

A lush forest scene with a large, gnarled tree trunk lying horizontally across the middle ground. The background features a waterfall cascading down a rocky ledge. The foreground is covered in green grass, and there are some small mushrooms on the right side. The overall atmosphere is serene and natural.

Ночь в лесу

Автор: Мухамедханов М. Р.

Tachirovskiy, 2003

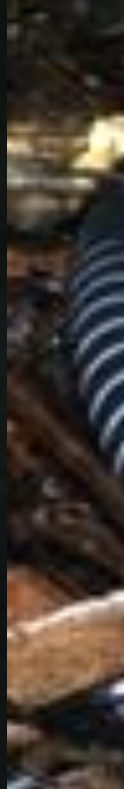

A photograph of a forest with sunlight rays (crepuscular rays) filtering through the trees. The rays are prominent, creating a hazy, golden atmosphere. The trees are mostly green, with some autumnal colors visible. The foreground is a grassy field.
