Укажите график нечетной функции.

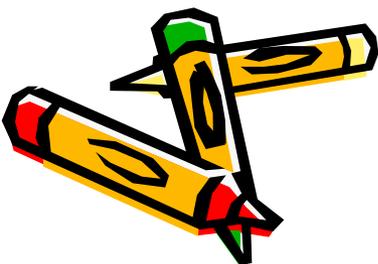

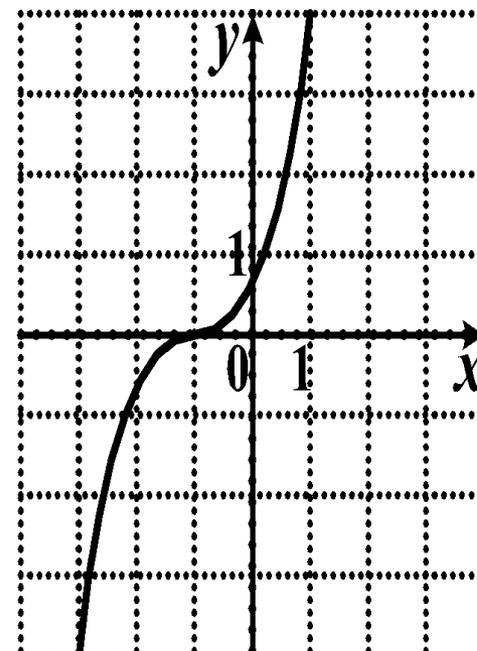

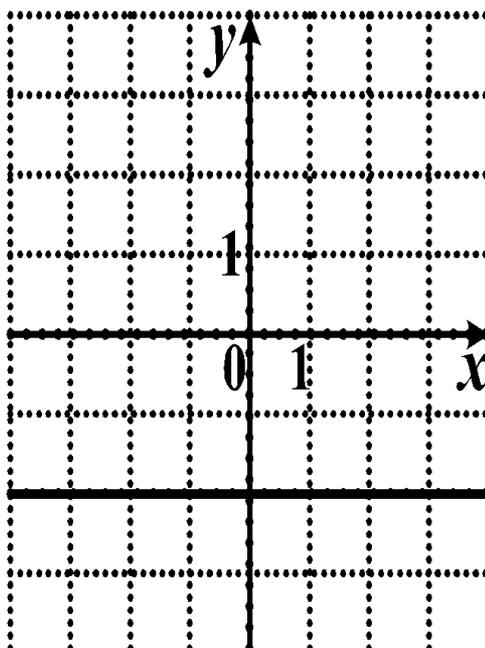

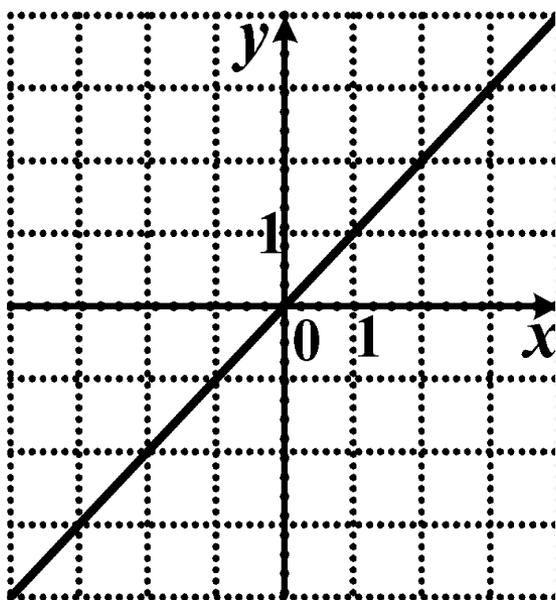

Укажите область  
определения функции.

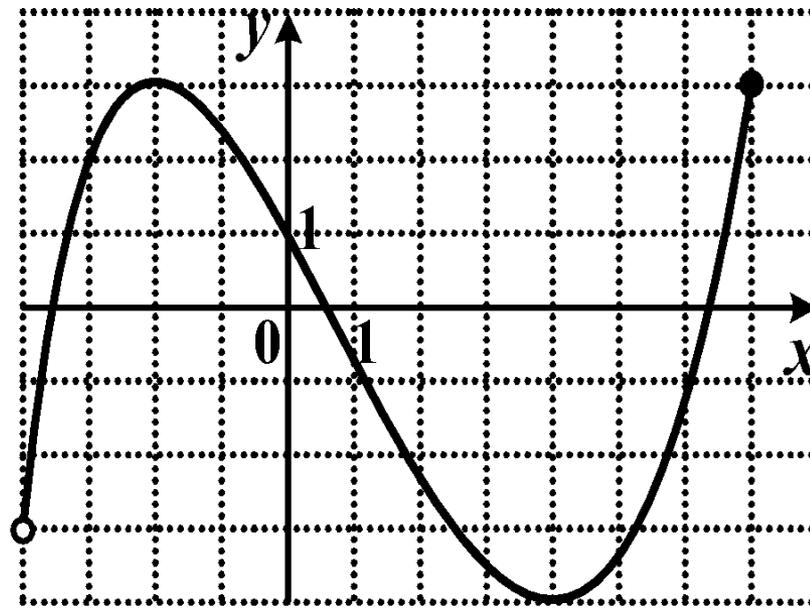

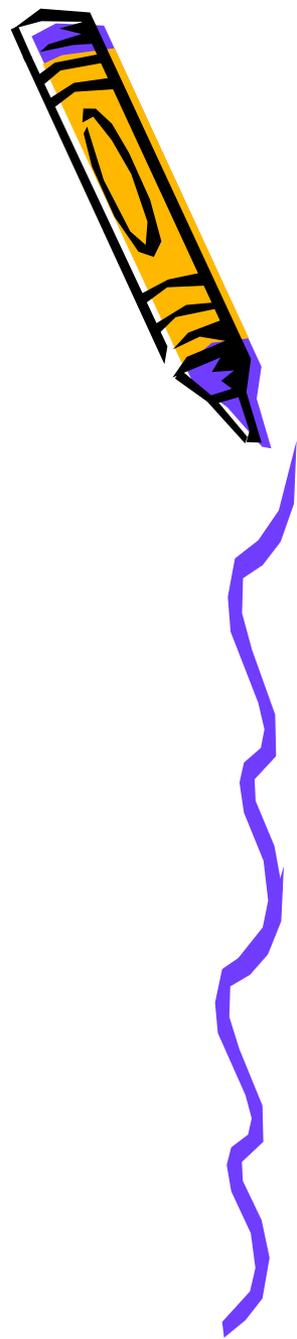

Укажите множество значений функции, график которой изображен на рисунке.

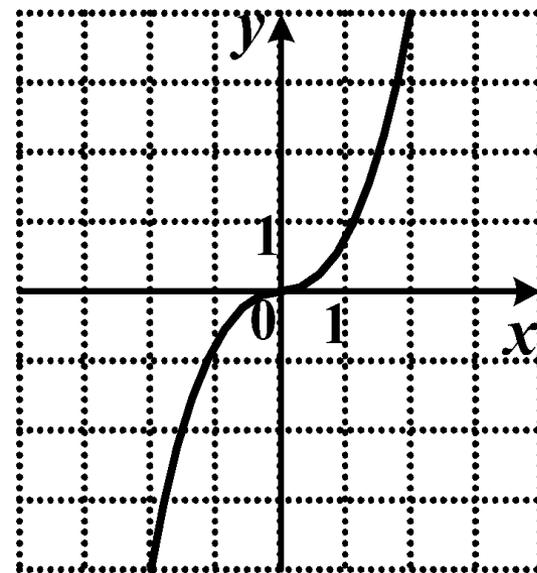

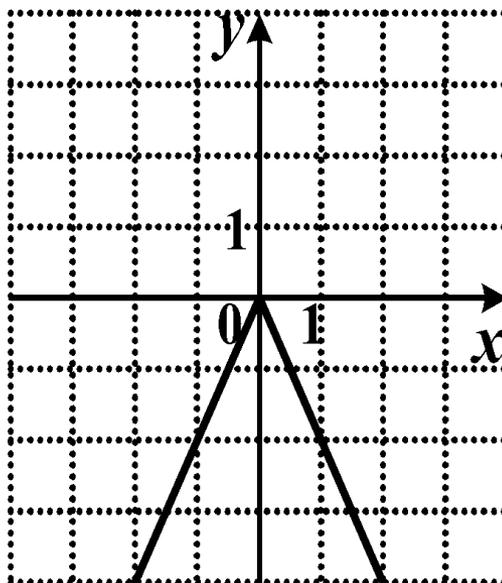

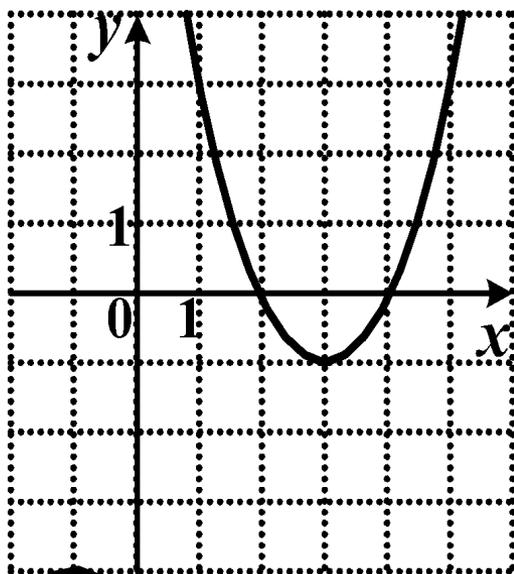

# Укажите график четной функции.

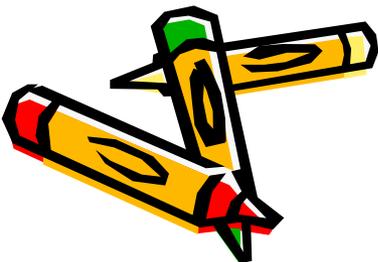

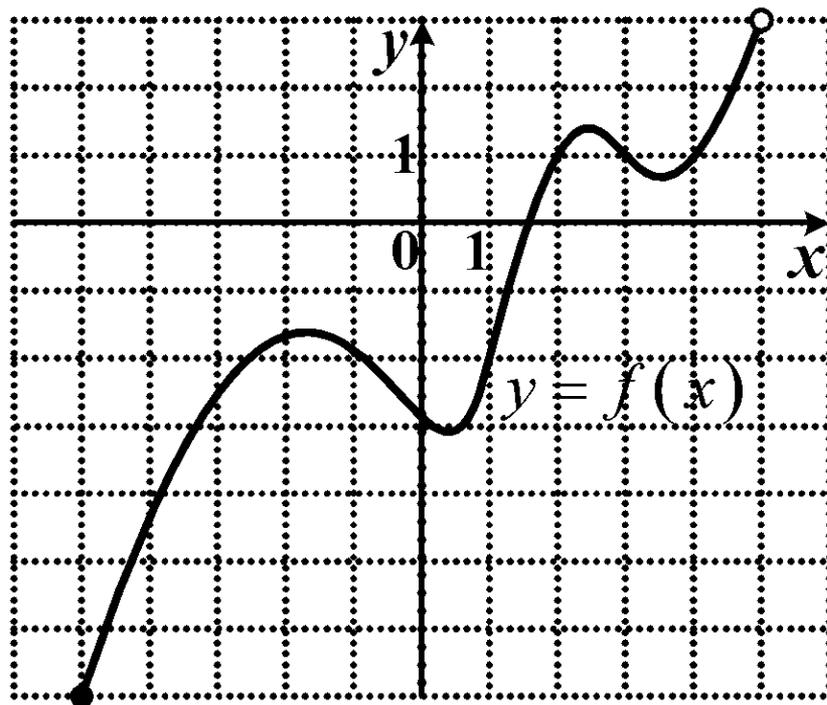

Укажите множество значений функции, график которой изображен на рисунке.

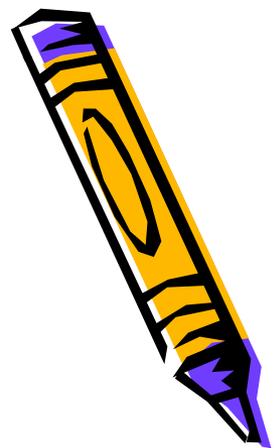

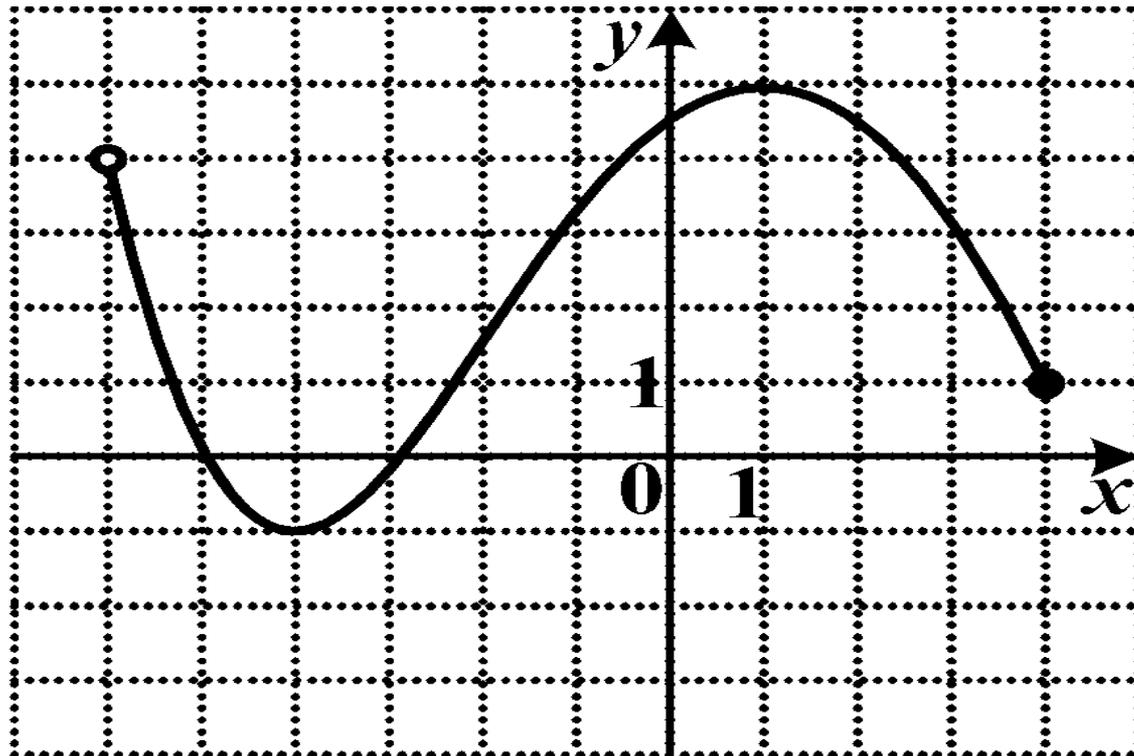

Укажите график нечетной функции.

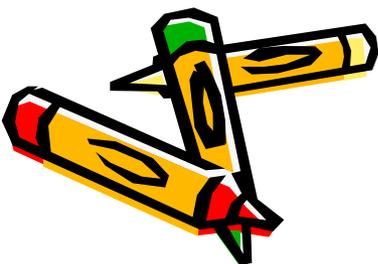

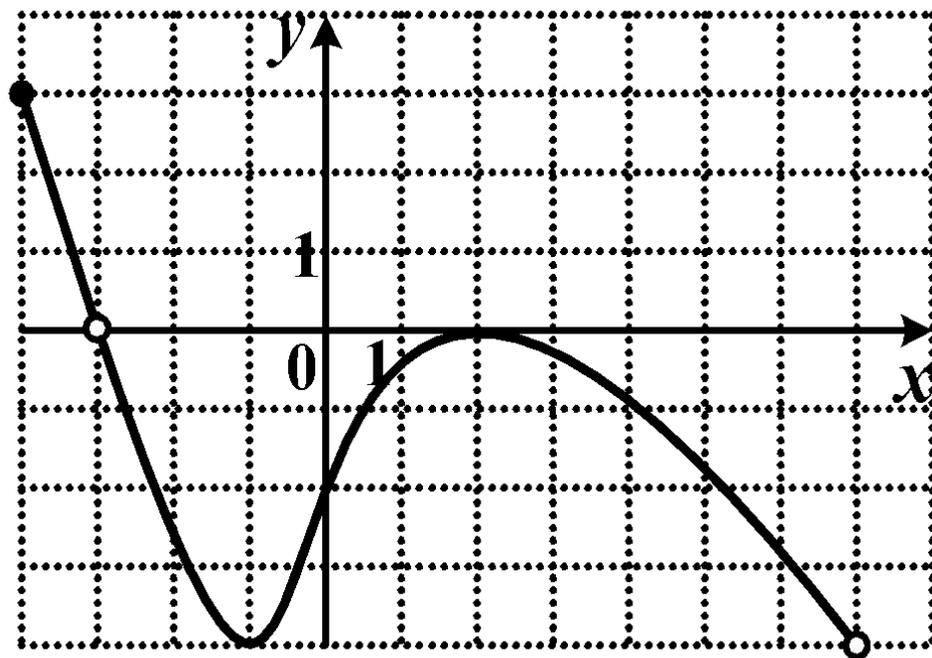

Укажите множество значений этой функции.

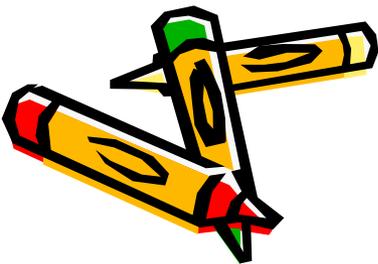

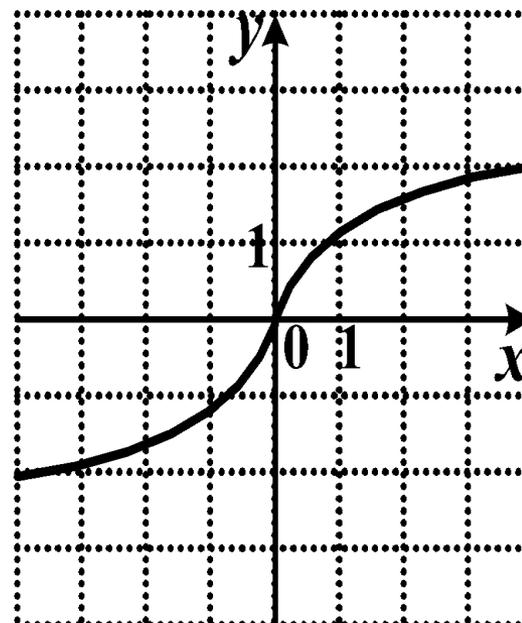

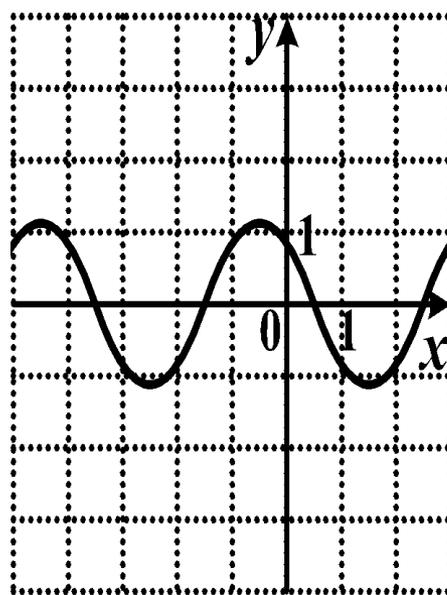

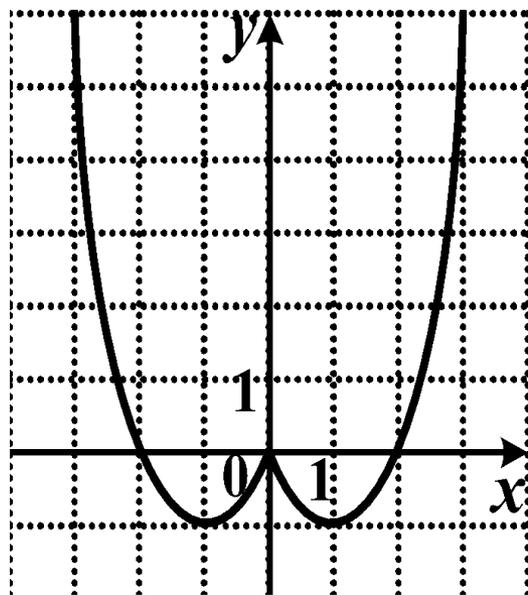

Укажите область  
определения функции

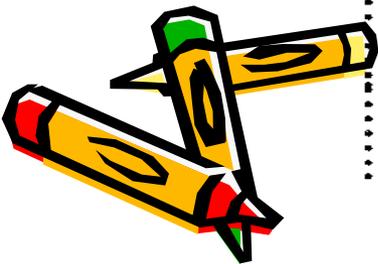

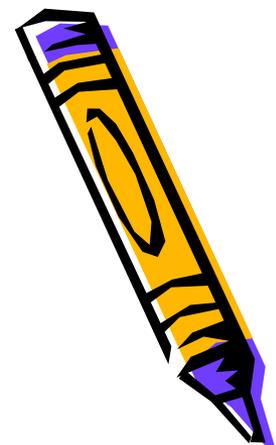

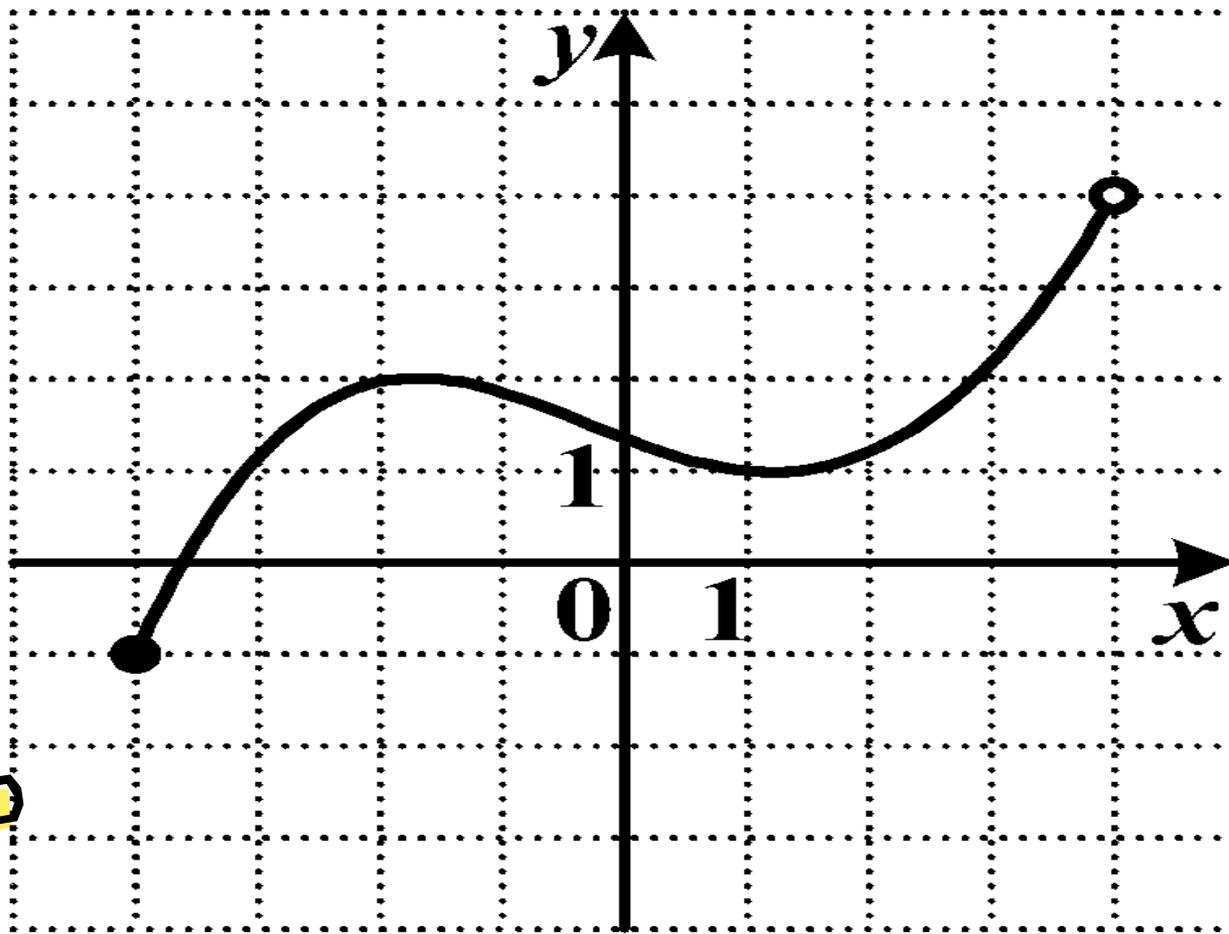

Укажите множество значений функции

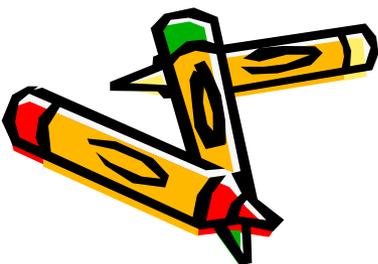

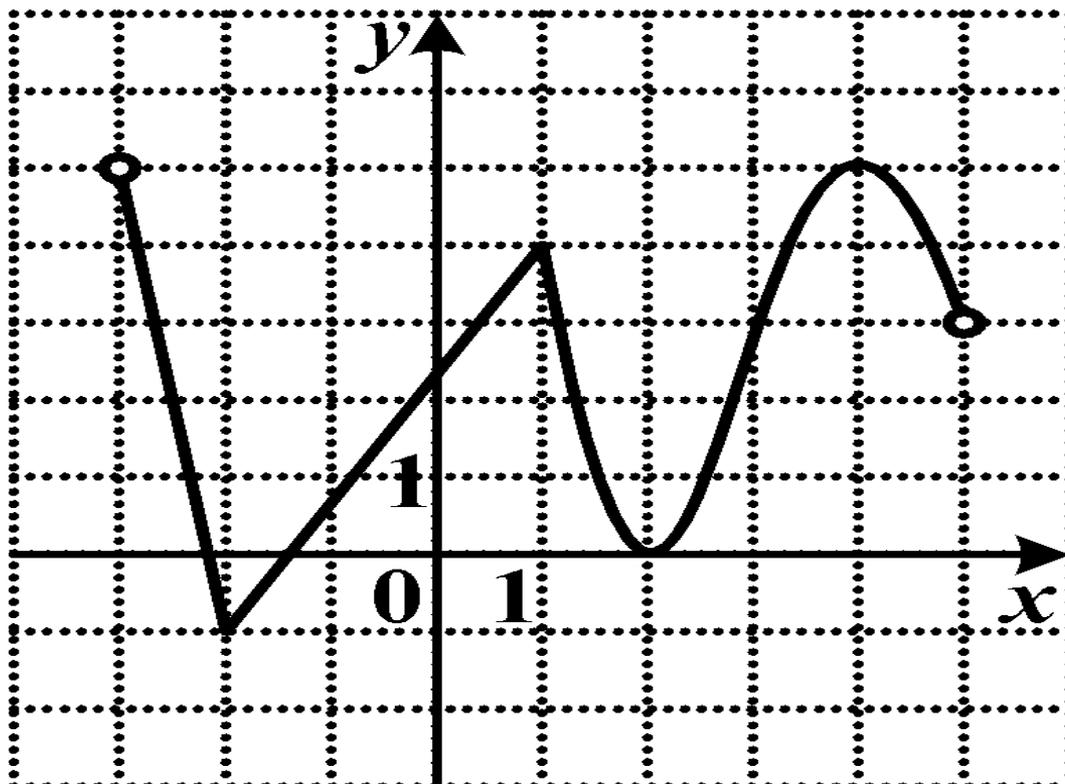

# Укажите график четной функции.

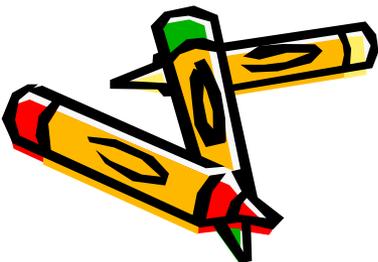

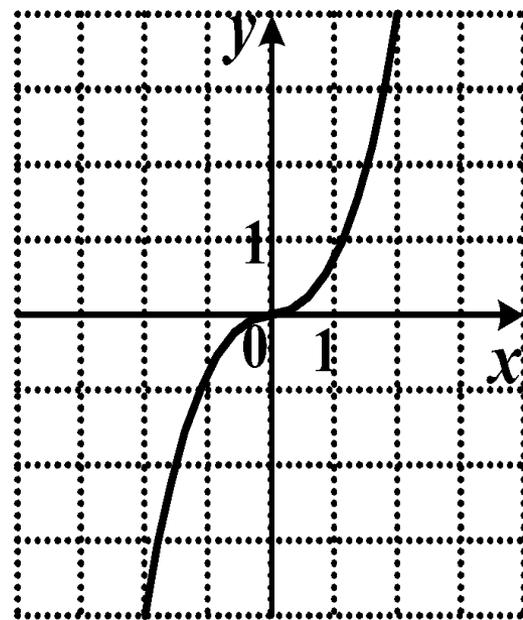

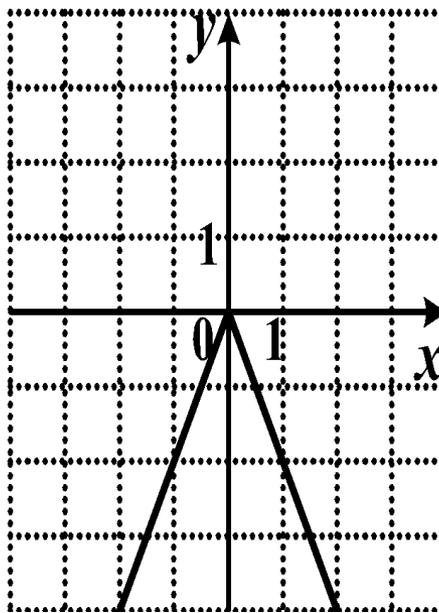

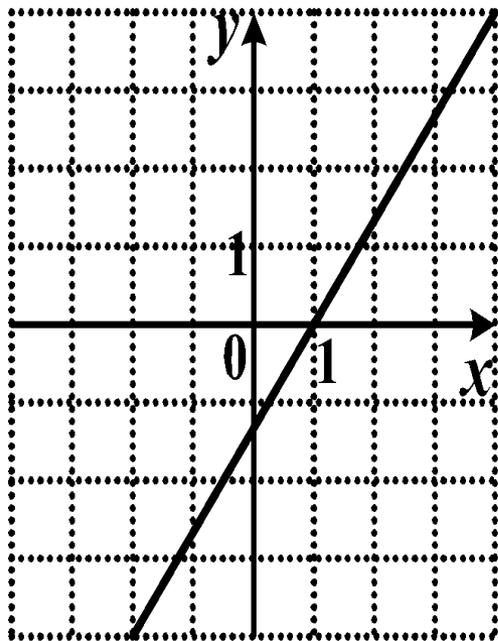

Найдите область  
определения этой  
функции.

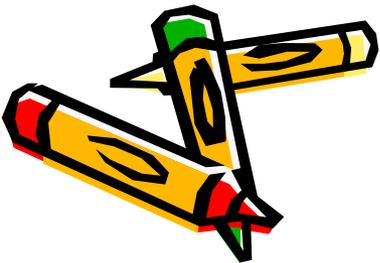

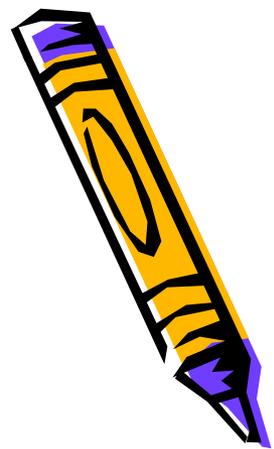

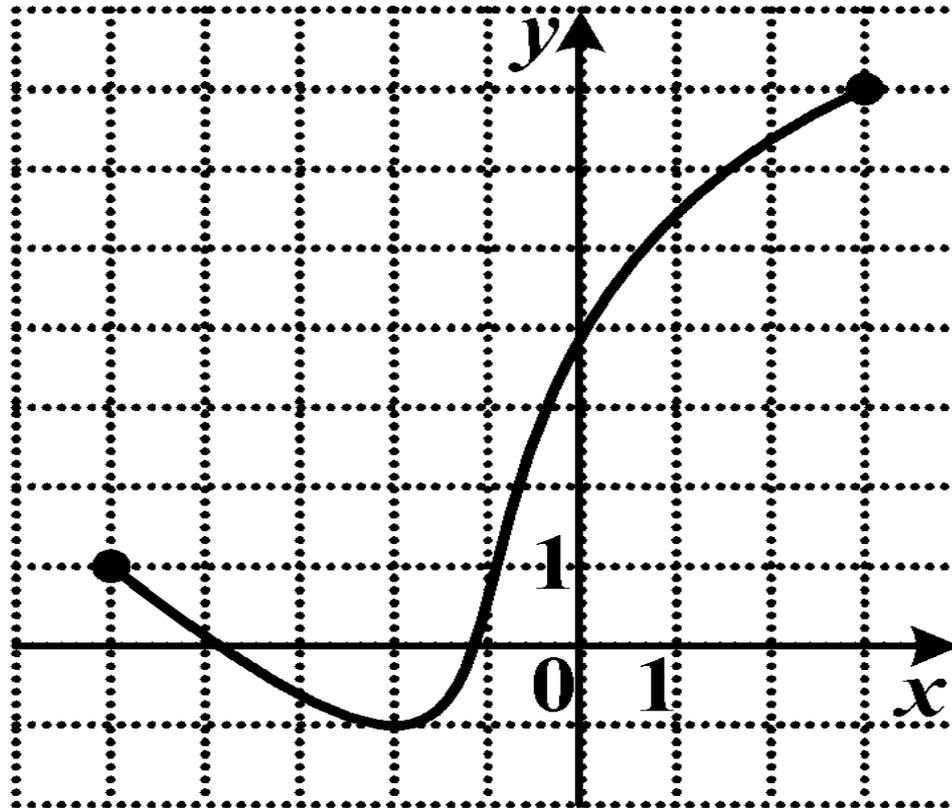

Найдите множество значений этой функции.

Укажите график  
нечетной функции.

Укажите область  
определения этой  
функции.

Укажите множество значений функции
