Animal	<p>A monkey <b>is</b> a wild animal . It <b>lives</b> in jungles and mountains in different countries like India, Africa, China and Australia and Brazil. They <b>don't live</b> in Russia. A monkey usually has got small or big ears and long tail. It helps them to keep their balance. It has got a brown, grey , black and white fur. Sometimes it's red.</p> <p><u>Their</u> fur keeps <b>them</b> warm <b>in</b> cold weather. They live <b>in</b> high trees and eat nuts, fruit, vegetables, leaves, insects and spiders. People find them funny, noisy and friendly but sometimes also dangerous. They <b>can</b> bite a human. Some monkeys <b>can't</b> swim.</p>
