Nice to meet you all,

I'm Natalia from Ukraine. I teach English and German at school. I like my job very much and I need different courses to teach better.

Hope to get new information, improve my English and share my ideas about teaching too.

Hi Natalia and hi everyone reading this ;)

My name's Olha, and I'm from Ukraine, too. I'm excited about being a part of this great project, and I really hope it will make me a better teacher. I'm anticipating some interesting activities, fresh teaching ideas and inspiration for productive and creative teaching in school.

See you in the forums!

Формирование подходов при обучении английскому языку, 2: Пути достижения успеха в обучении английскому языку

Learn effective approaches to English language teaching. This is the second of two teacher training courses based on the internationally-recognized Shaping the Way We Teach English videos and resources and sponsored by the U.S. Department of State and the University of Oregon. You can begin with either course. The next Paths course will be November 9-December 14, 2015.

About the Course

This course is aimed at English as a Foreign Language (EFL) teachers, both those who are intending to pursue this field as a career and those already working in the field who would like to revise and refresh their methods and approaches. The materials and approaches presented should complement college courses such as Introduction to TEFL /TESOL Methods
