The word 'ПОЕЗДКА' is written in green capital letters. Above the letters, there are several morphological markers: a horizontal line with a downward hook under 'П'; a blue curved line (arc) spanning from 'О' to 'Д'; a black line with an upward hook under 'Д'; and a black line with a downward hook under 'К'. To the right of the letter 'А' is an empty square box. Below the word, there is a thick black horizontal line with small black rectangular blocks at its ends, resembling a base or a shadow.
