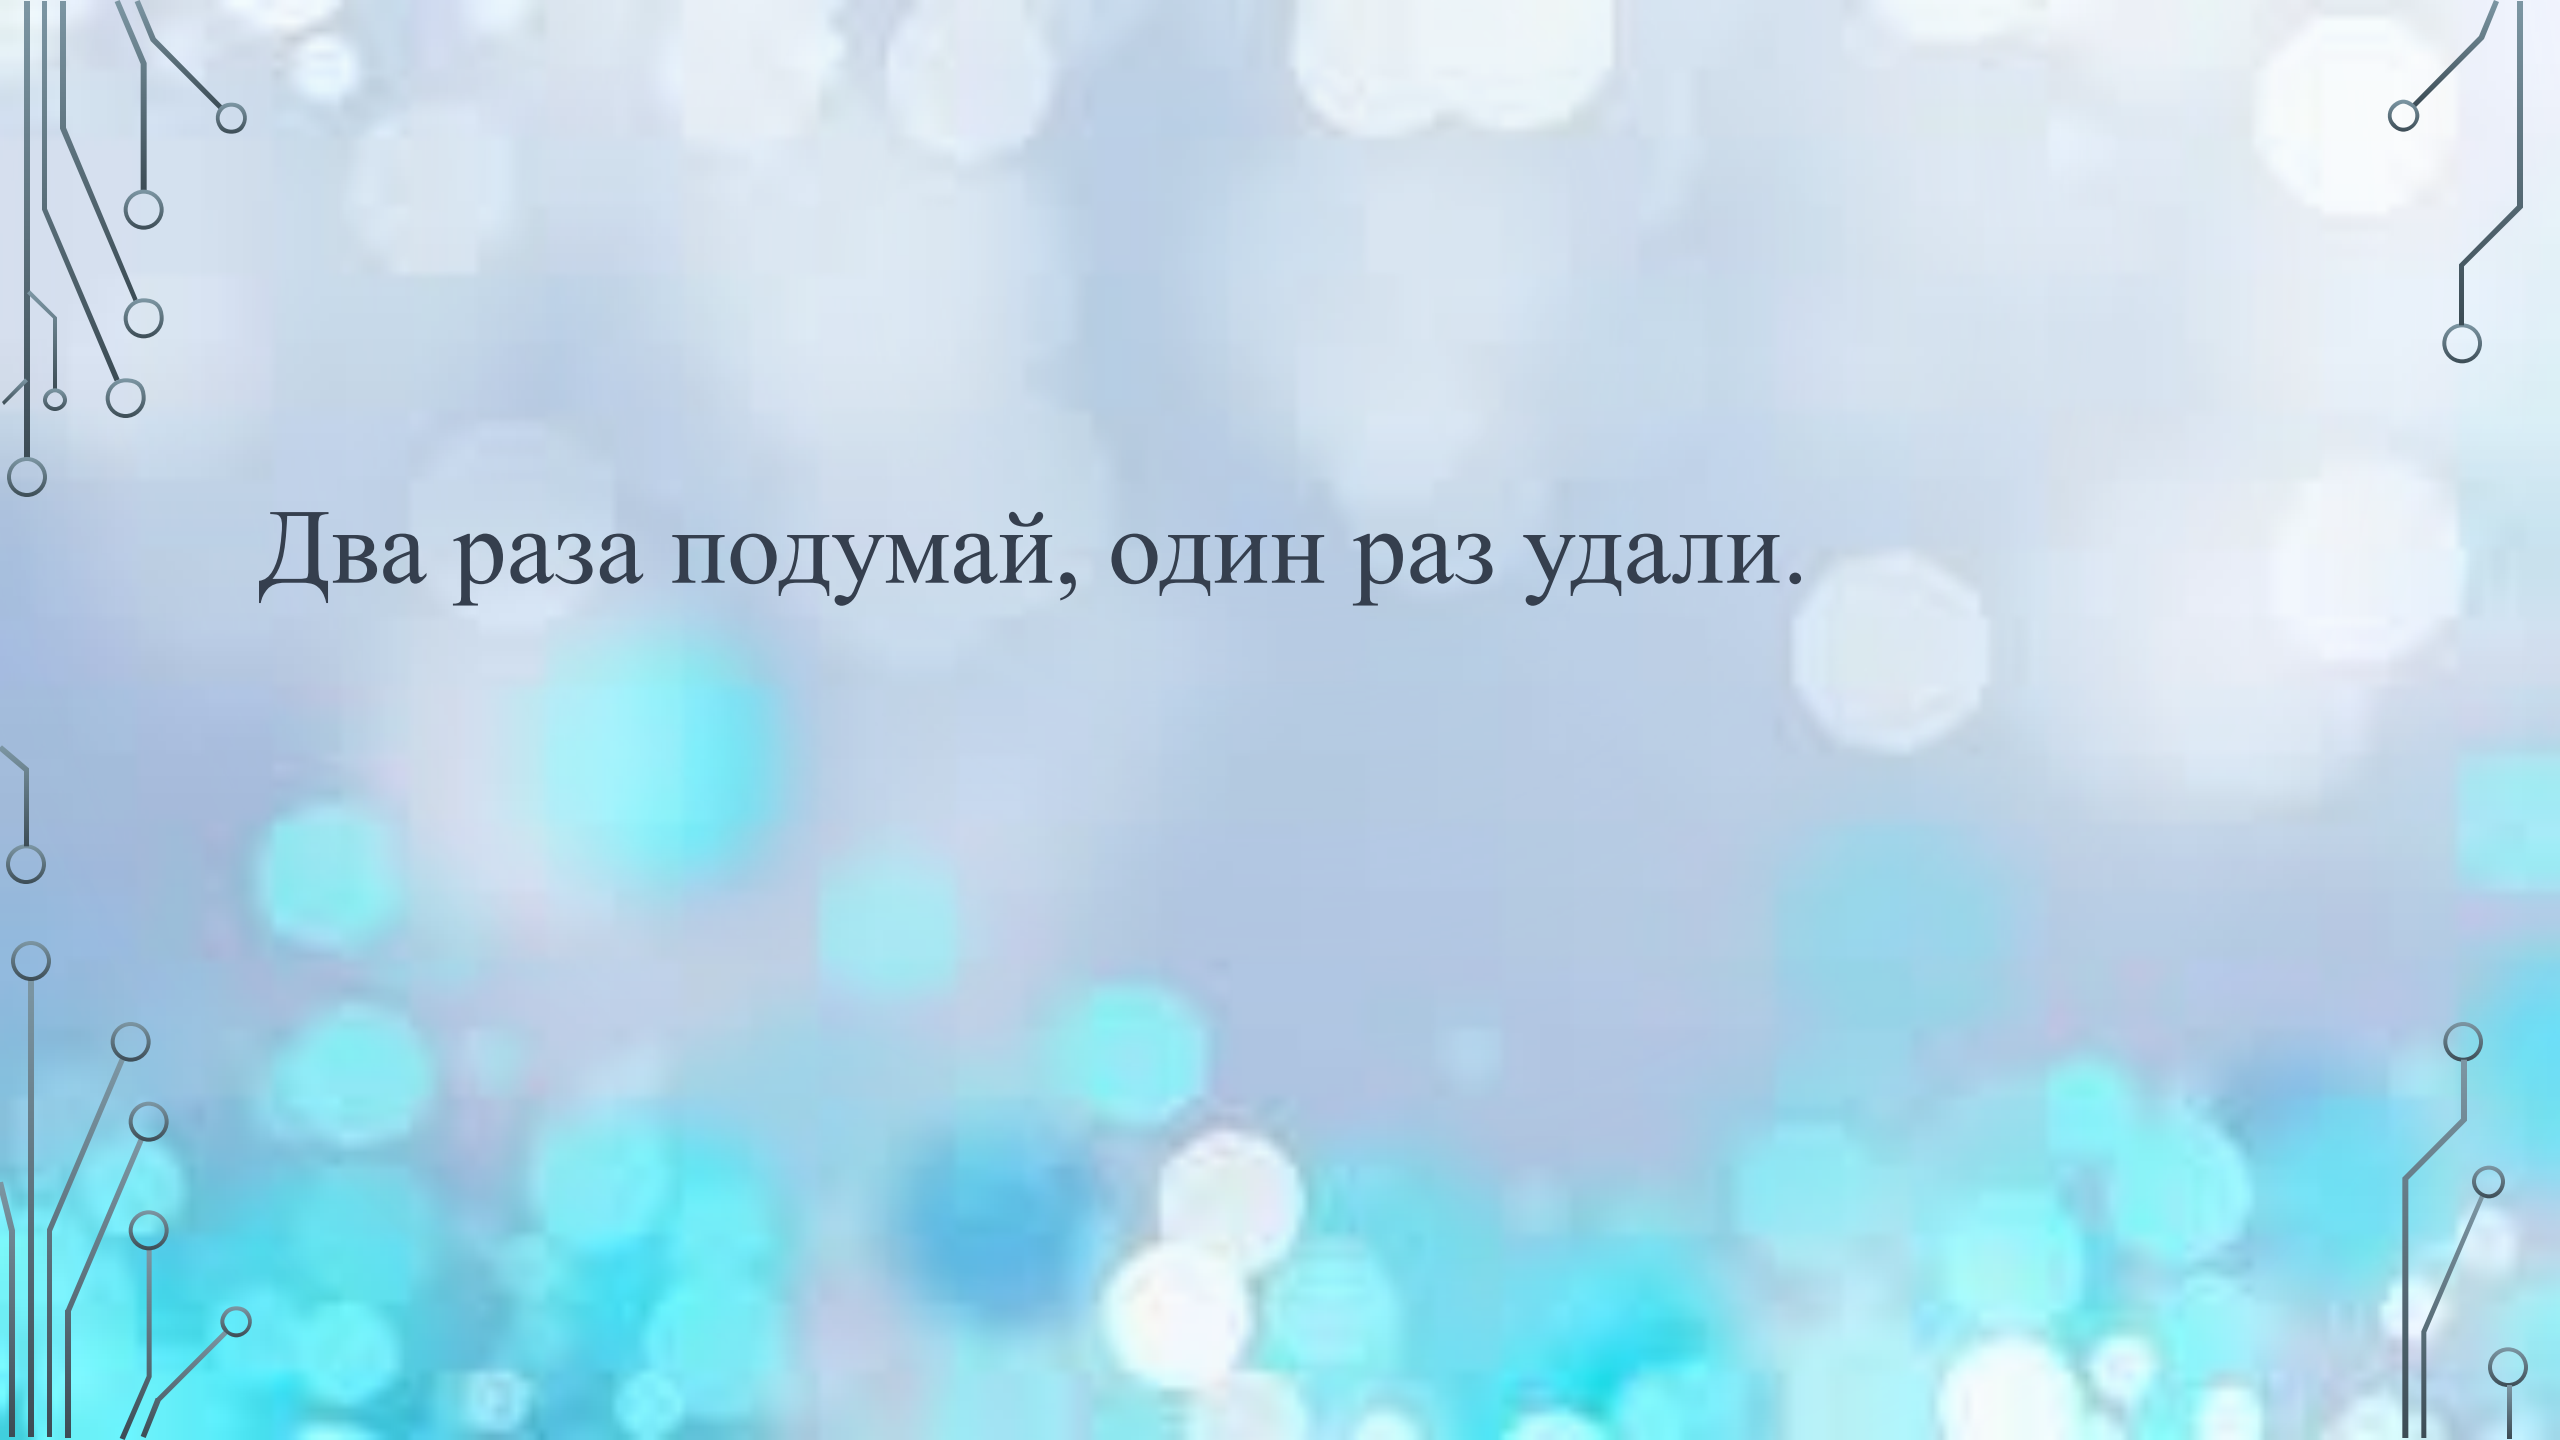

Не всё WINDOWS, что висит.

The image features a light blue background with a subtle pattern of overlapping circles. In the four corners, there are decorative line art elements resembling electronic circuit traces, with small circles at the end of the lines.

Семь бед – один «Reset».

The image features a light blue background with a subtle bokeh effect of out-of-focus light spots. In the four corners, there are decorative line art elements resembling electronic circuit boards, with thin black lines and small circles representing components or solder points.

Плоха та мышка, которая одну кнопку
имеет.

The image features a light blue background with a subtle pattern of soft, out-of-focus circles in various shades of blue and white. In the four corners, there are decorative black line art elements resembling circuit boards or neural network connections, with lines extending from the edges and ending in small circles.

Два раза подумай, один раз удали.

The image features a light blue background with a subtle pattern of glowing, out-of-focus circles in shades of blue and white. In the four corners, there are decorative line art elements resembling electronic circuit traces or a stylized city skyline, with small circles at the end of the lines.

Хороший процессор — холодный процессор.
