

ПУТЕШЕСТВИЕ ПО ОКЕАНУ ЗНАНИЙ

Остров «ЧИСЛА и ЦИФРЫ»

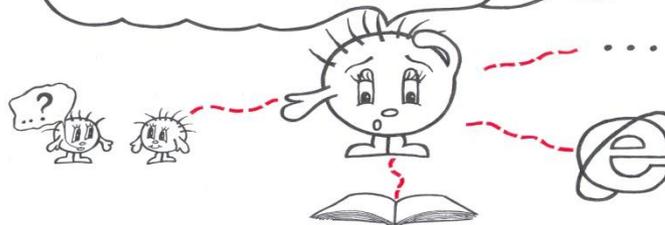

I шаг

Чего я не знаю?

II шаг

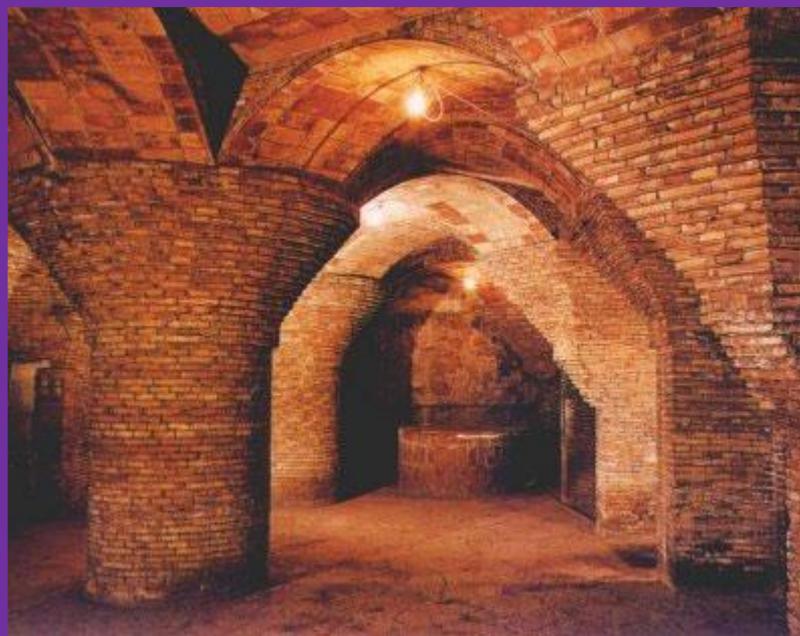

Сам найду способ

Разгадай
ребусы.

ПО 2 Л

подвал

Сосчитай примеры.

$$6 + 4 =$$

$$9 - 2 =$$

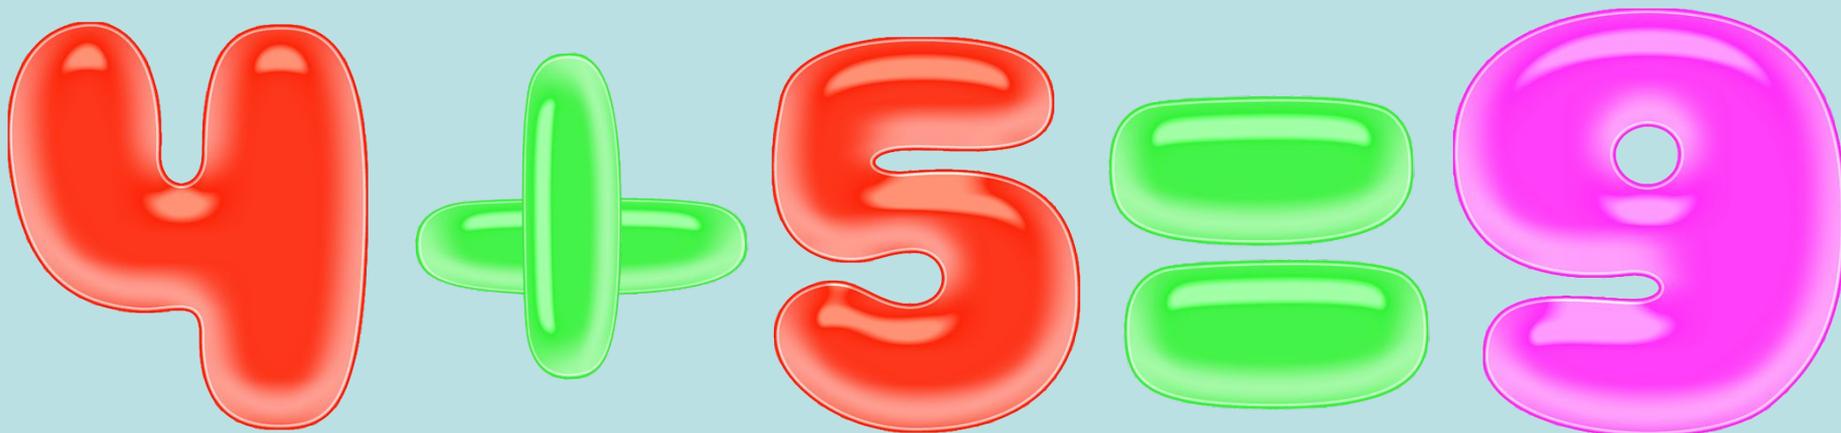

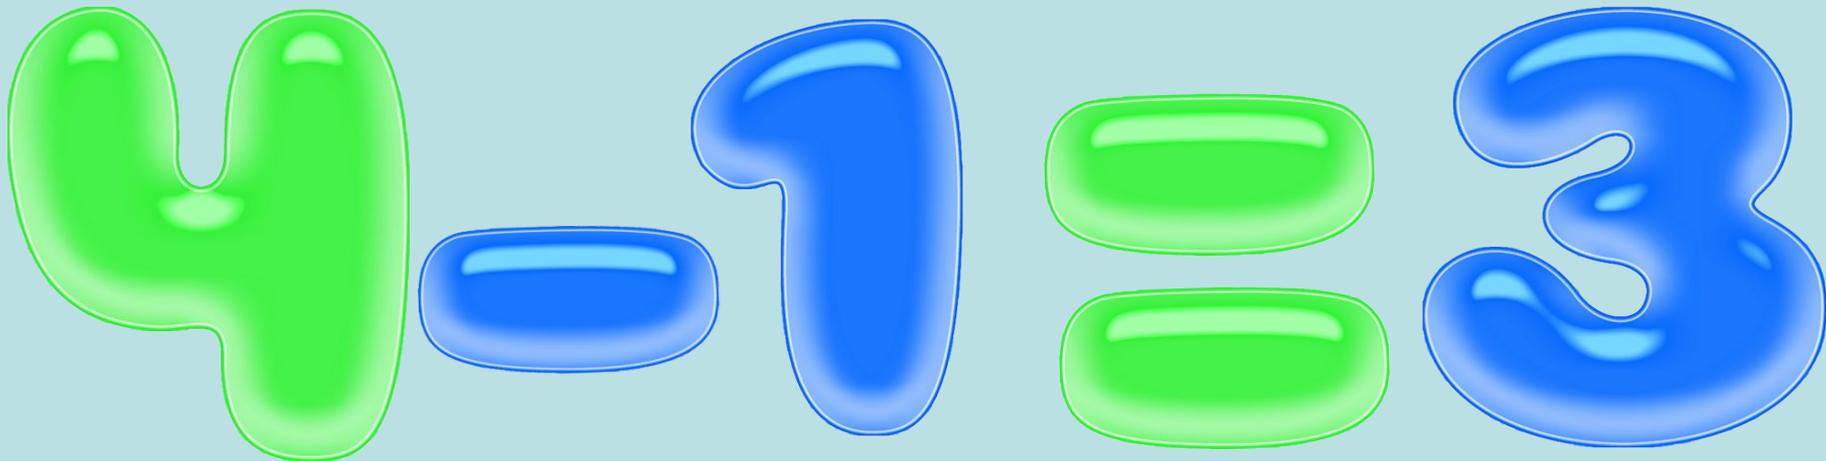

$$4 + 3 =$$

$$8 - 4 =$$

$$7 + 2 =$$

$$10 - 3 =$$

Какой знак нужно поставить?

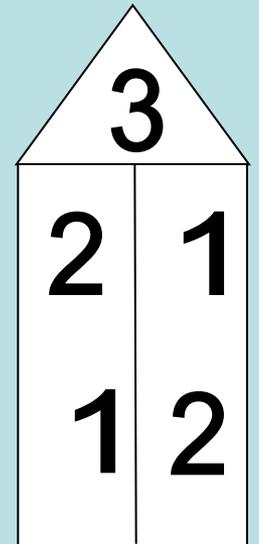

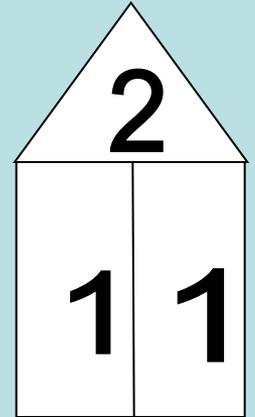

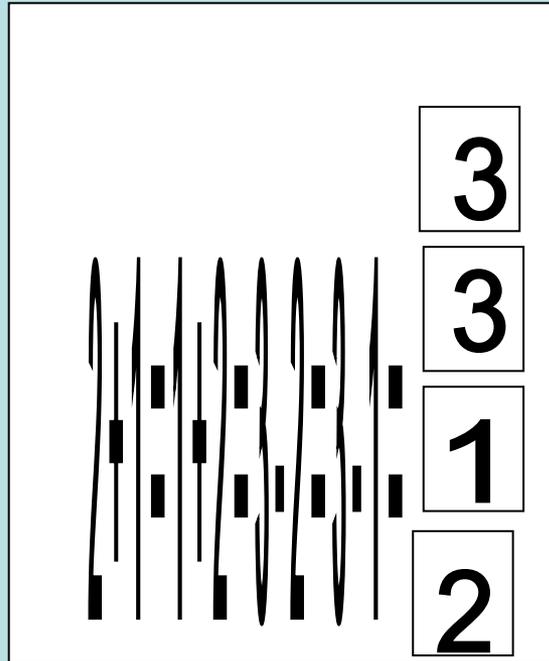

Ёжик по лесу шёл,
На обед грибы нашёл:
Два - под берёзой,
Один – у осины.
Сколько их будет
В плетёной корзине?

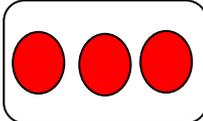

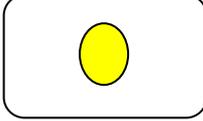

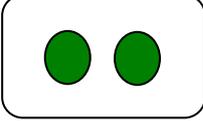

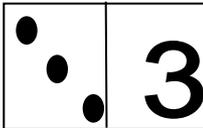

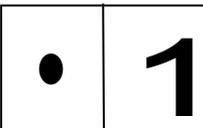

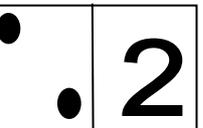

3

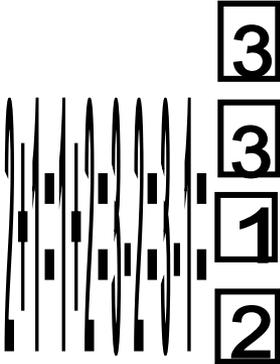

A rounded rectangle containing three yellow squares. Three lines connect the bottom corners of the squares to three black dots in a row below. The number 3 is to the right of the dots.	A rounded rectangle containing one red oval. One line connects the bottom of the oval to one black dot in a row below. The number 1 is to the right of the dot.	A rounded rectangle containing two green circles. Two lines connect the bottom of the circles to two black dots in a row below. The number 2 is to the right of the dots.
--	---	---

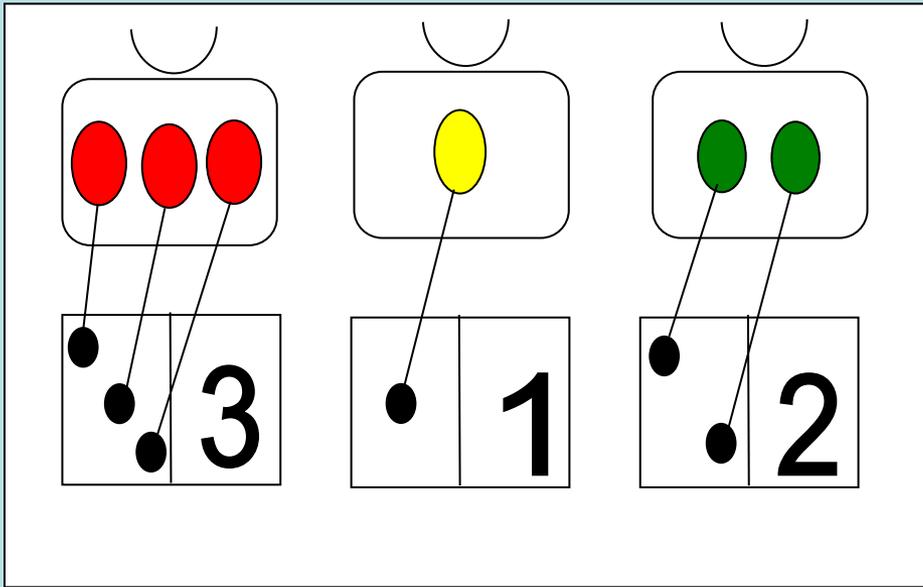

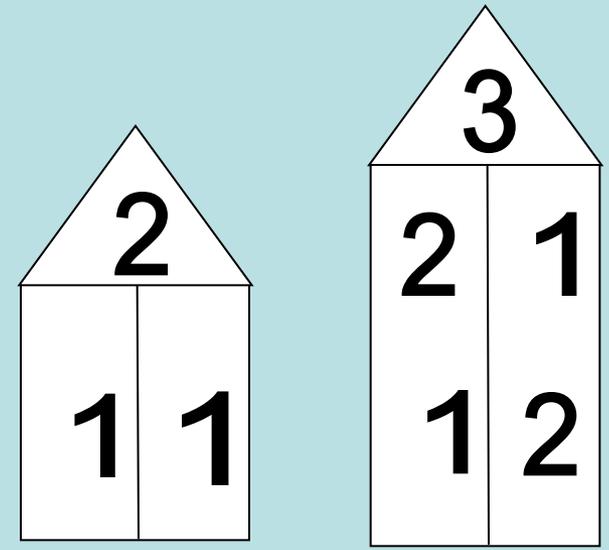

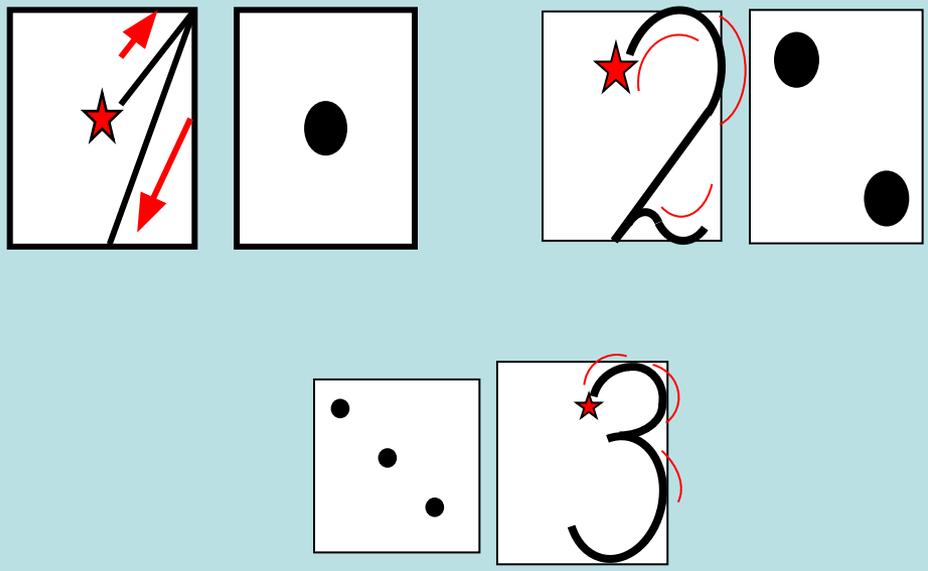

A vertical dot pattern consisting of three columns of dots. The first column has three dots, the second has three dots, the third has one dot, and the fourth has two dots. To the right of the pattern are four boxes containing the numbers 3, 3, 1, and 2, corresponding to the dot counts in each column.

3 – это 2 и 1, значит
 $2 + 1 = 3$
 $3 - 2 = 1$

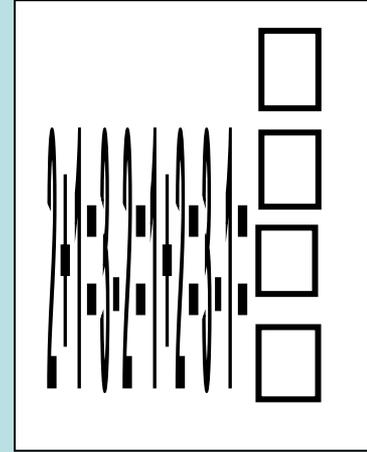

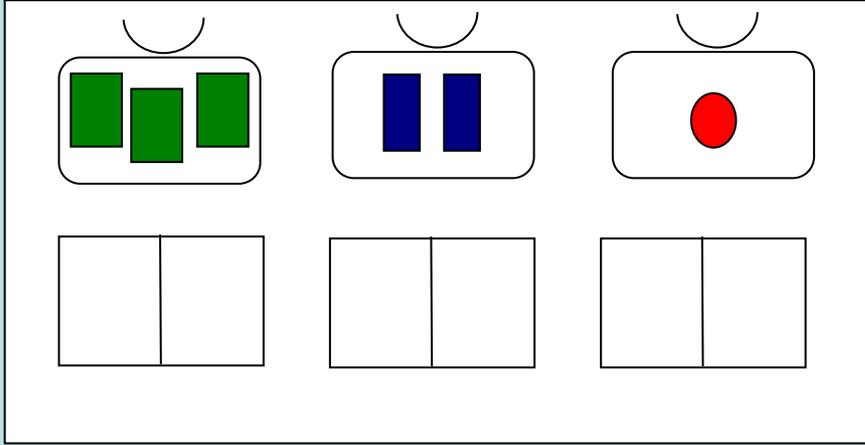

3 – это 1 и 2, значит
 $1 + 2 = 3$
 $3 - 1 = 2$

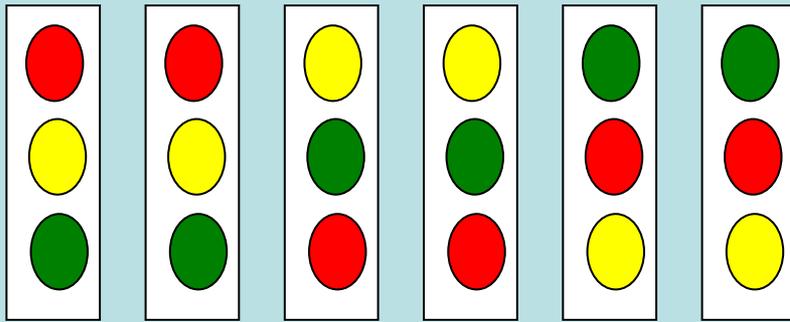

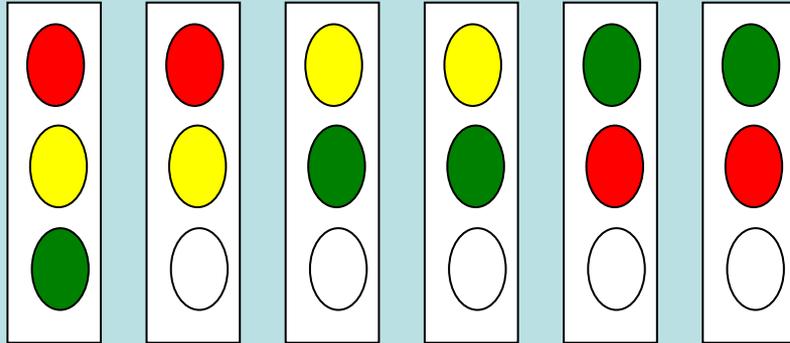

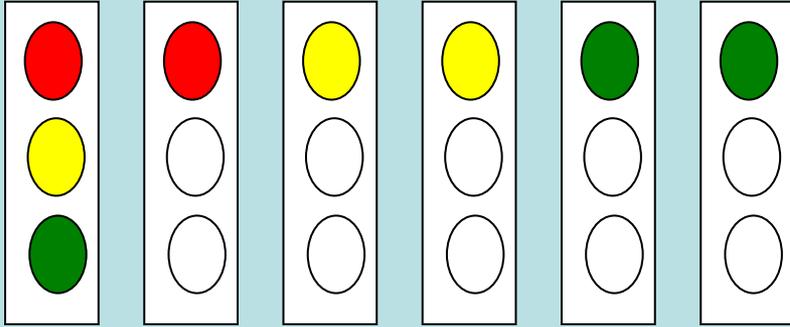

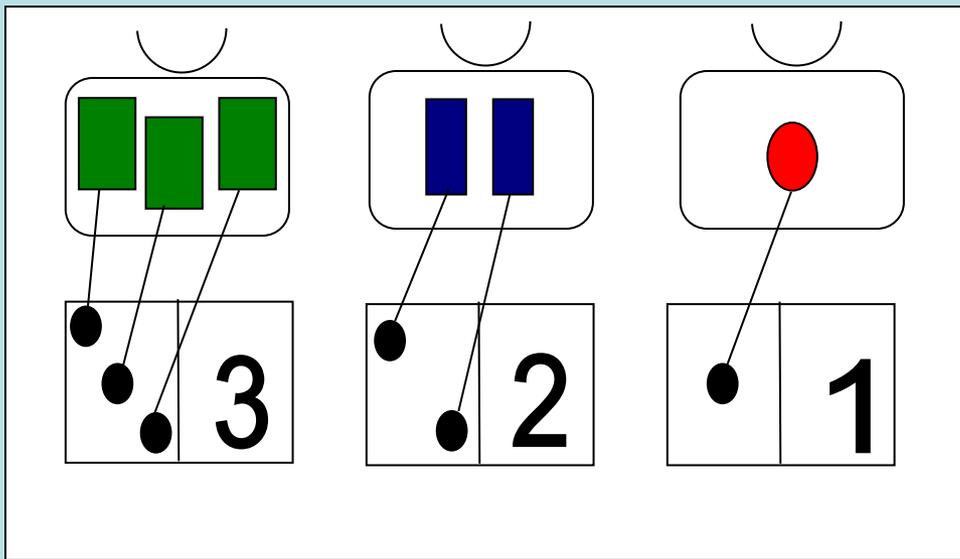

Физкультминутка

**Воробьишка потянулся,
Распрямился, встрепенулся.
Головой кивнул три раза,
Подмигнул он правым глазом.
Лапки в стороны развёл.
И по жёрдочке пошёл.
Прогулялся и присел,
Свою песенку запел:
Чик-чирик-чирик-чирик...**

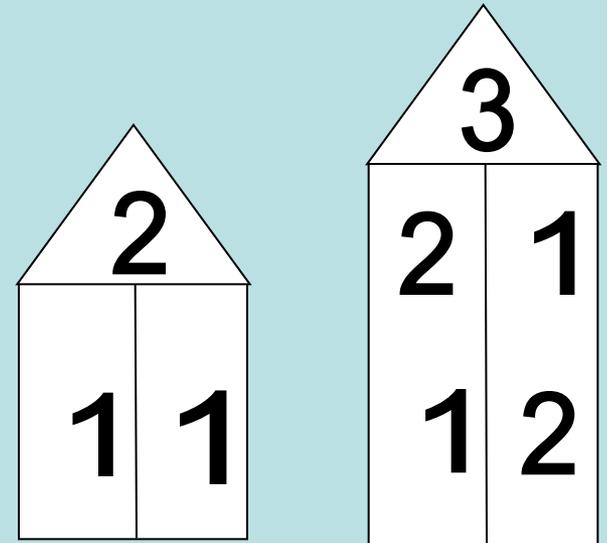

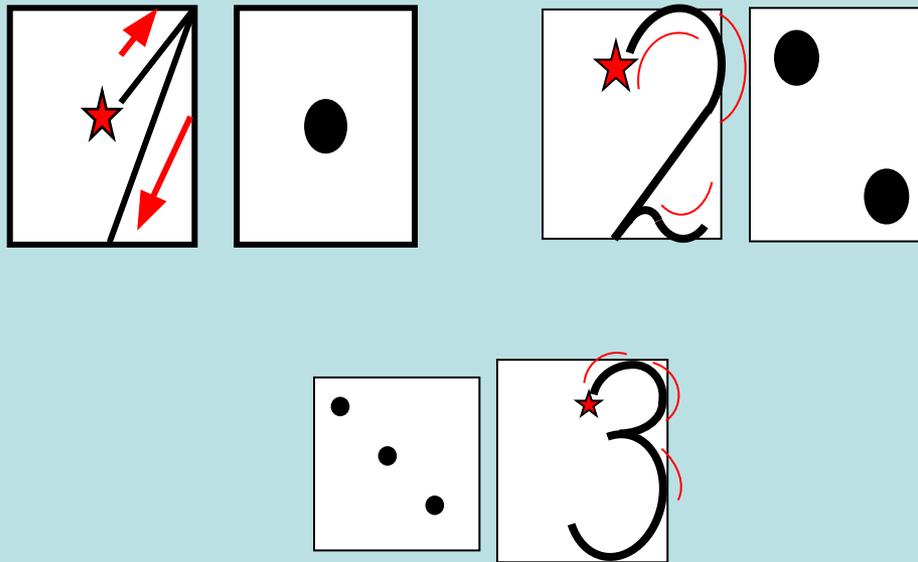

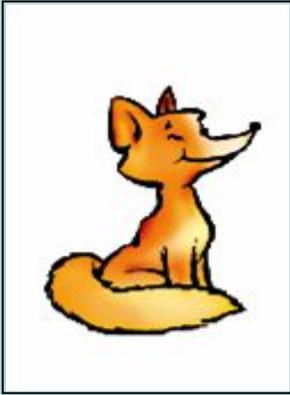

3 – это 2 и 1, значит
 $2 + 1 = 3$
 $3 - 2 = 1$
 3 – это 1 и 2, значит
 $1 + 2 = 3$
 $3 - 1 = 2$

$$2 + 1 = \square - 2 = 1$$

$$\square + 1 = 4 + 2 = 3$$

$$\square + 1 = 13 - 1 = 2$$

РЕФЛЕКСИЯ

Мне удалось на уроке...

Мне понравилось...

Я порадовался за...

Я могу похвалить себя за...

С каким настроением заканчиваем урок?
