

День птиц...

A photograph of a large flock of birds, possibly swans or geese, in flight over a body of water. The birds are captured in various stages of flight, with some showing their wings spread wide. The water is dark and choppy, and the sky is a pale, overcast grey. In the foreground, there is a shallow, marshy area with patches of green vegetation and water. A white rectangular box with a thin black border and a small notch on the right side is positioned in the lower center of the image, containing the text.

**Здравствуйте,
птицы!**

A close-up photograph of a small brown bird, likely a thrush, perched on a dark brown tree branch. The bird is facing right with its beak wide open, as if it is singing or calling. Its plumage is a mix of brown and greyish-brown with fine streaks. The background is a soft-focus green, suggesting foliage. A bright green, rounded rectangular label with a thin blue border is positioned in the lower right area of the image, containing the word 'Соловей' in white Cyrillic text.

Соловей

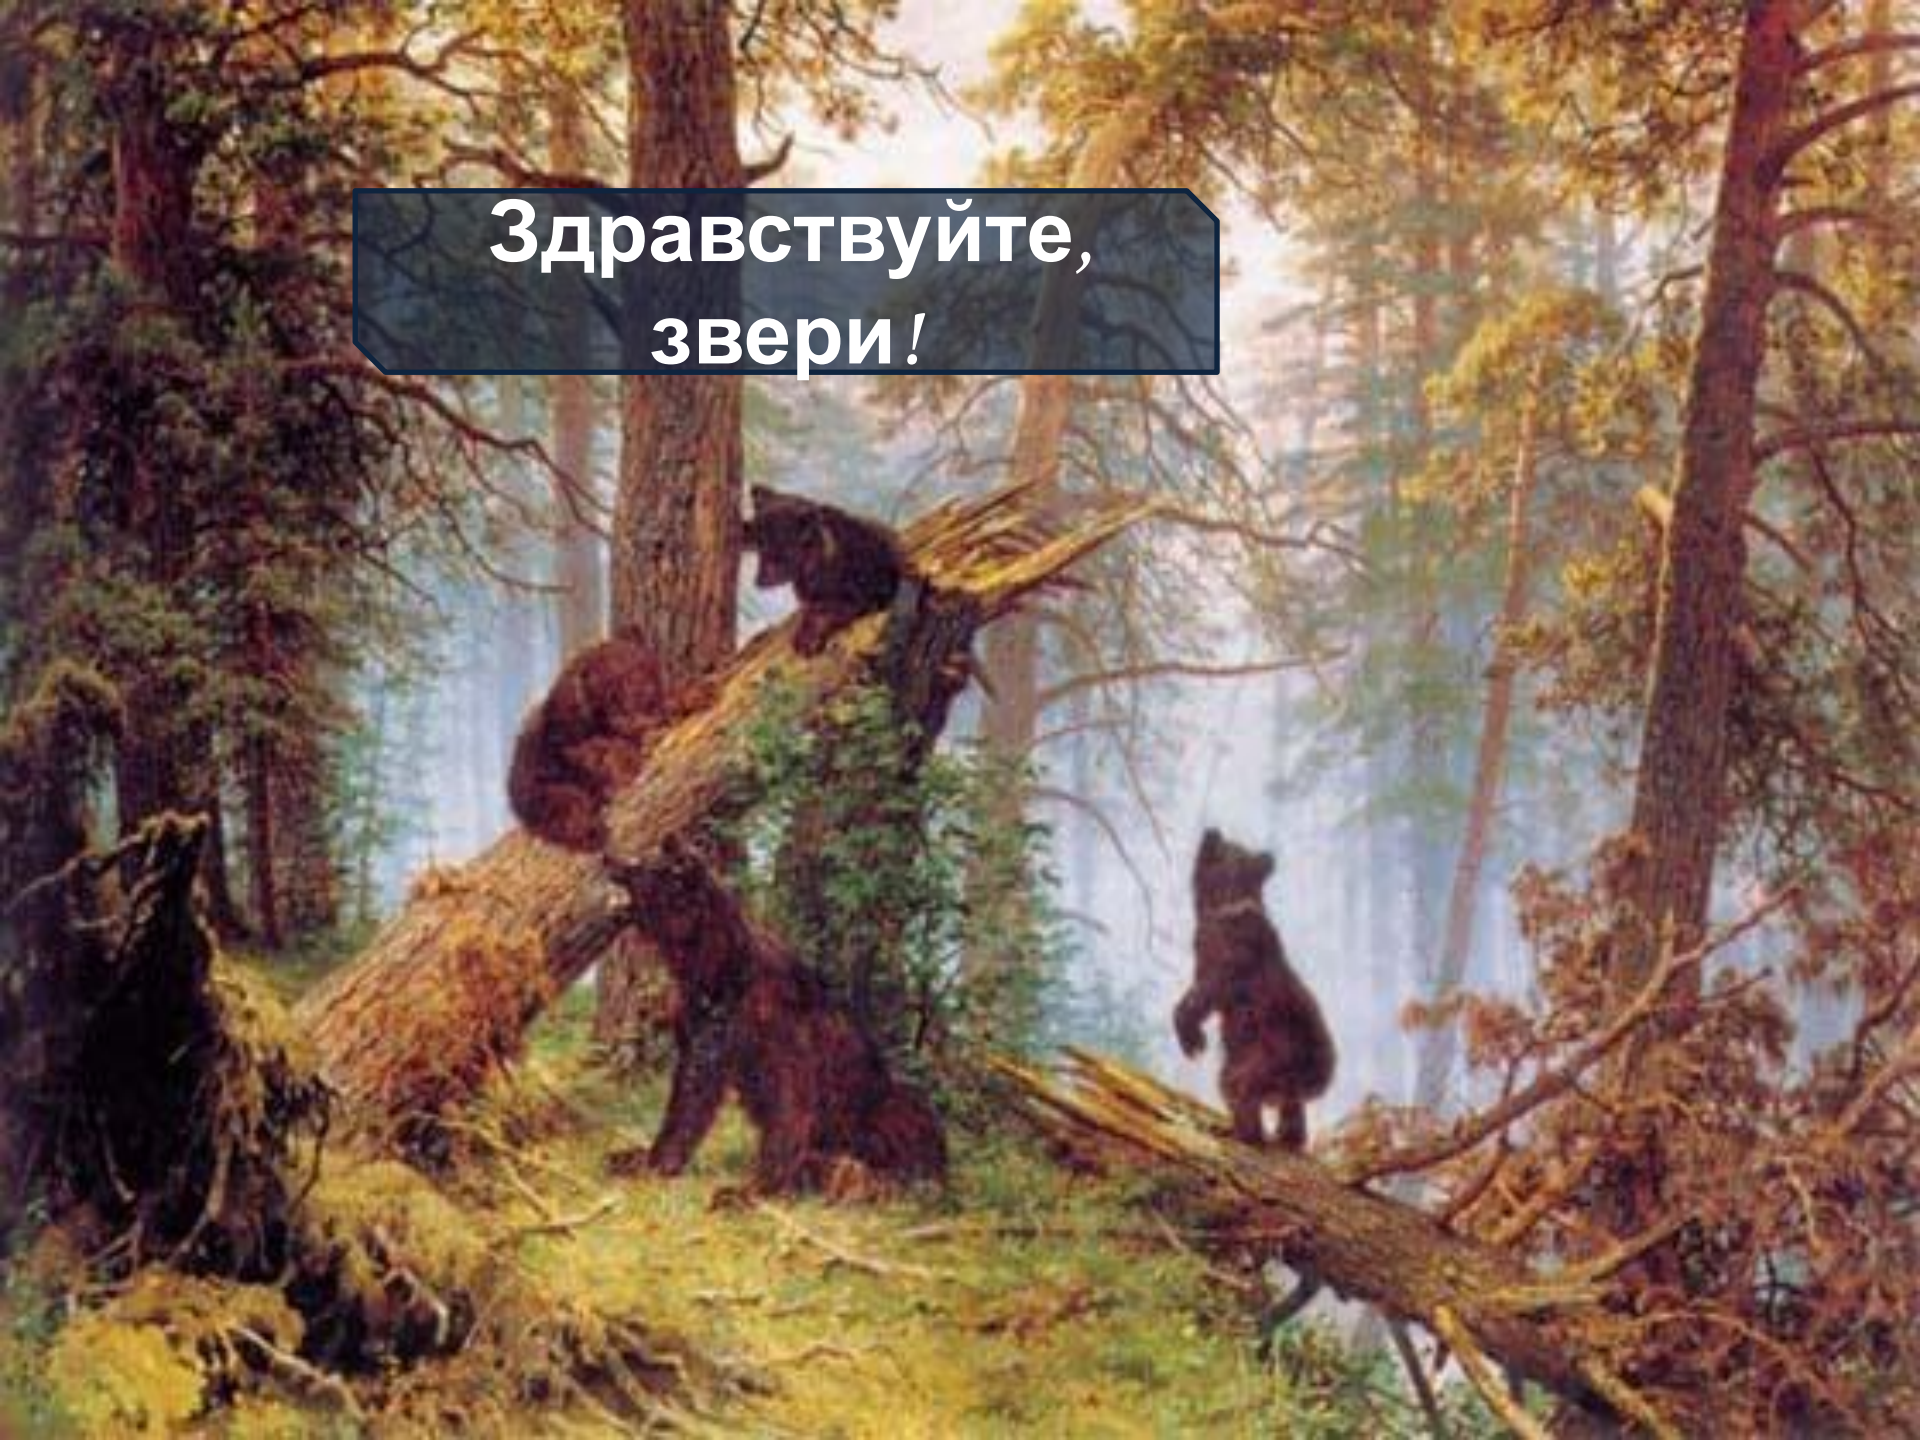

A close-up photograph of a small, brown, downy bird chick splashing in water. The bird is positioned in the center-right of the frame, facing right. Its feathers are dark brown with some lighter, downy patches. Water droplets are captured in mid-air around the bird, creating a dynamic scene. The background is a blurred, dark greenish-brown. A bright green, rounded rectangular label with a thin blue border is overlaid on the left side of the image, containing the Russian word for 'Sparrow' in white text.
