ДЕКОР*

Варианты фактур прайса

The image shows a highly textured, dark brown to black surface, characteristic of a lava flow. The texture is irregular and granular, with many small, rounded protrusions and recesses. The lighting is somewhat uneven, with brighter areas towards the right side of the frame. A yellow text overlay is centered in the middle of the image.

Лава черная с рыжей заливкой

Лава белая с золотой заливкой

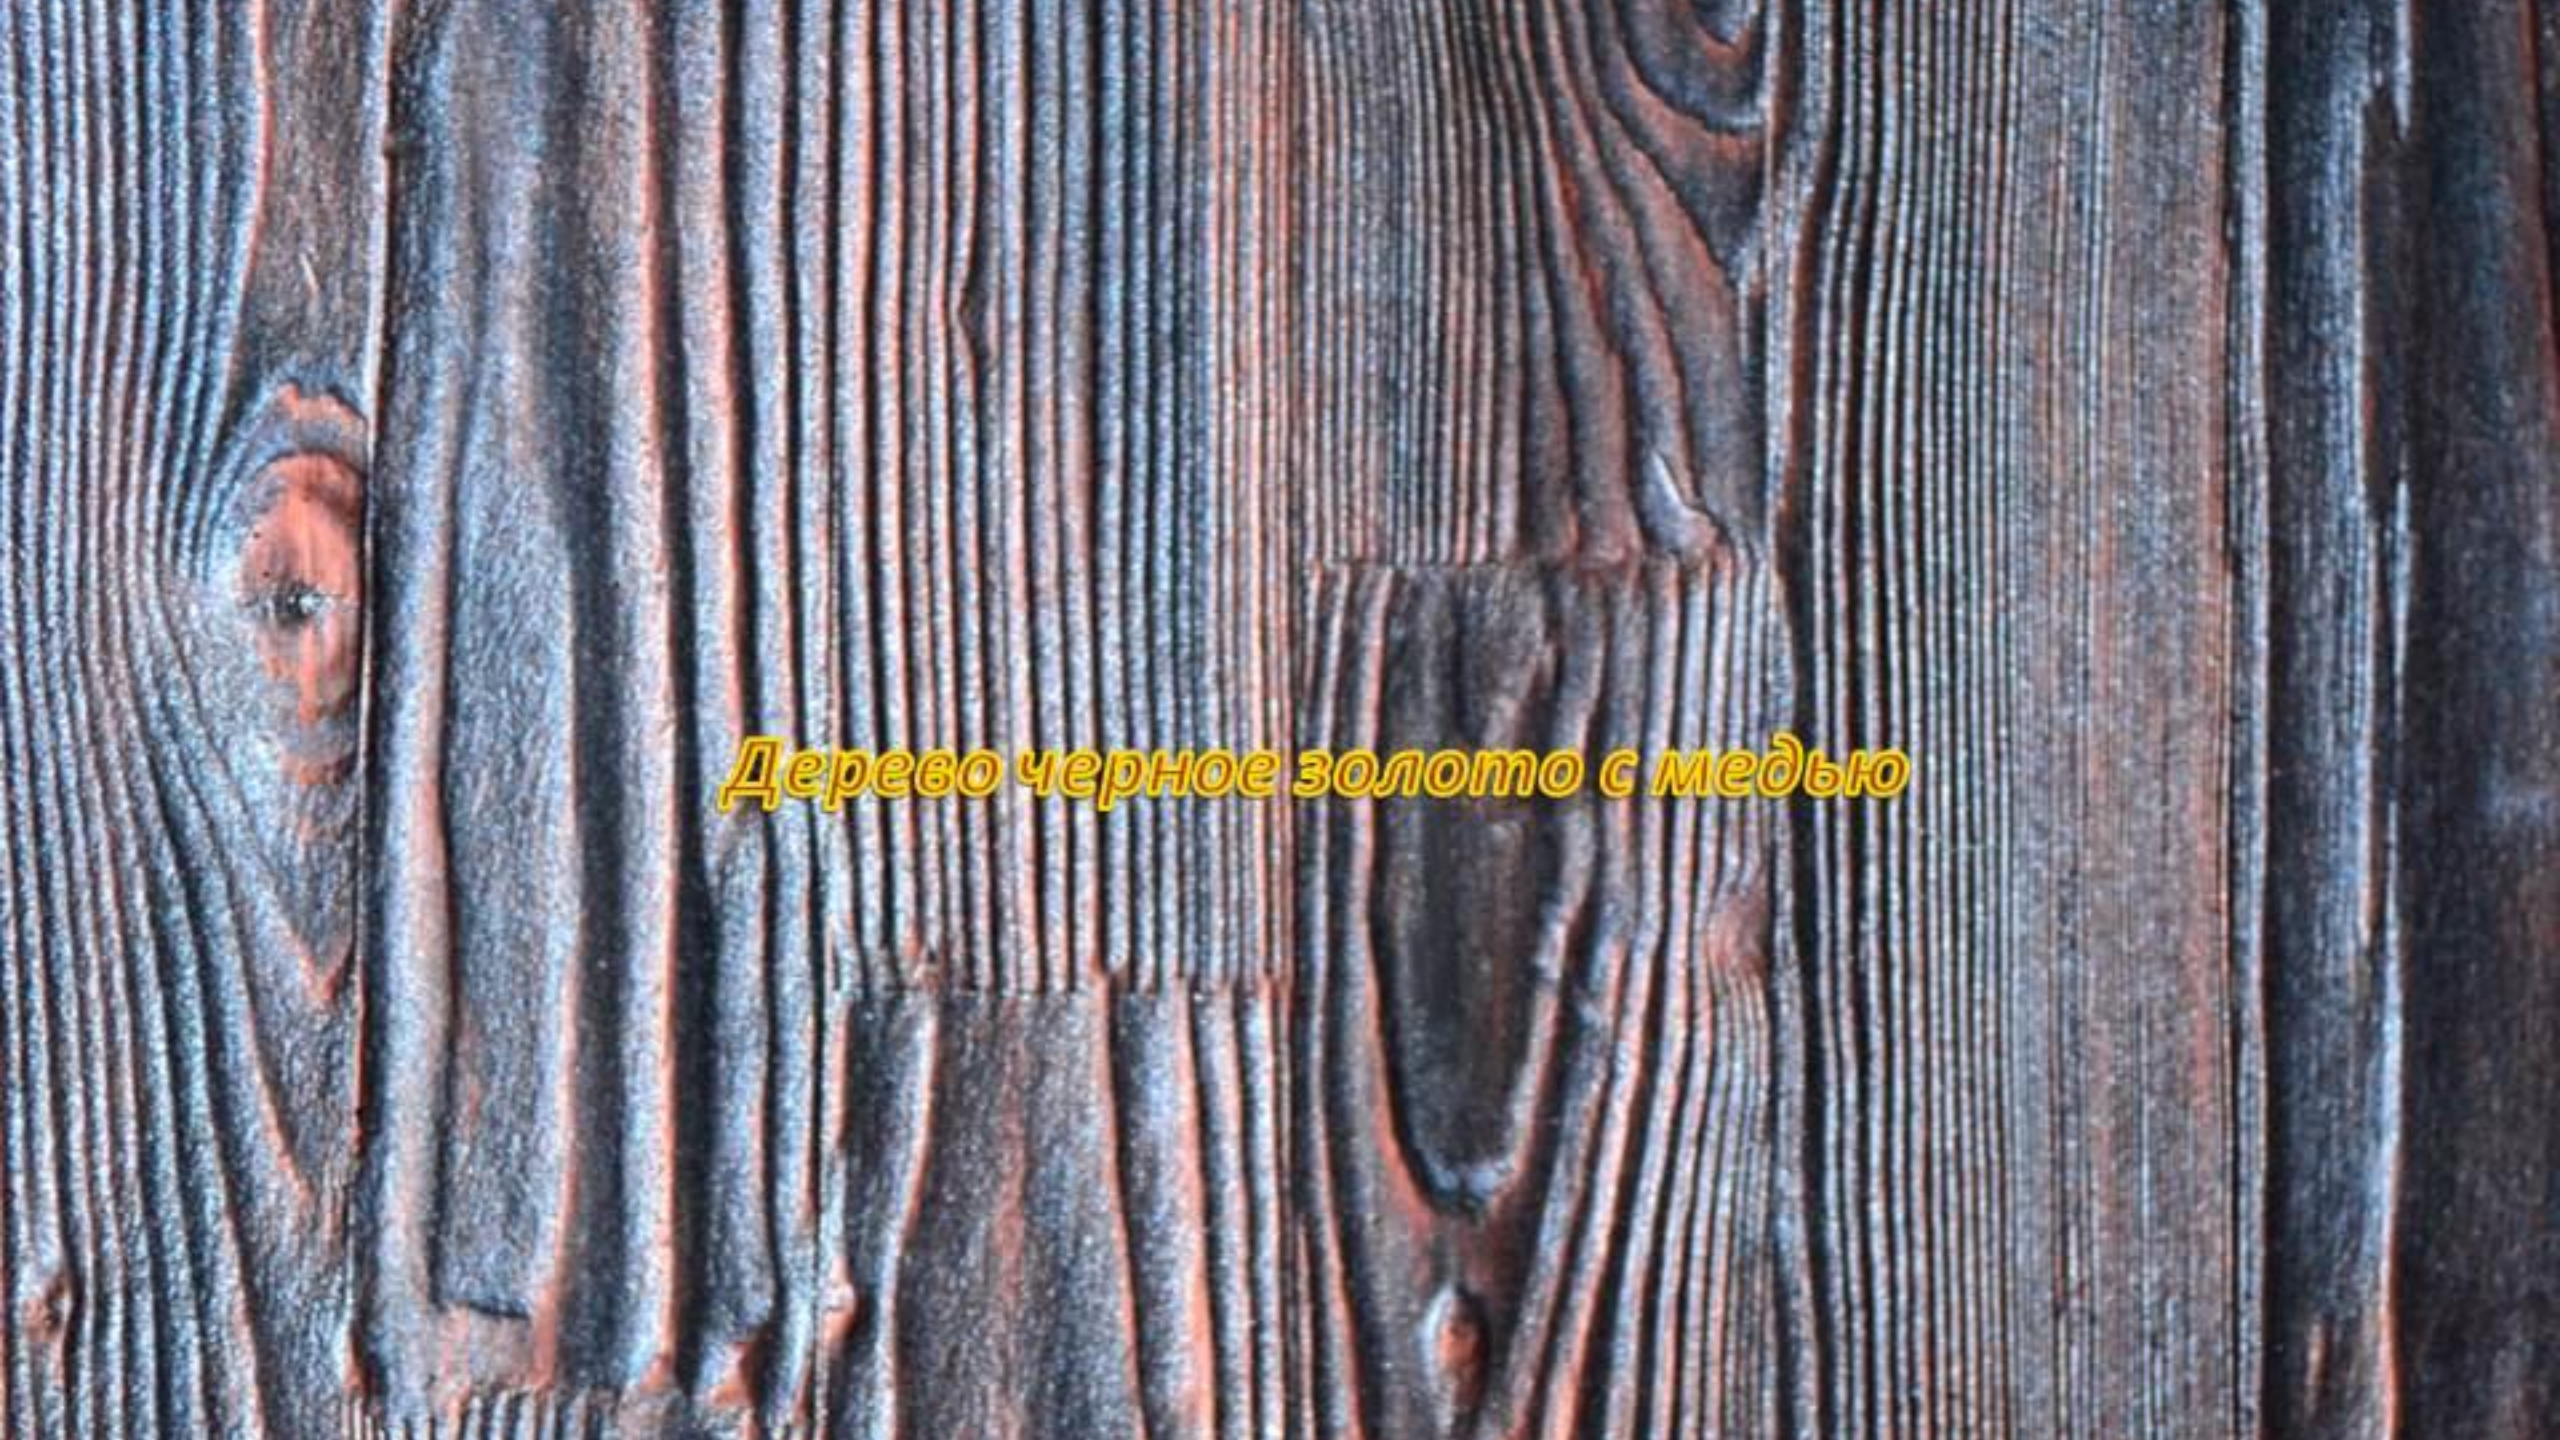

Лава черная медь и жемчуг

The image shows a highly textured surface with a repeating pattern of raised, rectangular scales. The scales are primarily dark red or maroon in color, with some areas appearing darker, almost black, and others reflecting light, giving them a metallic sheen. The texture is very pronounced, with deep grooves between the scales. The overall appearance is that of a high-quality metal finish designed to mimic crocodile skin.

Крокодил металл с красной заливкой

The image shows a close-up, high-resolution view of crocodile skin. The texture is characterized by large, irregular, bumpy scales that are dark in color, with a metallic silver patina applied to them. The lighting creates strong highlights and shadows, emphasizing the three-dimensional quality of the scales. The text is overlaid in the center-left area.

*Крокодил черный с серебряной
патиной*

Дерево черное золото с медью

A close-up photograph of a brick wall. The bricks are dark, almost black, with a rough, textured surface. The mortar joints are a lighter, brownish-grey color. The lighting is dramatic, with strong highlights and deep shadows, emphasizing the texture of the bricks. A yellow text overlay is centered on the image.

Кирпич черный с медной патиной

Урал

Мозаика серебро

The background of the image is a deep purple color with a highly textured, almost leather-like surface. It features prominent horizontal ridges and grooves that create a sense of depth and movement. The lighting appears to come from the upper left, casting soft shadows that emphasize the uneven texture.

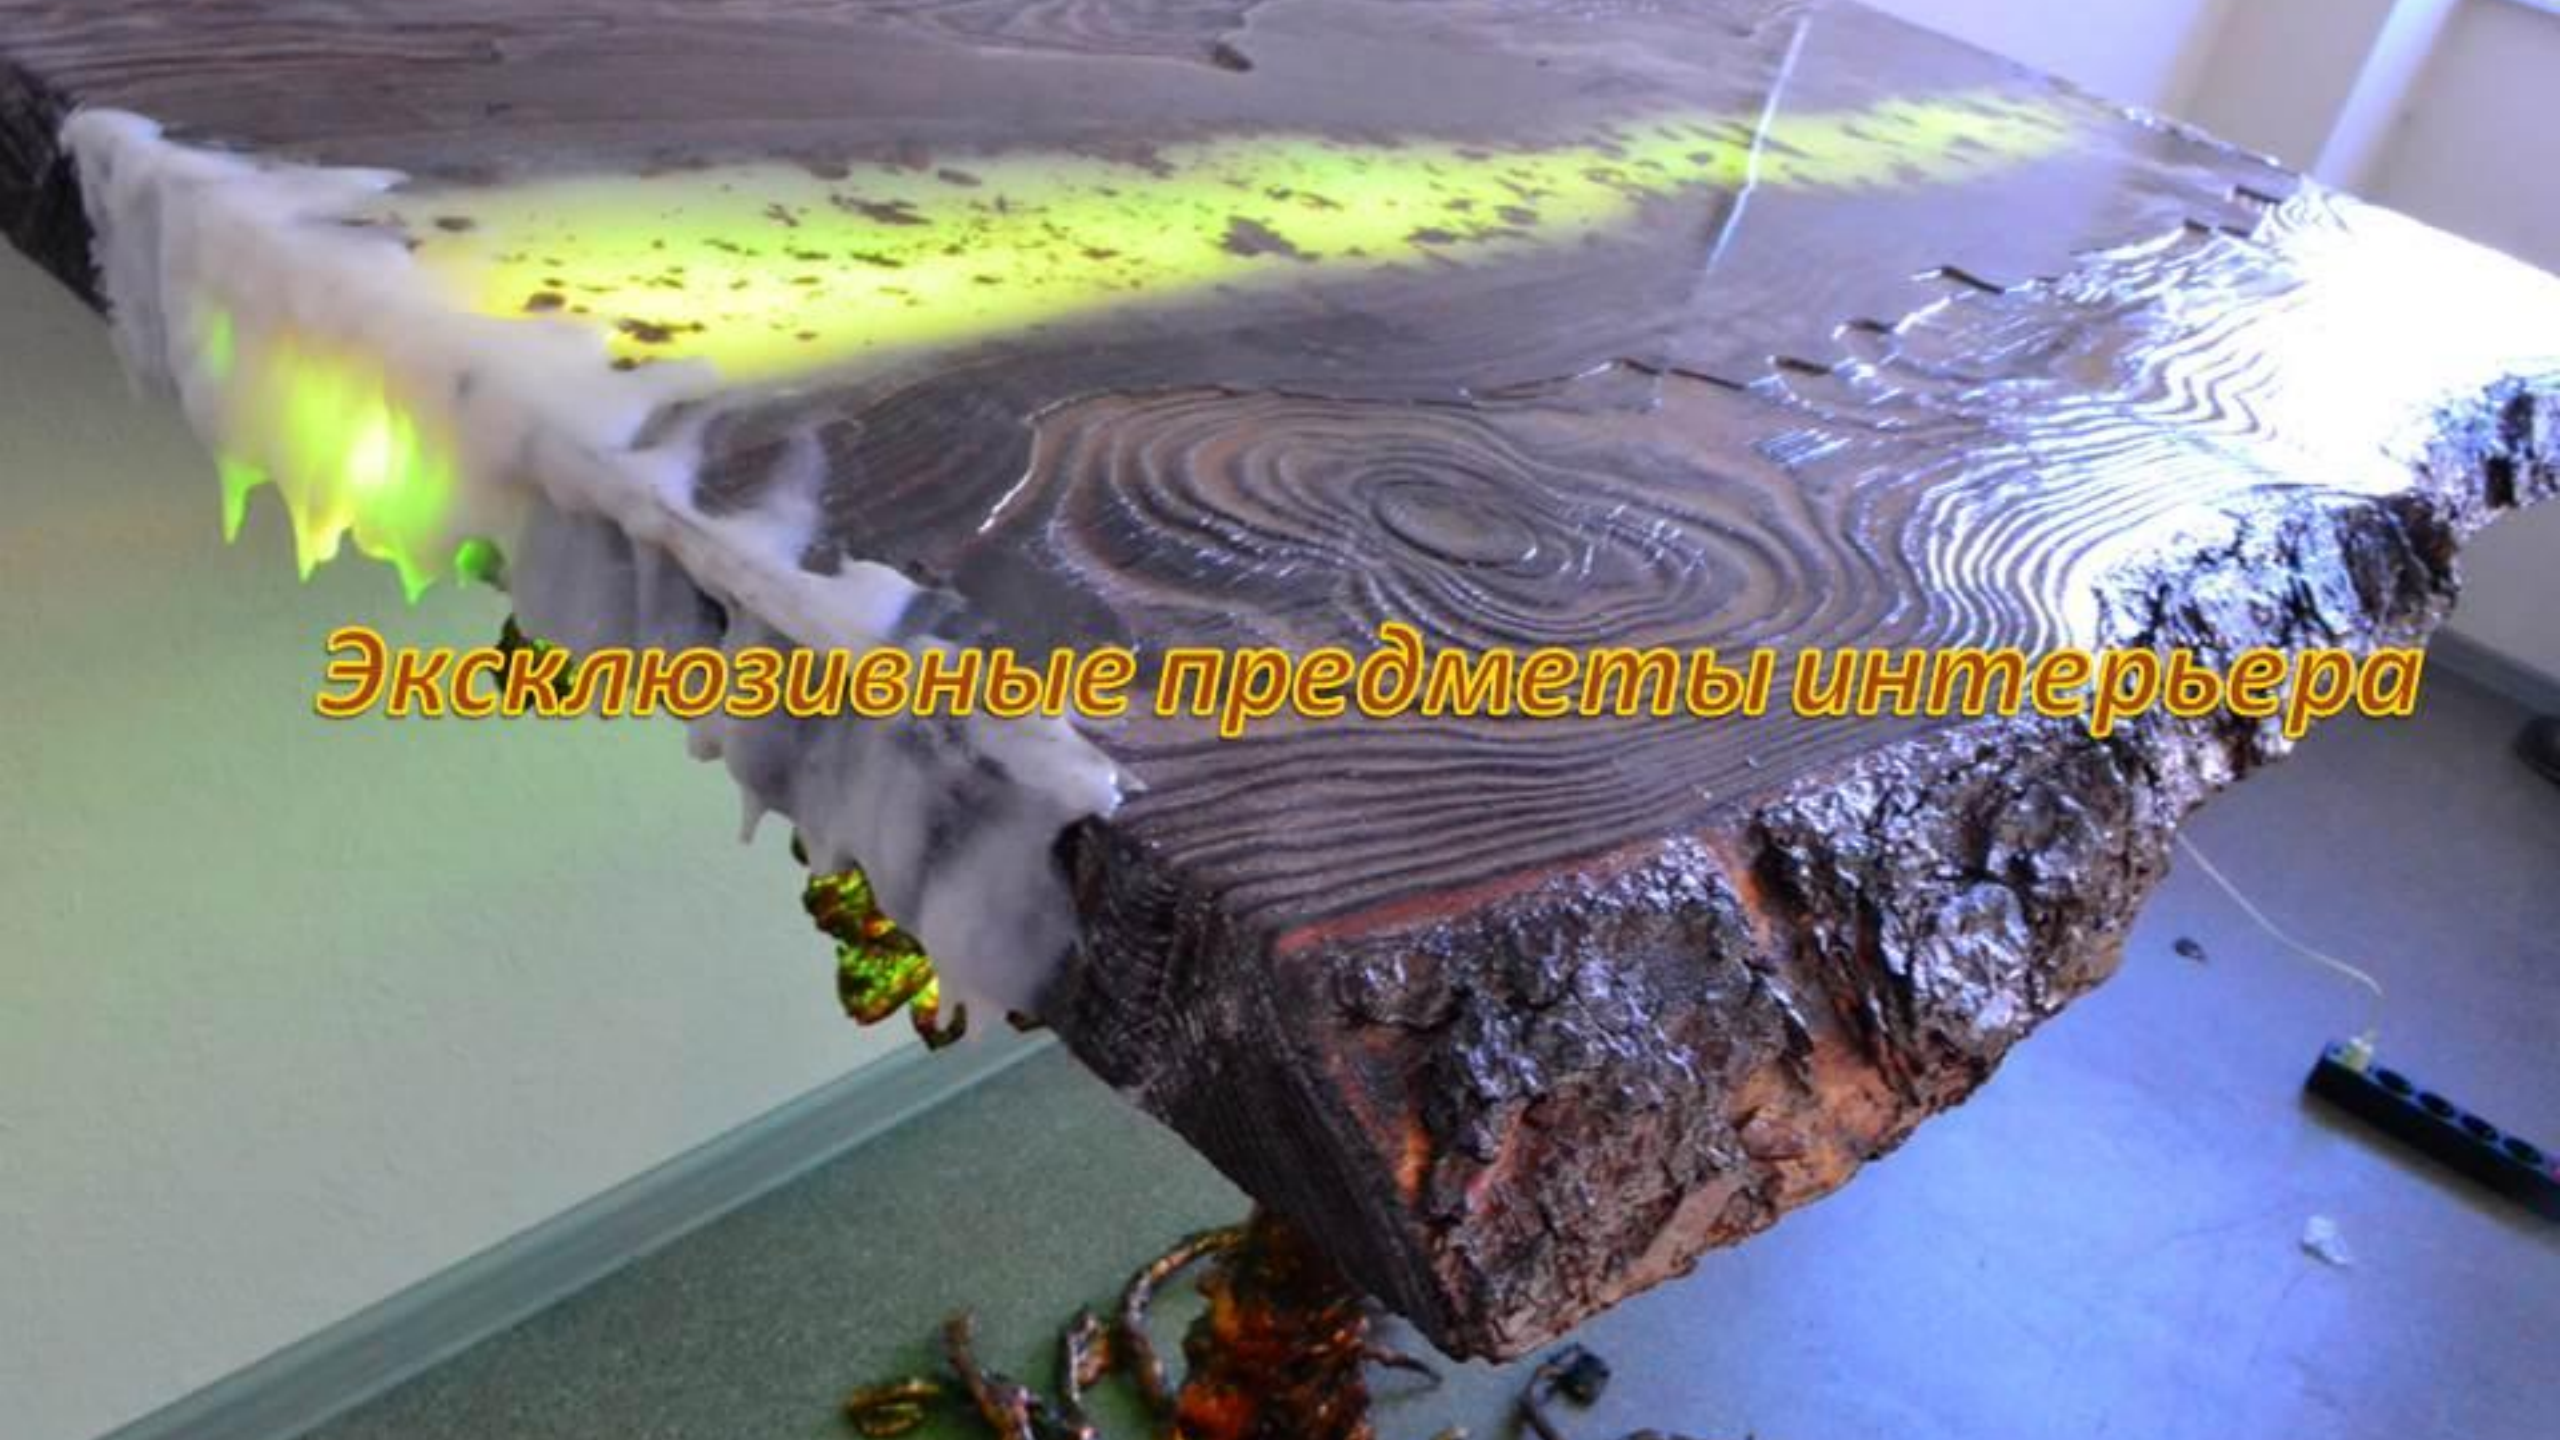

Вуаль фиолетовая

A high-magnification microscopic image showing a dense, repeating pattern of small, dark, angular crystalline grains. The grains are separated by thin, lighter-colored lines, creating a complex, textured appearance typical of a polycrystalline material.
