

Уменьшение и  
увеличение множества  
на одну единицу.

Число 5 и соответствующая ему  
цифра

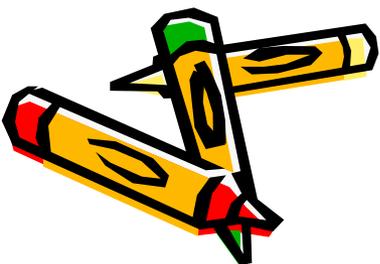

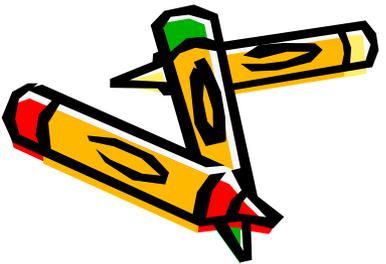

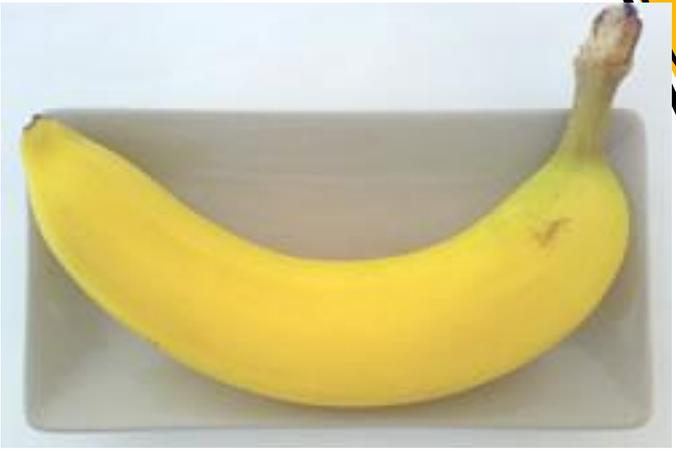

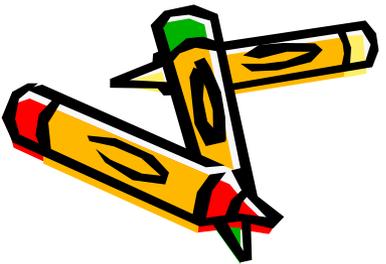

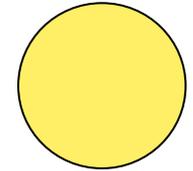

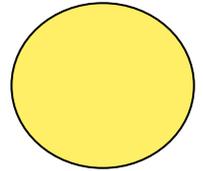

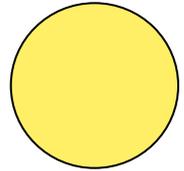

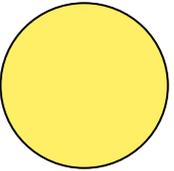

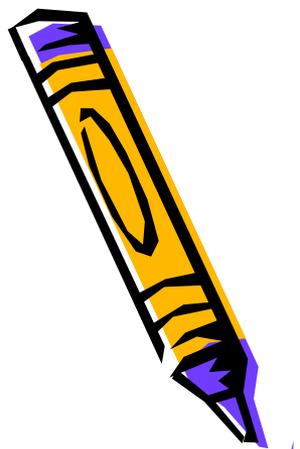

**ПОМИДОР**

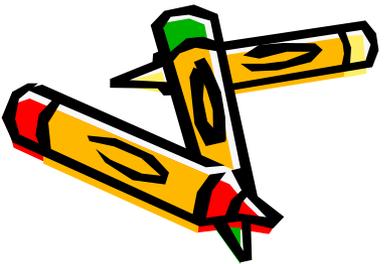

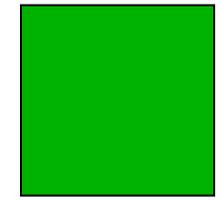

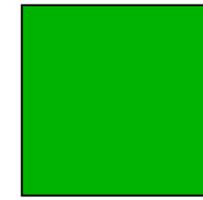

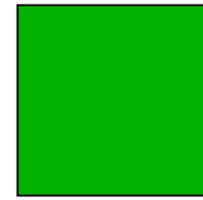

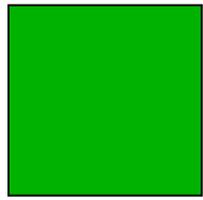

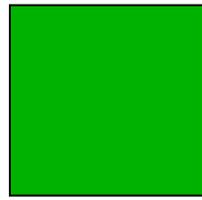

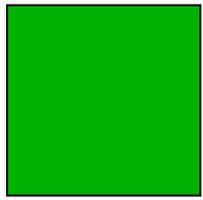

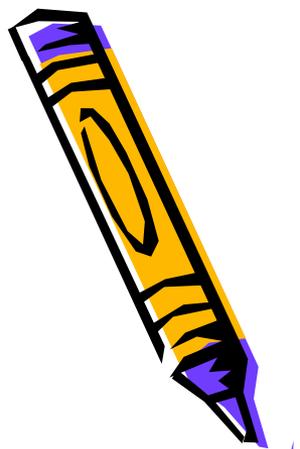

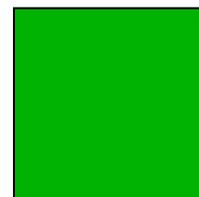

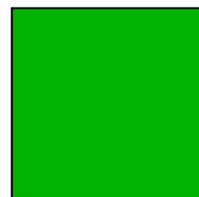

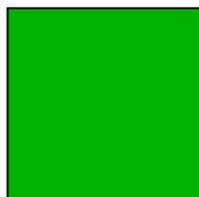

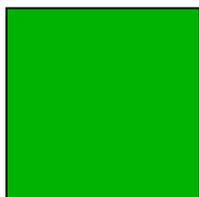

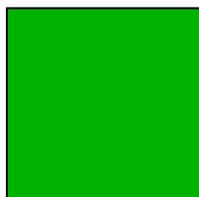

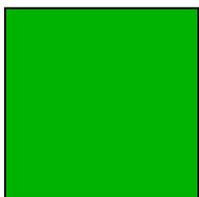

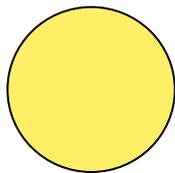

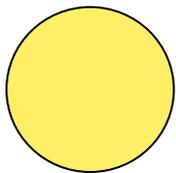

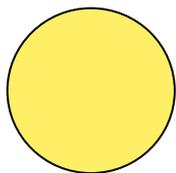

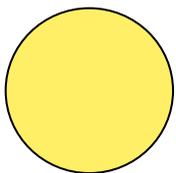

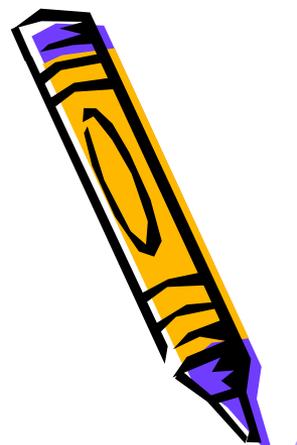

**ПОМИДОР**

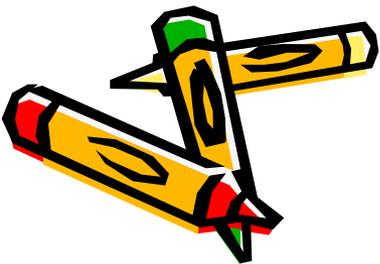

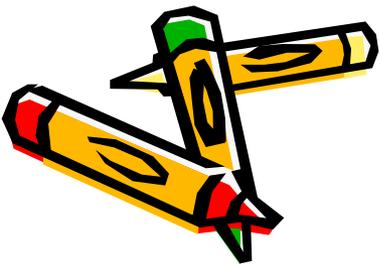

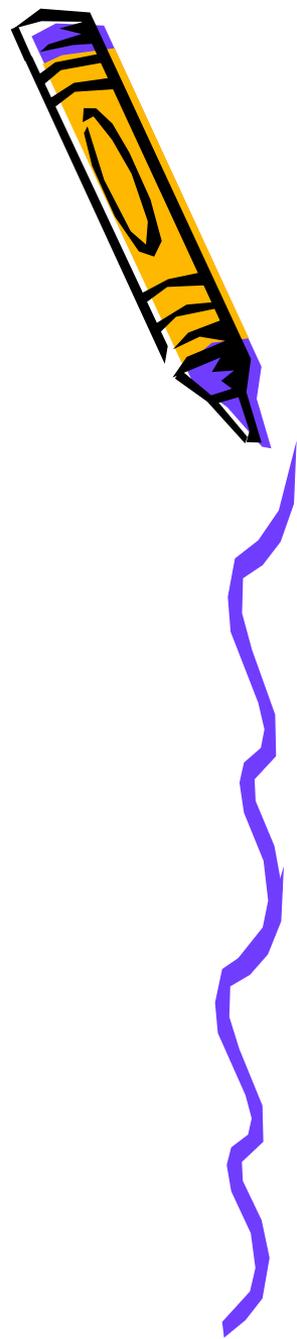

$$4 < 6$$

$$6 > 4$$

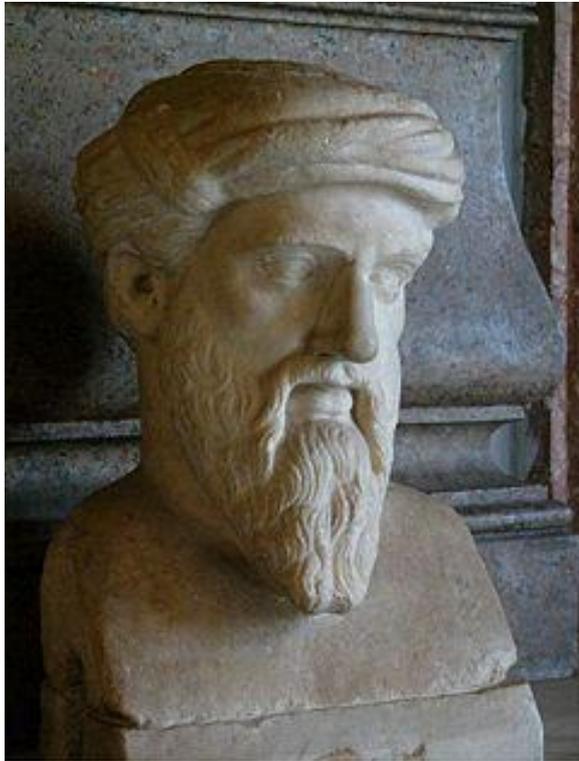

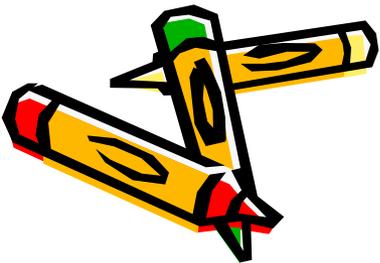

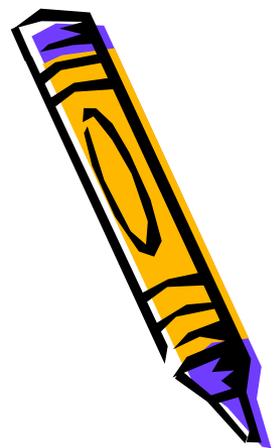

5

# Пифагор ( 580 - 500 до н.э.)

Великий учёный,  
математик  
Пифагор отводил  
особое место  
числу 5, считая  
его самым  
счастливым из  
всех чисел!

# Физминутка

Раз, два, три...

И семь, и восемь.

Принесла подарки Осень

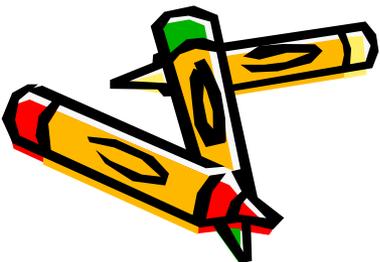

Оделила Осень все

Мне - грибок,  
Тебе - орех.

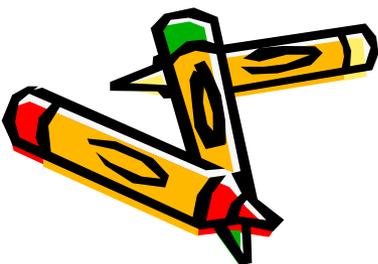

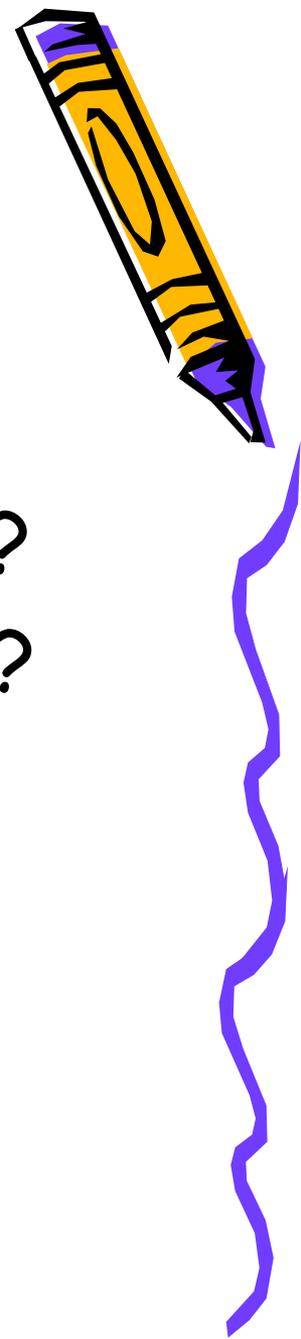

# Загадка

Кто имеет пяточок,  
Не зажатый в  
кулачок?  
На ногах его  
копытца,  
Ест и пьёт он из  
корытца.

# Итог урока

- С каким числом и цифрой вы познакомились сегодня на уроке?
- А что особенно вам понравилось?
- О чём вы дома расскажете маме, папе, бабушке, дедушке?

**Всем большое  
спасибо за  
внимание!**
