Хоть ты смейся,
Хоть ты плачь,
Не могу решать задач!
Может быть плохой
учебник?
Может быть таланта
нет?
Помогите мне, ребята,
Всё расставить по
местам.
Научусь решать задачи-
Буду благодарна Вам!

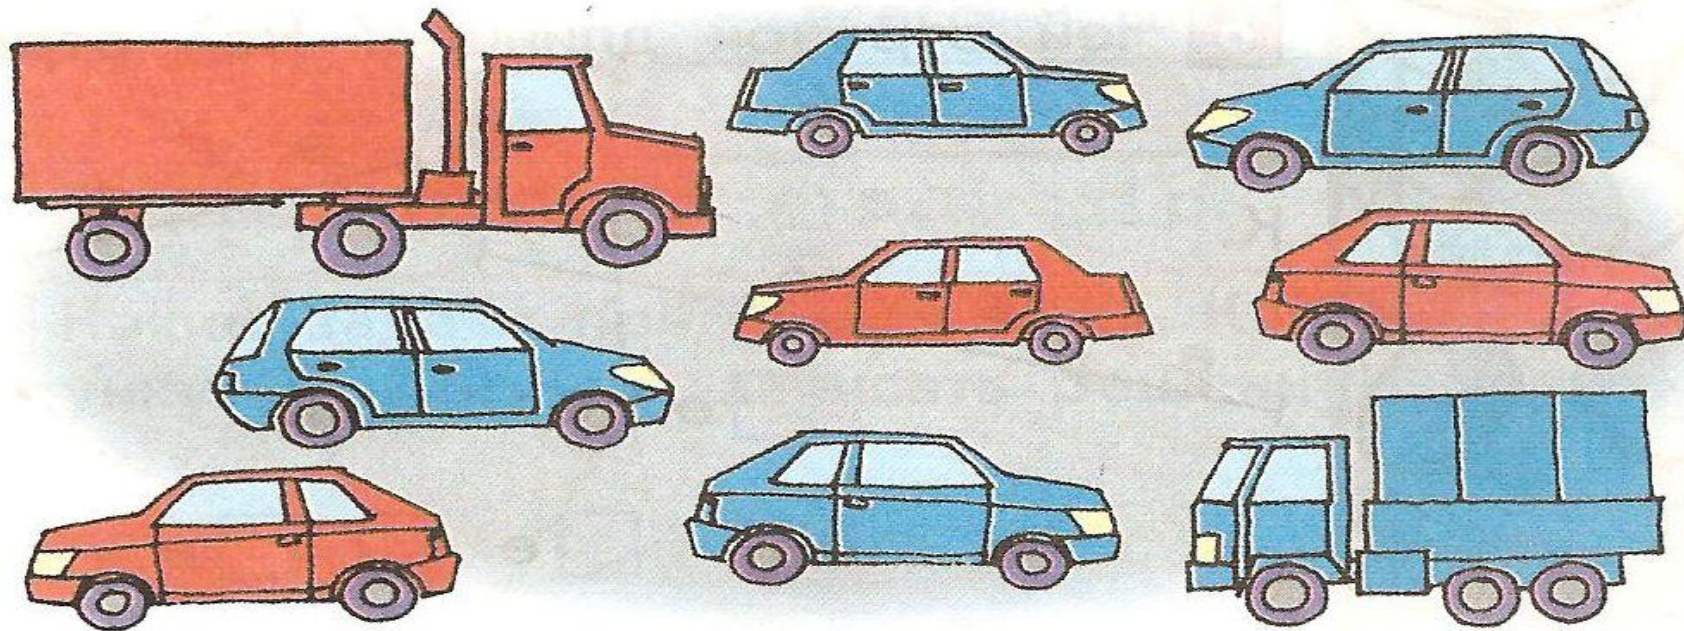

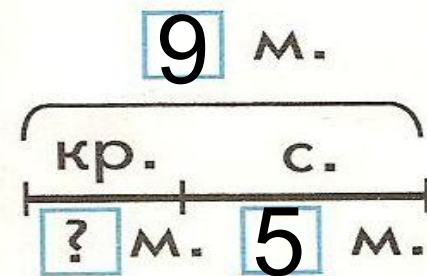

$$4 + 5 = 9_{(м)}$$

$$9 - 4 = 5_{(м)}$$

$$9 - 5 = 4_{(м)}$$
