How to Use Size Stickers

- You will be received size stickers to the store soon.
- Size stickers to be used on all the products which are folded on tables in every department.
- Size stickers should be used both on tops and on bottoms.
- Foldings should be starting from biggest size to smallest.

How to Use Size Stickers

	XS
	S
	M
	L
	XL
	XXL
	3XL
	4XL

When folding the products, place the largest size in the bottom and the smallest size on the top.

Example : S-M-L-XL.

If all sizes are not available you can repeat sizes S-M-L-XL.

How to Use Size Stickers

after you folded up the product, from the right part of T-shirt or top, you should leave a **2 finger gap** before you apply the size sticker.

In this way, sticker will be seen properly and straight.

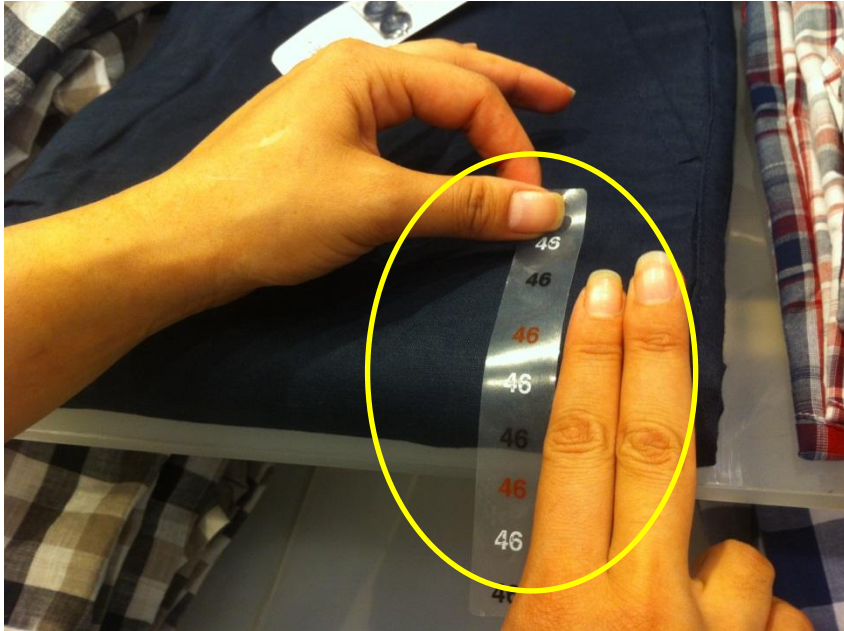

How to Use Size Stickers

And then you can stick the size sticker on T-shirt or on top straightly.

Important notes: all stickers on the product should be in order and foldings should be starting **from biggest size to smallest.**

How to Use Size Stickers

same way that we can follow;
when we apply the size
stickers on pants.

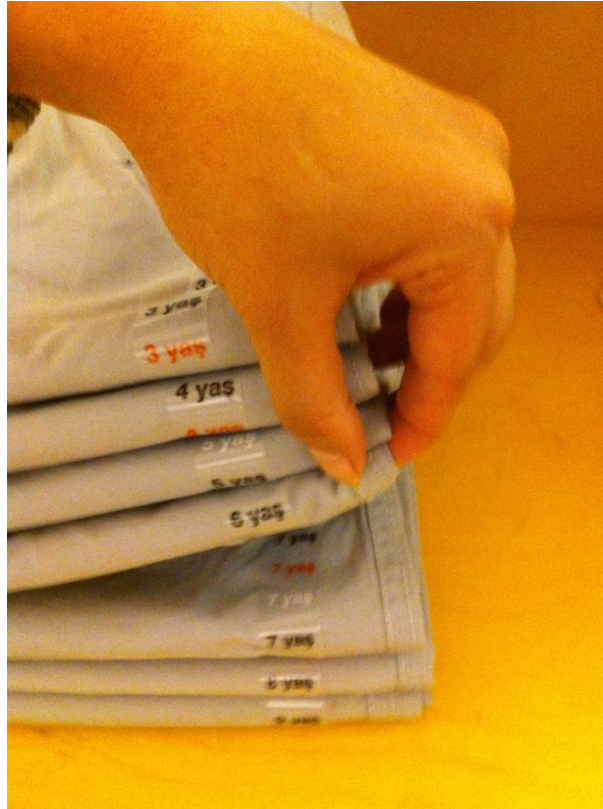

After you folded up the product, from the right part of T-shirt or top, you should leave a **2 finger gap** before you apply the size sticker.
