

When God created teachers

The background is a religious illustration featuring two hands, one from the left and one from the right, holding a globe. The hands are rendered in a realistic, textured style. The globe is blue and white, representing Earth. The background is a deep blue with white stars, suggesting a night sky or a celestial realm. Overlaid on the center of the image is a large black circle containing the word "FRIENDS" in a white, stylized font. The letters are separated by small colored dots: red for 'F', yellow for 'R', blue for 'I', red for 'E', yellow for 'N', blue for 'D', and red for 'S'. A small "TM" trademark symbol is at the end of the word.

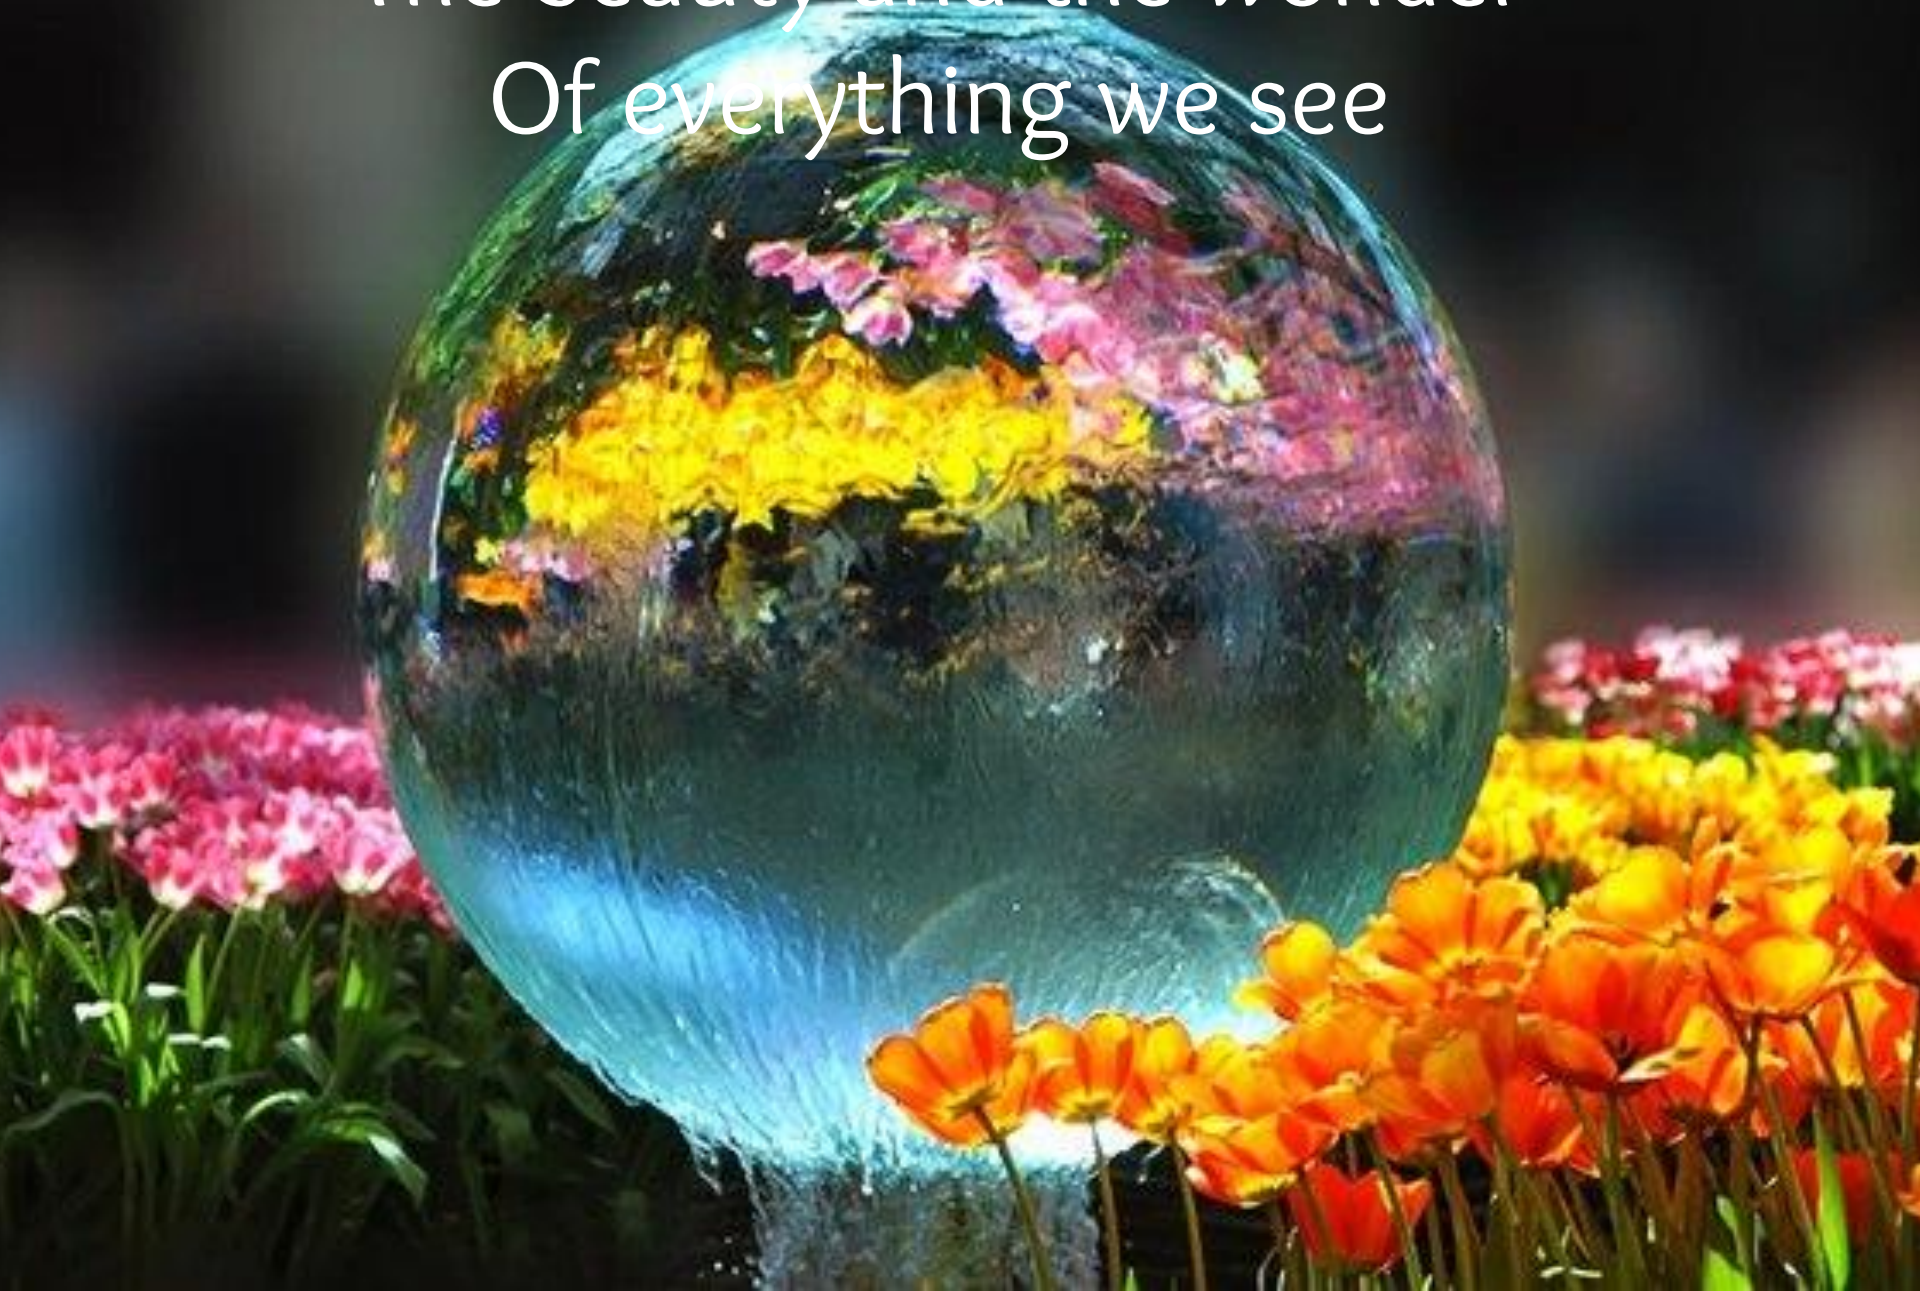

FRIENDS™

When God created teachers,
He gave us special friends

To help us understand his world
And truly comprehend

The beauty and the wonder
Of everything we see

And become a better person
With each discovery.

**OUR WORLD,
OUR FUTURE,
OUR CHOICE!**

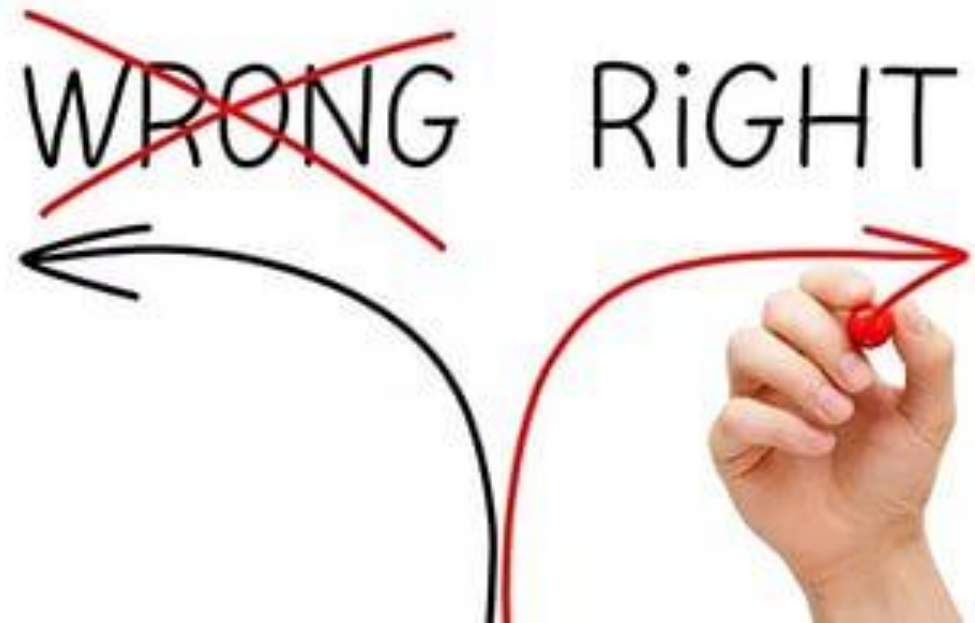

A man in a light blue and white striped shirt and a dark tie is drawing a red arrow that curves upwards and to the right. The arrow starts from the left side of the frame and ends near the man's hand. The word "growth" is written in a large, black, handwritten-style font below the arrow.

growth

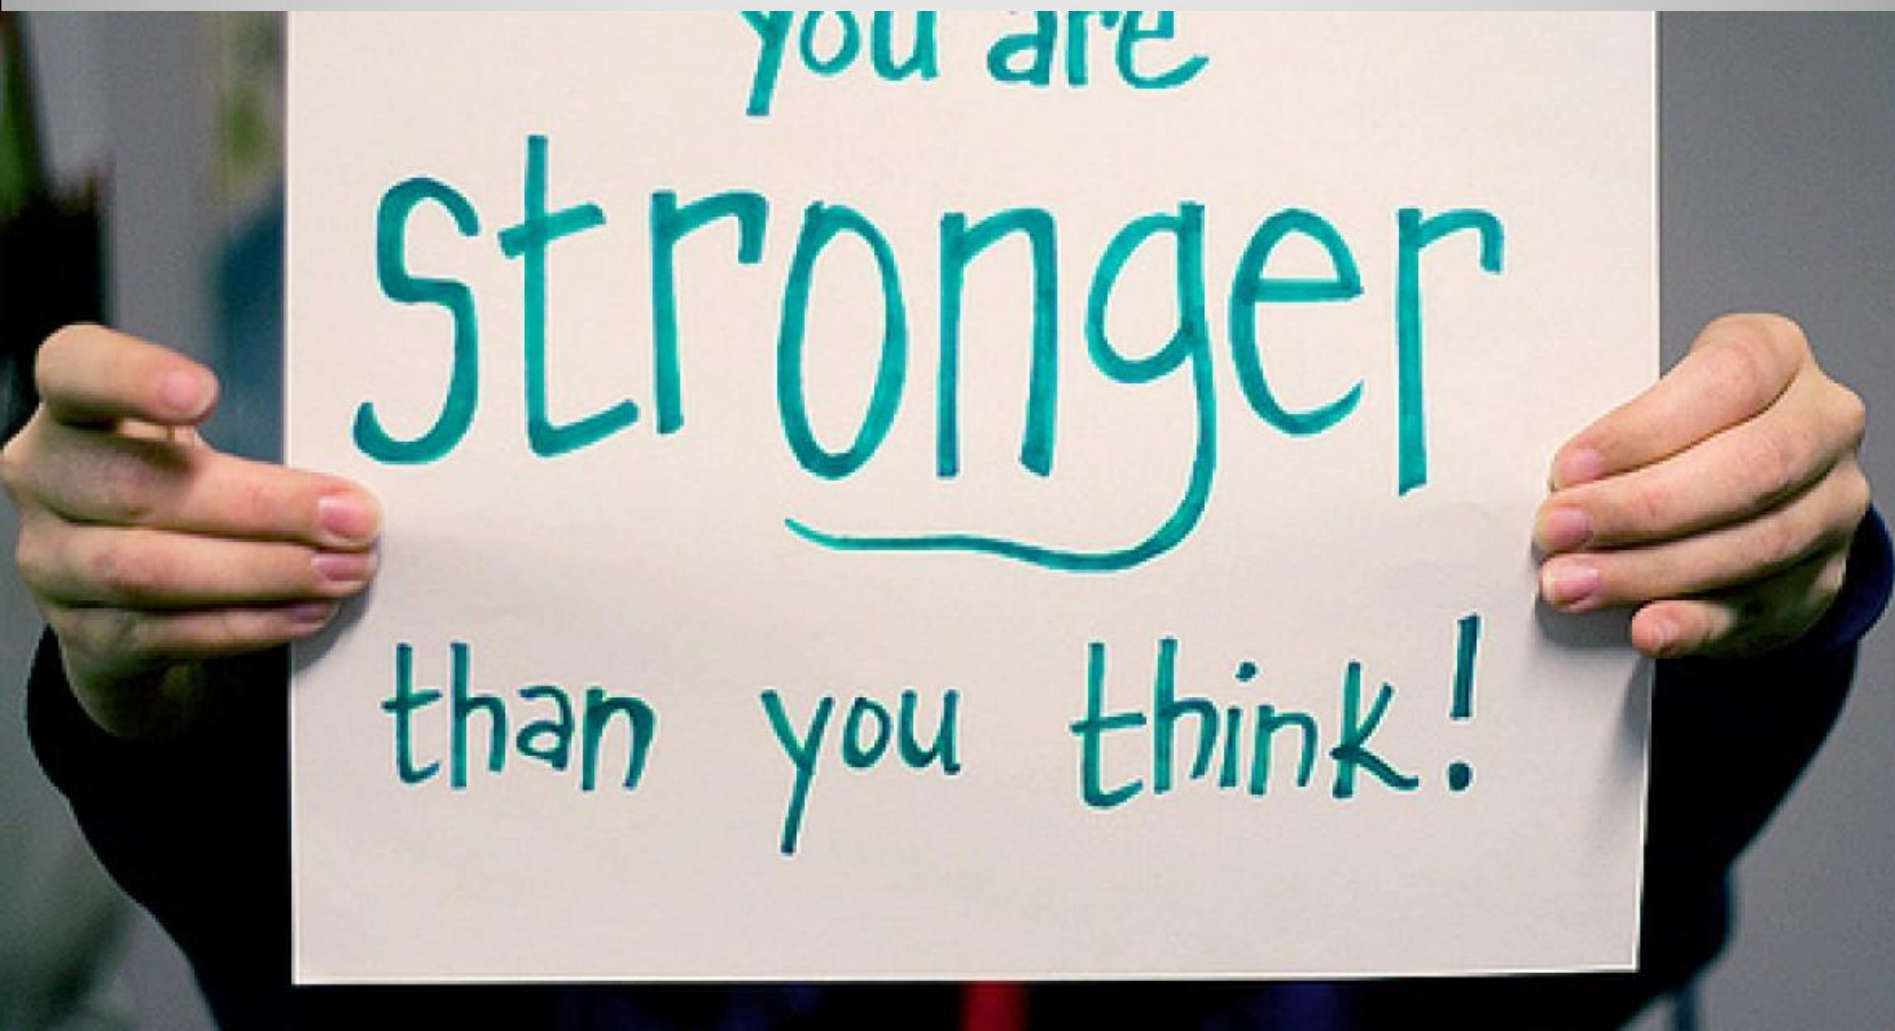

To show us ways in which to grow
So we can all decide

How to live and how to do
What's right instead of wrong

live 

To lead us so that we can lead
And learn how to be strong

Why God created teachers
In his wisdom and his grace

Was to help us make our world
A better wiser place

IT'S A
WONDERFUL
WORLD
