

Вода и ее свойства

вода

A pair of hands, one from the left and one from the right, are shown cupping a miniature, vibrant landscape. The landscape features a bright, multi-colored rainbow arching over a blue sky filled with white, fluffy clouds. Several birds are depicted in flight within the sky. Below the sky, a calm body of water reflects the scene above. The entire scene is set against a dark, cosmic background with glowing green and blue nebulae and star-like particles. The text is overlaid in the center of the image.
