

A visual equation representing the addition of 3 and 2 to get 5. The equation is displayed horizontally. On the left, there is a blue rectangular box containing three yellow circles. To the right of this box is a black plus sign. Next to the plus sign is another blue rectangular box containing two yellow circles. To the right of this second box is a black equals sign. Finally, on the right side of the equation, there is a larger blue rectangular box containing five yellow circles. The entire equation is set against a white background.

$$3 + 2 = 5$$
