Санкт-Петербург
2019г**

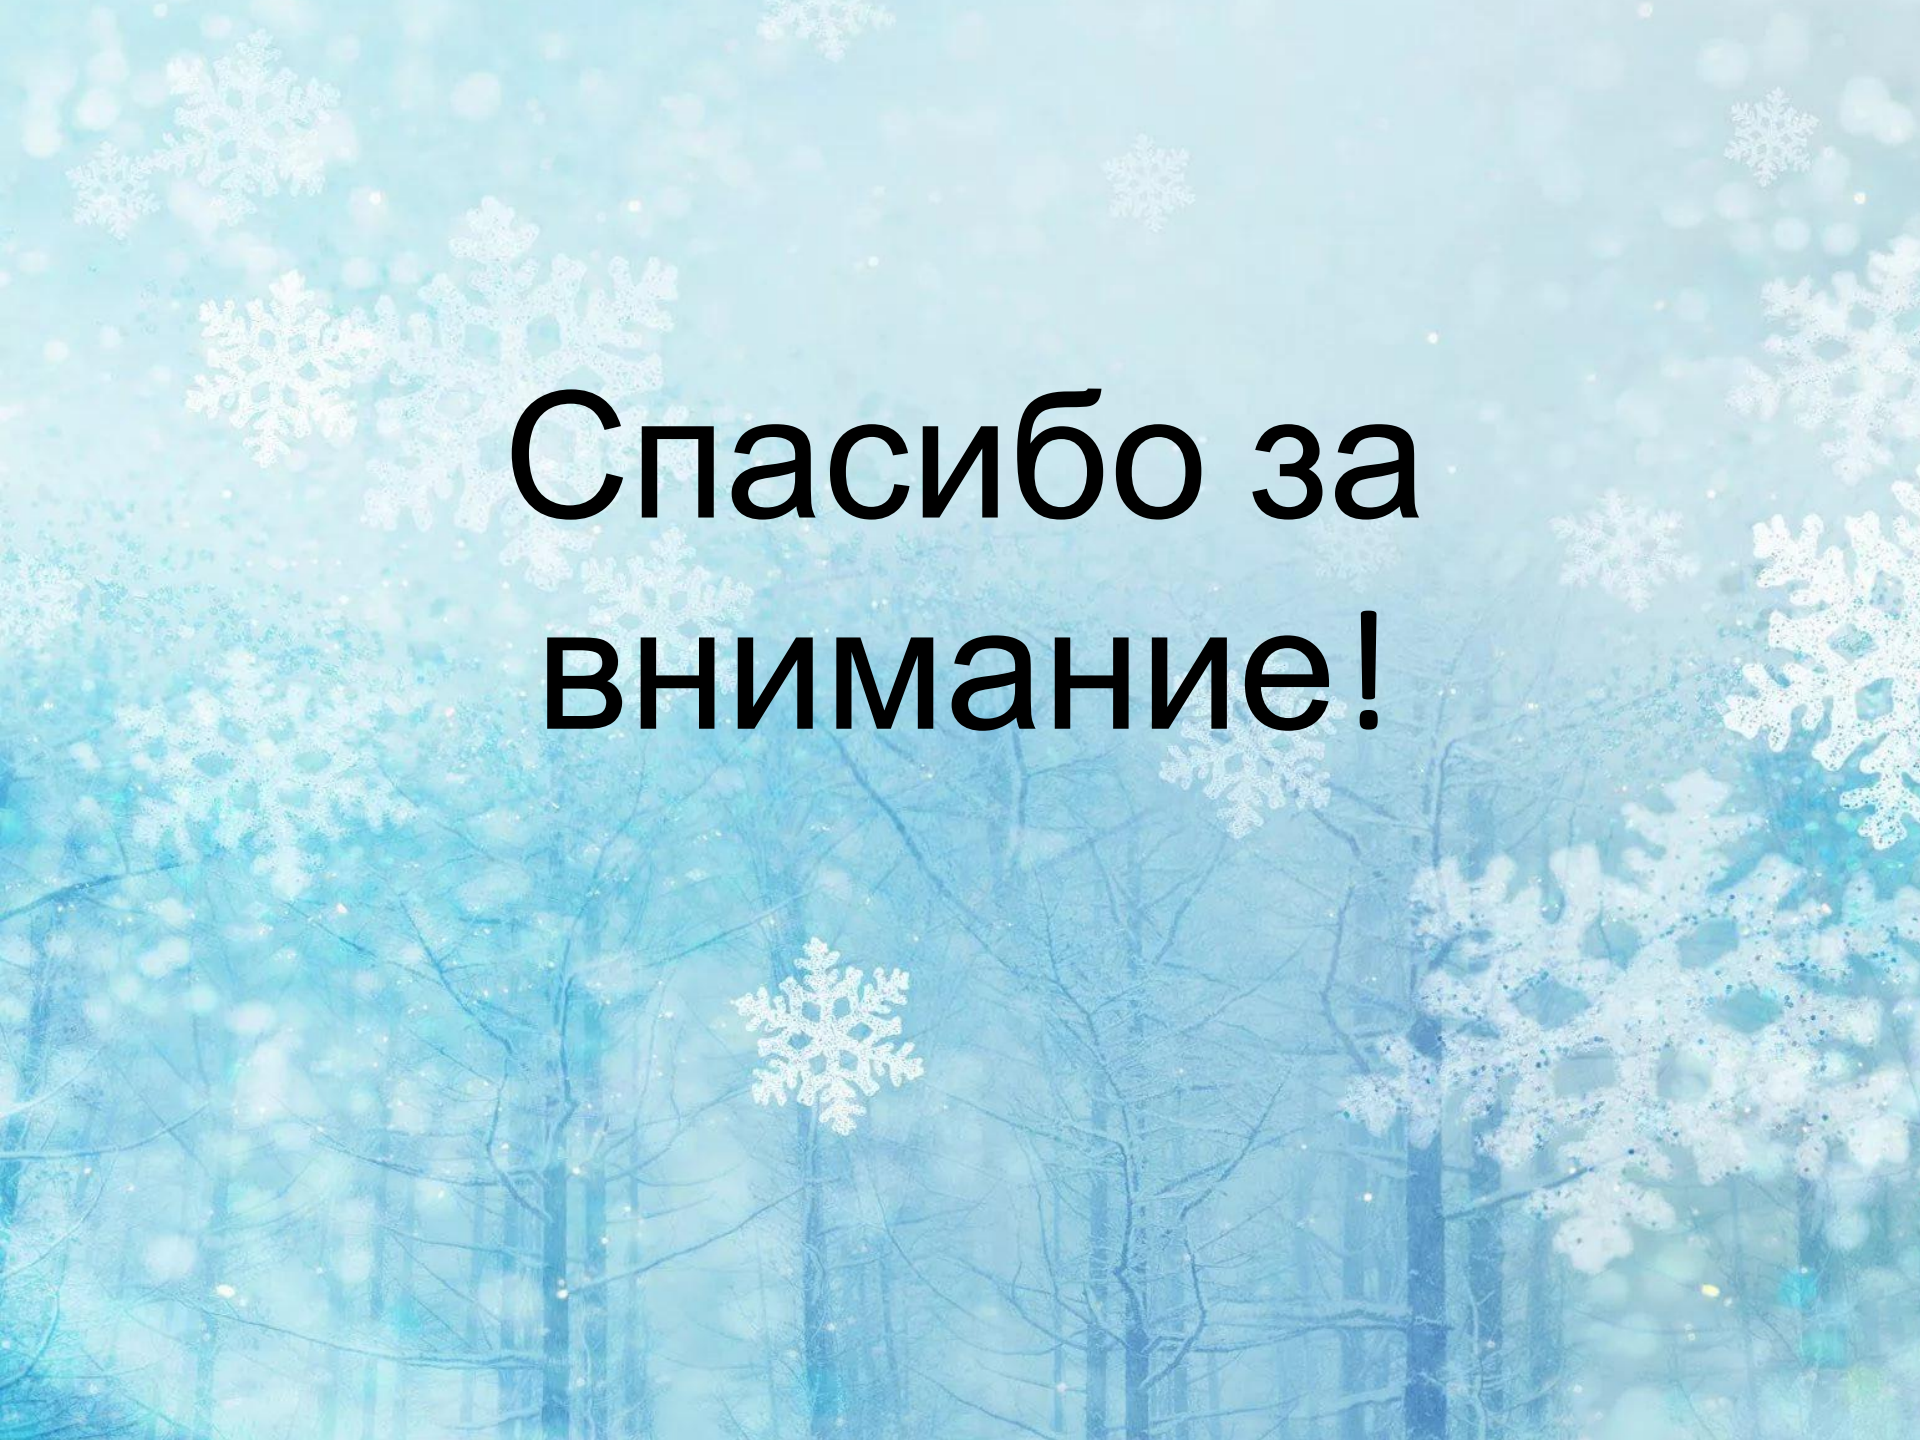

The background of the image is a soft-focus photograph of a winter forest. Tall, thin trees are visible, their branches and leaves covered in a thick layer of white snow. The overall color palette is a mix of cool blues, teals, and whites, creating a serene and chilly atmosphere. Numerous white snowflakes of various sizes are scattered throughout the frame, some appearing to be in motion, which adds to the wintry feel. The text is centered in the upper half of the image, standing out clearly against the lighter background.
