

A heart-shaped splash of water, rendered in a vibrant blue, contains a miniature ecosystem. On the left, a lush green tree stands on a small patch of land. To its right, a strip of bright green grass is visible. Below the grass, a cluster of colorful flowers, including purple and yellow ones, is submerged. Several blue and black butterflies are flying around the heart shape, adding to the sense of life and movement.

ВОДУ!**

MyShared

A scenic sunset over a body of water, with the sun low on the horizon, casting a warm orange and yellow glow across the sky and reflecting on the water. The sky is filled with soft, colorful clouds in shades of purple, pink, and orange. The water is calm, with gentle ripples. In the foreground, the dark, rocky shore is visible. The overall mood is peaceful and serene.
