

A vibrant, cartoon-style illustration of a whimsical landscape. In the foreground, there are rolling green hills with stylized trees and houses. The houses have colorful roofs in shades of red, purple, orange, and green. A large, multi-colored rainbow arches across the middle ground. In the sky, several colorful butterflies (blue, green, orange, and black) are flying, along with a hot air balloon with pink and blue stripes. There are also some bubbles floating in the air. The overall scene is bright and cheerful.

Тема урока:

«Письменное деление на
двузначное число.
Закрепление»

Цели урока:

- закрепить и использовать изученный алгоритм при делении на двузначное число.

A decorative border surrounds the central text area, featuring various colorful Cyrillic letters (А, Б, В, Г, Д, Е, Ж, З, И, К, Л, М, Н, О, П, Р, С, Т, У, Ф, Х, Ц, Ч, Ш, Щ, Ъ, Ы, Ь, Э, Ю, Я) and cartoon characters. The letters are stylized and often have faces or are integrated with illustrations of children and animals. The background of the border is a light blue grid pattern.
