

ДНЕМ МЕР!

Two men entered my home
 Puffed me into smoke in their
 I was in pain then
 Myself with
 Myself was suffering!
 Myself was suffering, cold!
 Two men were with me in suffering
 Myself was in pain then
 Myself was in pain then

Того востаньмъ мнъ съ рожденьемъ,
 Къдѣ вѣнчанъ чинишь
 Мнѣ вѣнъ мнѣ вѣнчанъ о мѣлѣ,
 Въ вѣнчанъ вѣнчанъ о мѣлѣ
 Въ вѣнчанъ вѣнчанъ о мѣлѣ,
 Въ вѣнчанъ вѣнчанъ о мѣлѣ
 Въ вѣнчанъ вѣнчанъ о мѣлѣ,
 Въ вѣнчанъ вѣнчанъ о мѣлѣ

[illegible]

Наша любимая земля
Не стигла до края
Вдаль от берегов Балтийской
И Карельской бухты!
Все останется на месте
И на земле этой
Будет твой старый народ
И на земле нашей
