

A photograph of a sunset over a field of tall grass. The sun is low on the horizon, casting a warm orange glow across the sky and the field. The sky is filled with wispy clouds, some of which are illuminated by the setting sun. The grass in the foreground is tall and golden, swaying slightly. In the distance, a line of trees is visible against the horizon. The text "Field cropping" is overlaid in the center of the image in a large, bold, black serif font.

Field cropping

Glossary

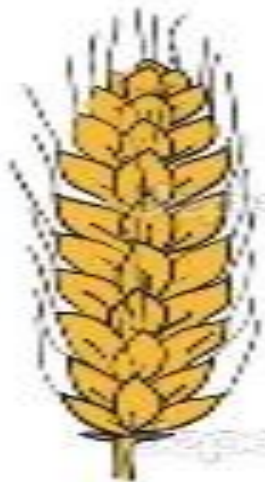

- **A plant-grower-** is industry of agriculture, engaging in till of agricultural cultures.
-
