ТОЧИЛКА

A vibrant collage of school and art supplies. In the top right, a blue globe sits on a black stand next to a bright green apple. Below the apple are several colored pencils (orange, red, green). To the left of the pencils is a yellow 3D block and a green triangular ruler. In the bottom right, there's a paint palette with various colored paints and a paintbrush. In the bottom left, a pair of blue-handled scissors is next to a stack of colorful paper clips. A large, stylized red flower is positioned in the center, partially overlapping a light green rectangular box that contains the word "СПАСИБО" in red, outlined, sparkling Cyrillic letters.
