

CARTOON

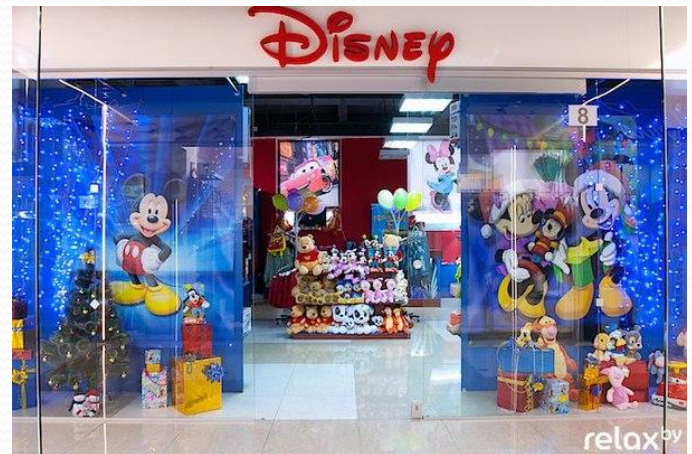

A large, illuminated Disney castle with multiple spires and towers, set against a dark blue night sky with wispy pink and purple clouds. The castle is reflected in the water in the foreground.

WALT DISNEY
PICTURES

program:

- In this program, we will talk about the work of directors, writers, animators, artists and masters of 3D graphics. Just describe the updates in the world of cartoons, we condemn and support characters, participate in polls and quizzes and win prizes from different cartoons and Disney Company.

WE LOOK...

- Our program will go to all the famous Disney Channel.

- Time and release date: Monday to Saturday from 16:00 - 20:00 with the first of December.

The peculiarity of our channel is that it can look both adults and children, as well as the presence of mental conditions, do not forget the fun, interesting game, most importantly, we understand children and realize their dreams. And on Saturdays celebrities who voiced favorite characters will be invited to the studio.
