The background of the slide features four Disney princesses arranged in a collage. Top left: Princess Jasmine from Aladdin, wearing her signature pink and gold outfit. Top right: Princess Ariel from The Little Mermaid, holding a seashell and wearing her red and yellow fin. Bottom left: Princess Aurora from Sleeping Beauty, sleeping peacefully in her pink and white dress. Bottom right: Princess Cinderella from Cinderella, holding a rose and wearing her blue and gold glass slipper gown. The background has a light blue gradient with a decorative border of snowflakes and stars.
