A collection of various breads including baguettes, round loaves, and rolls, some in a basket. The breads are arranged on a light-colored surface. In the center, there is a small woven basket containing several baguettes. To the left is a large, round, golden-brown loaf. In the foreground, there are several smaller rolls, some topped with sesame seeds and others with a dark, patterned crust. The background shows more breads, including a large, round loaf with a cracked, golden-brown crust and a smaller, round roll with a similar crust. The overall scene is a variety of fresh, baked breads.
