

Easter comes in spring.

Spring

It occurs on the first Sunday after the first full moon.

It is
a religious
holiday.

It has some symbols.

A large wooden cross stands against a bright blue sky filled with fluffy white clouds. Sunbeams radiate from behind a large cloud on the left, creating a dramatic, ethereal effect. The cross is made of thick, light-colored wood and is positioned on the right side of the frame.

Jesus Christ, the son of God, was resurrected (воскрес)
and the Cross is a very important symbol.

The egg is a symbol
of a new life.

Easter eggs are mostly red and are very beautiful.

People decorate eggs
in many ways.

The rabbit is a very innocent (невинное) animal. It eats only grass.

And it is a symbol of the Moon.

Bunnies have ears all pinkish inside,
Bunnies all like to hop and to hide.

Bunnies are cuddly, the large and the small ...
