The text

They say, "Health is above wealth". Thousands of people consider sports to be very helpful in gaining good health. That's why every country pays much attention to developing sports. There are quite a number of people who prefer watching sporting events rather than taking part in them. They are so-called sport fans. They pack stadiums during sport matches and competitions, they sit glued to the TV, and they are ready to give every moral support to their favorite sportsmen or teams.

In the meantime thousands of people devote their spare time to going in for sports. They play indoor and outdoor games: volleyball, basketball, table-tennis, hockey, law-tennis. In summer swimming is enjoyed by millions of people. Physical training is an essential part of young people's development. All pupils and students have regular training at PT lessons. These classes are enjoyed by everybody as they give a lot of energy, develop muscles, make pupils strong, quick and healthy.

Sport helps people to keep in good health and be more disciplined. The history of Ukrainian sports goes back to the ancient times. Ukrainian Cossacks' culture was built on the basis of the national games and physical exercises. Such kinds of sport as swimming, running, wrestling and others were very popular. Ukrainian voluntary sports organizations develop different sports programs for young people and children. Ukraine pays much attention to sports. Such names as S. Bubka, Y. Klotchkova and many others became famous all over the world. So if you think that physical fitness and health are important you are to go in for sports.
