

An illustration of an art studio. On the left, a wooden easel holds a white canvas with a painting of a bouquet of white daisies with yellow centers. In the foreground, a green pencil holder with a pink rim contains several colored pencils and pens. A red pencil lies on the surface in front of the holder. To the right, a paintbrush with a red handle and a dark brown bristle tip is shown. The background is a soft, colorful gradient of yellow, orange, and pink, with a large, faint, stylized shape resembling a flower or a brushstroke.

Что такое оригами

Что такое оригами?
Задала вопрос я маме.
« Это целая страна –
Мне ответила она!
Там чудесно оживают
Птицы, звери и цветы.
Там таинственно, как в сказке
Все сбываются мечты.»
И тогда решила я:
Это чудо - оригами
Буду я любить всегда!

A green paper airplane is shown on a purple background. The airplane is folded from a single sheet of paper, with a central vertical crease and two angled wings. To the right of the airplane, a pair of yellow-handled scissors is partially visible. The text 'maxidej.ru' is written in a white, cursive font across the bottom of the image, overlapping the airplane's tail.
