A detailed illustration of a night scene. In the foreground, a green tree frog with orange-tipped toes sits on a large, vibrant green lily pad. To the left and right of the frog are two blooming purple water lilies. Behind the frog, a tall, slender plant with long green leaves and several yellowish-brown catkins stands prominently. The background is a dark, starry night sky with a large, bright full moon in the upper right. The water in the foreground is dark and reflects the moon and the surrounding foliage. In the bottom right corner, a smaller, secondary full moon is visible, also reflected in the water. The overall atmosphere is serene and magical.
