

Happy Birthday, Gracie!

Be always so funny and beautiful!

So nice and mysterious!

Be yourself and both summer and winter!

And in autumn and spring!

Never be sad and grieve not!

You can have only good friends!

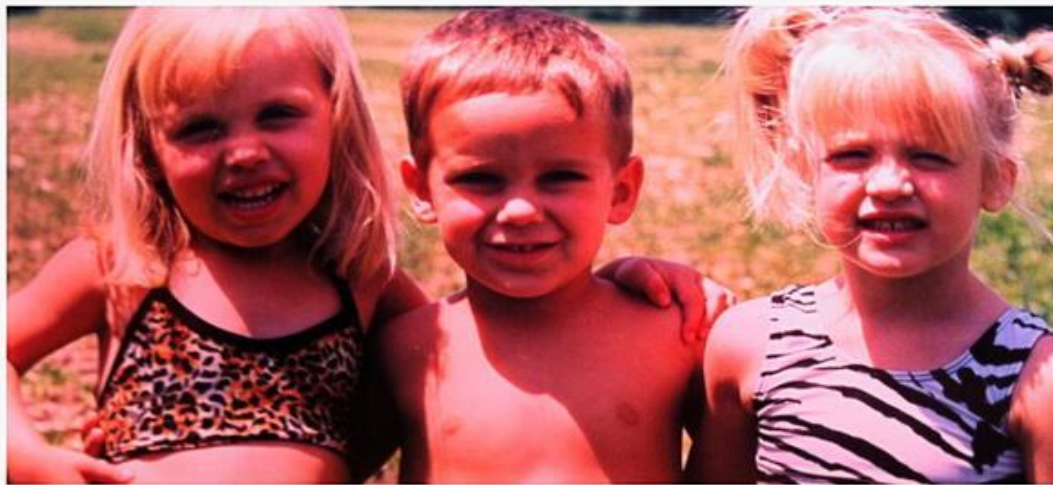

You always have cool hairstyles!

And you always look great!

You grow, but you must never forget your childhood!

You're super model and dancer!

You are a great actress and ...

...And just a cool girl!

Happy Birthday, Gracie!

● And lastly,

I want to wish you health, happiness, love and long years of your young life!
