

Картотека «Игры с песком»

***В карточке вы найдёте
такие игры с песком как:***

1. «Знакомимся с песком»
2. «Удержи песок в ладошках»
3. «Спрячем ручки»
4. «Спрячь игрушку»
5. «Насыпь песка в бутылочку»
6. «Дорожки из песка»
7. «Найди камешки»
8. «Игрушки потерялись»
9. «Волшебные рисунки»
10. «Цветной песок»
11. «Чудесный песочек»
12. «Знакомства со свойствами сырого песка»
13. «Освободи баночку»

14. «Следы на песке»
15. «Построим горку»
16. «Наполни формочку»
17. «Найди игрушку»
18. «Колобки»
19. «Рисование палочкой»
20. «Посади овощи»
21. «Песочный лабиринт»
22. «Пироженные»
23. «Радуга»
24. «Волшебные камушки»
25. «Бульдозер»
26. «Экскаватор»
27. «Спираль»
28. «Весёлые человечки»

The background of the slide is a close-up photograph of a sandy beach. In the upper left, there is a cluster of small, light-colored seashells with brown spots. Below them, a large, white, fan-shaped scallop shell is visible. In the lower left corner, a bright red, five-armed starfish is lying on the sand. The sand itself is a light beige color with some darker spots.

1. «Знакомимся с песком»

Цель: ознакомление со свойствами сухого песка (сыплется, не марается).

The background of the slide is a close-up photograph of a sandy beach. In the upper left, there is a cluster of small, light-colored seashells with orange-brown spots. Below them, a large, white, fan-shaped scallop shell is visible, containing a single, lustrous pearl. In the lower left corner, a bright red, five-armed starfish is resting on the sand. The overall scene is bright and natural, with soft lighting.

2. «Удержи песок в ладошках»

Цель: обучение умению набирать песок и удерживать в ладонях, сыпать тонкой струйкой.

The background of the slide is a close-up photograph of a sandy beach. In the upper left, there is a cluster of small, light-colored seashells with orange-brown spots. Below them, a large, white, fan-shaped scallop shell is visible. In the lower left corner, a bright red, five-armed starfish is lying on the sand. The sand itself is a light, warm tone with some subtle textures.

3. «Спрячем ручки»

Цель: обучение умению прятать руки в сухом песке, засыпая пальчики или погружая руки в песок.

The background of the slide is a close-up photograph of a sandy beach. In the upper left, there is a cluster of small, light-colored seashells with orange-brown spots. Below them, a large, white, fan-shaped scallop shell is visible. In the lower left corner, a bright red, five-armed starfish is lying on the sand. The overall scene is bright and sunny, with soft shadows.

4. «Спрячь игрушки»

Цель: обучение умению зарывать игру в сухом песке, засыпая их или погружая в песок.

The background of the slide is a close-up photograph of a sandy beach. In the upper left, there is a cluster of small, light-colored seashells with brown spots. Below them, a large, white, fan-shaped scallop shell is visible. In the lower left corner, a bright red, five-armed starfish is lying on the sand. The sand itself is a light beige color with some darker spots and textures.

5. «Насыпать песок в бутылочку»

Цель: обучение умению насыпать песок в бутылку с помощью воронки.

The background of the slide is a close-up photograph of a sandy beach. In the upper left, there is a cluster of small, spiral seashells with orange and white patterns. Below them, a large, white, fan-shaped scallop shell is visible. In the lower left corner, a bright red, five-armed starfish is lying on the sand. The sand itself is a light, warm tone with some subtle textures.

6. «Дорожки из песка»

Цель: обучение умению брать сухой песок щепоткой и сыпать в виде дорожки.

The background of the slide is a close-up photograph of a sandy beach. In the upper left, there is a cluster of small, light-colored seashells with brown spots. Below them, a large, white, fan-shaped scallop shell is visible. In the lower left corner, a bright red, five-armed starfish is lying on the sand. The overall scene is bright and sunny, with soft shadows.

7. «Найди камешки»

Цель: обучение умению просеивать через сито, отделяя камушки от сухого песка.

The background of the slide is a close-up photograph of a sandy beach. In the upper left, there is a cluster of small, spiral seashells with orange and white mottled patterns. Below them, a large, white, fan-shaped scallop shell is visible, with a single, small, white pearl resting inside its cup. In the lower left corner, a bright red, five-armed starfish is positioned. The sand is a light, warm beige color with some subtle textures and shadows.

8. «Игрушки потерялись»

Цель: обучение умению перетряхивать сухой песок в коробочке, чтобы достать игрушки.

The background of the slide is a close-up photograph of a sandy beach. In the upper left, there is a cluster of small, light-colored seashells with orange-brown spots. Below them, a large, white, fan-shaped scallop shell is visible. In the lower left corner, a bright red, five-armed starfish is lying on the sand. The overall scene is bright and sunny, with soft shadows.

9. «Волшебные рисунки»

Цель: обучение умению насыпать сухой песок на клеевой рисунок, затем стряхивать излишки песка и называть изображения.

The background of the slide is a close-up photograph of a sandy beach. In the upper left, there is a cluster of small, light-colored seashells with orange-brown spots. Below them, a large, white, fan-shaped scallop shell is visible, containing a single, lustrous pearl. In the lower left corner, a bright red, five-armed starfish is resting on the sand. The overall scene is bright and natural, with soft lighting on the sand and shells.

10. «Цветной песок»

Цель: обучение умению смешивать песок и цветной толчёный мел до получения однородной массы при помощи палочки (ложечки).

The background of the slide is a close-up photograph of a sandy beach. In the upper left, there is a cluster of small, light-colored seashells with orange-brown spots. Below them, a large, white, fan-shaped scallop shell is open, revealing a single, lustrous pearl inside. In the lower left corner, a bright red, five-armed starfish is visible. The sand is a light, warm tone.

11. «Чудесный песочек»

Цель: упражнение в умение поливать сухой песок из лейки, получая сырой песок и обратить внимание на его новые качества.

The background of the slide is a close-up photograph of a sandy beach. In the upper left, there is a cluster of small, light-colored seashells with orange-brown spots. Below them, a large, white, fan-shaped scallop shell is visible, containing a single, lustrous pearl. In the lower left corner, a bright red, five-armed starfish is positioned. The sand is a light, warm tone with some subtle textures.

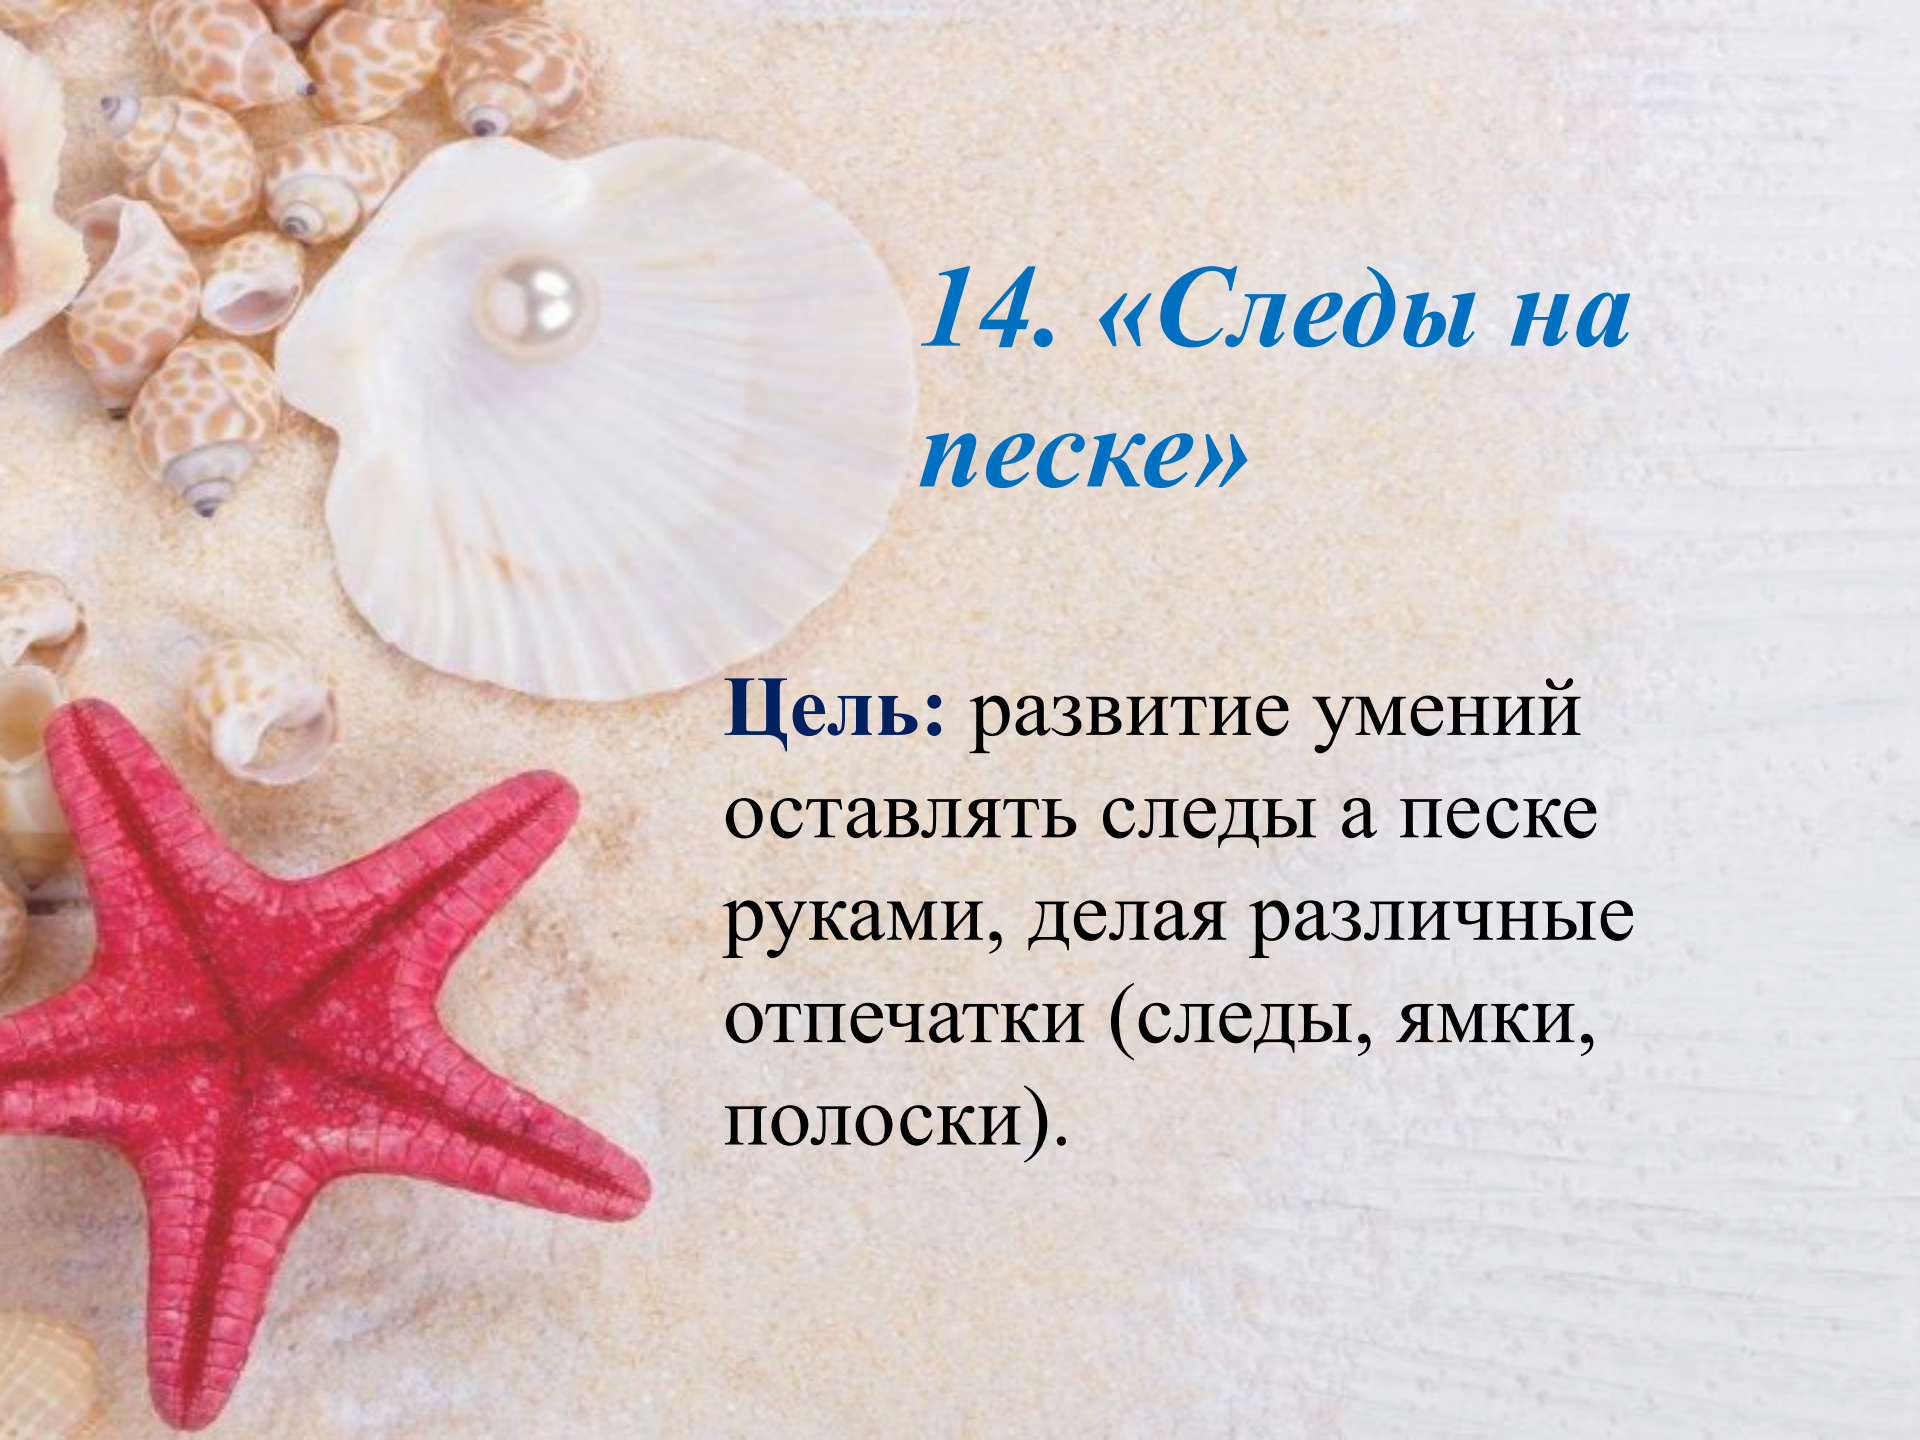

12. «Знакомства со свойствами сырого песка»

Цель: ознакомление детей со свойствами сырого песка.

The background of the slide is a close-up photograph of a sandy beach. In the upper left, there is a cluster of small, light-colored seashells with orange-brown spots. Below them, a large, white, fan-shaped scallop shell is prominently displayed. In the lower left corner, a bright red, five-armed starfish is visible. The sand is a light, warm tone with some darker patches.

13. «Освободи баночку»

Цель: формирование умений доставать сырой песок из банке, освобождая банку.

The background of the slide is a close-up photograph of a sandy beach. In the upper left, there is a cluster of small, light-colored seashells with orange-brown spots. Below them, a large, white, fan-shaped scallop shell is visible. In the lower left corner, a bright red, five-armed starfish is lying on the sand. The overall scene is bright and sunny, with soft shadows.

14. «Следы на песке»

Цель: развитие умений оставлять следы а песке руками, делая различные отпечатки (следы, ямки, полосы).

The background of the slide is a close-up photograph of a sandy beach. In the upper left, there is a cluster of small, light-colored seashells with brown spots. Below them, a large, white, fan-shaped scallop shell is visible. In the lower left corner, a bright red, five-armed starfish is lying on the sand. The sand itself is a light beige color with some darker spots and textures.

15. «Построим горку»

Цель: упражнение в умении сгребать сырой песок в кучку используя грабли.

The background of the slide is a close-up photograph of a sandy beach. In the upper left, there is a cluster of small, light-colored seashells with orange-brown spots. Below them, a large, white, fan-shaped scallop shell is visible. In the lower left corner, a bright red, five-armed starfish is lying on the sand. The overall scene is bright and sunny, with soft shadows.

16. «Наполни формачку»

Цель: упражнение в умении наполнять форму с помощью совка, заполнять её полностью сырым песком.

A collection of seashells and a red starfish on a sandy background. In the upper left, there is a cluster of small, spiral shells with orange and white patterns. Below them is a large, white, fan-shaped scallop shell. In the lower left, there is a bright red, five-armed starfish. The background is a light-colored, textured surface resembling sand or a beach.

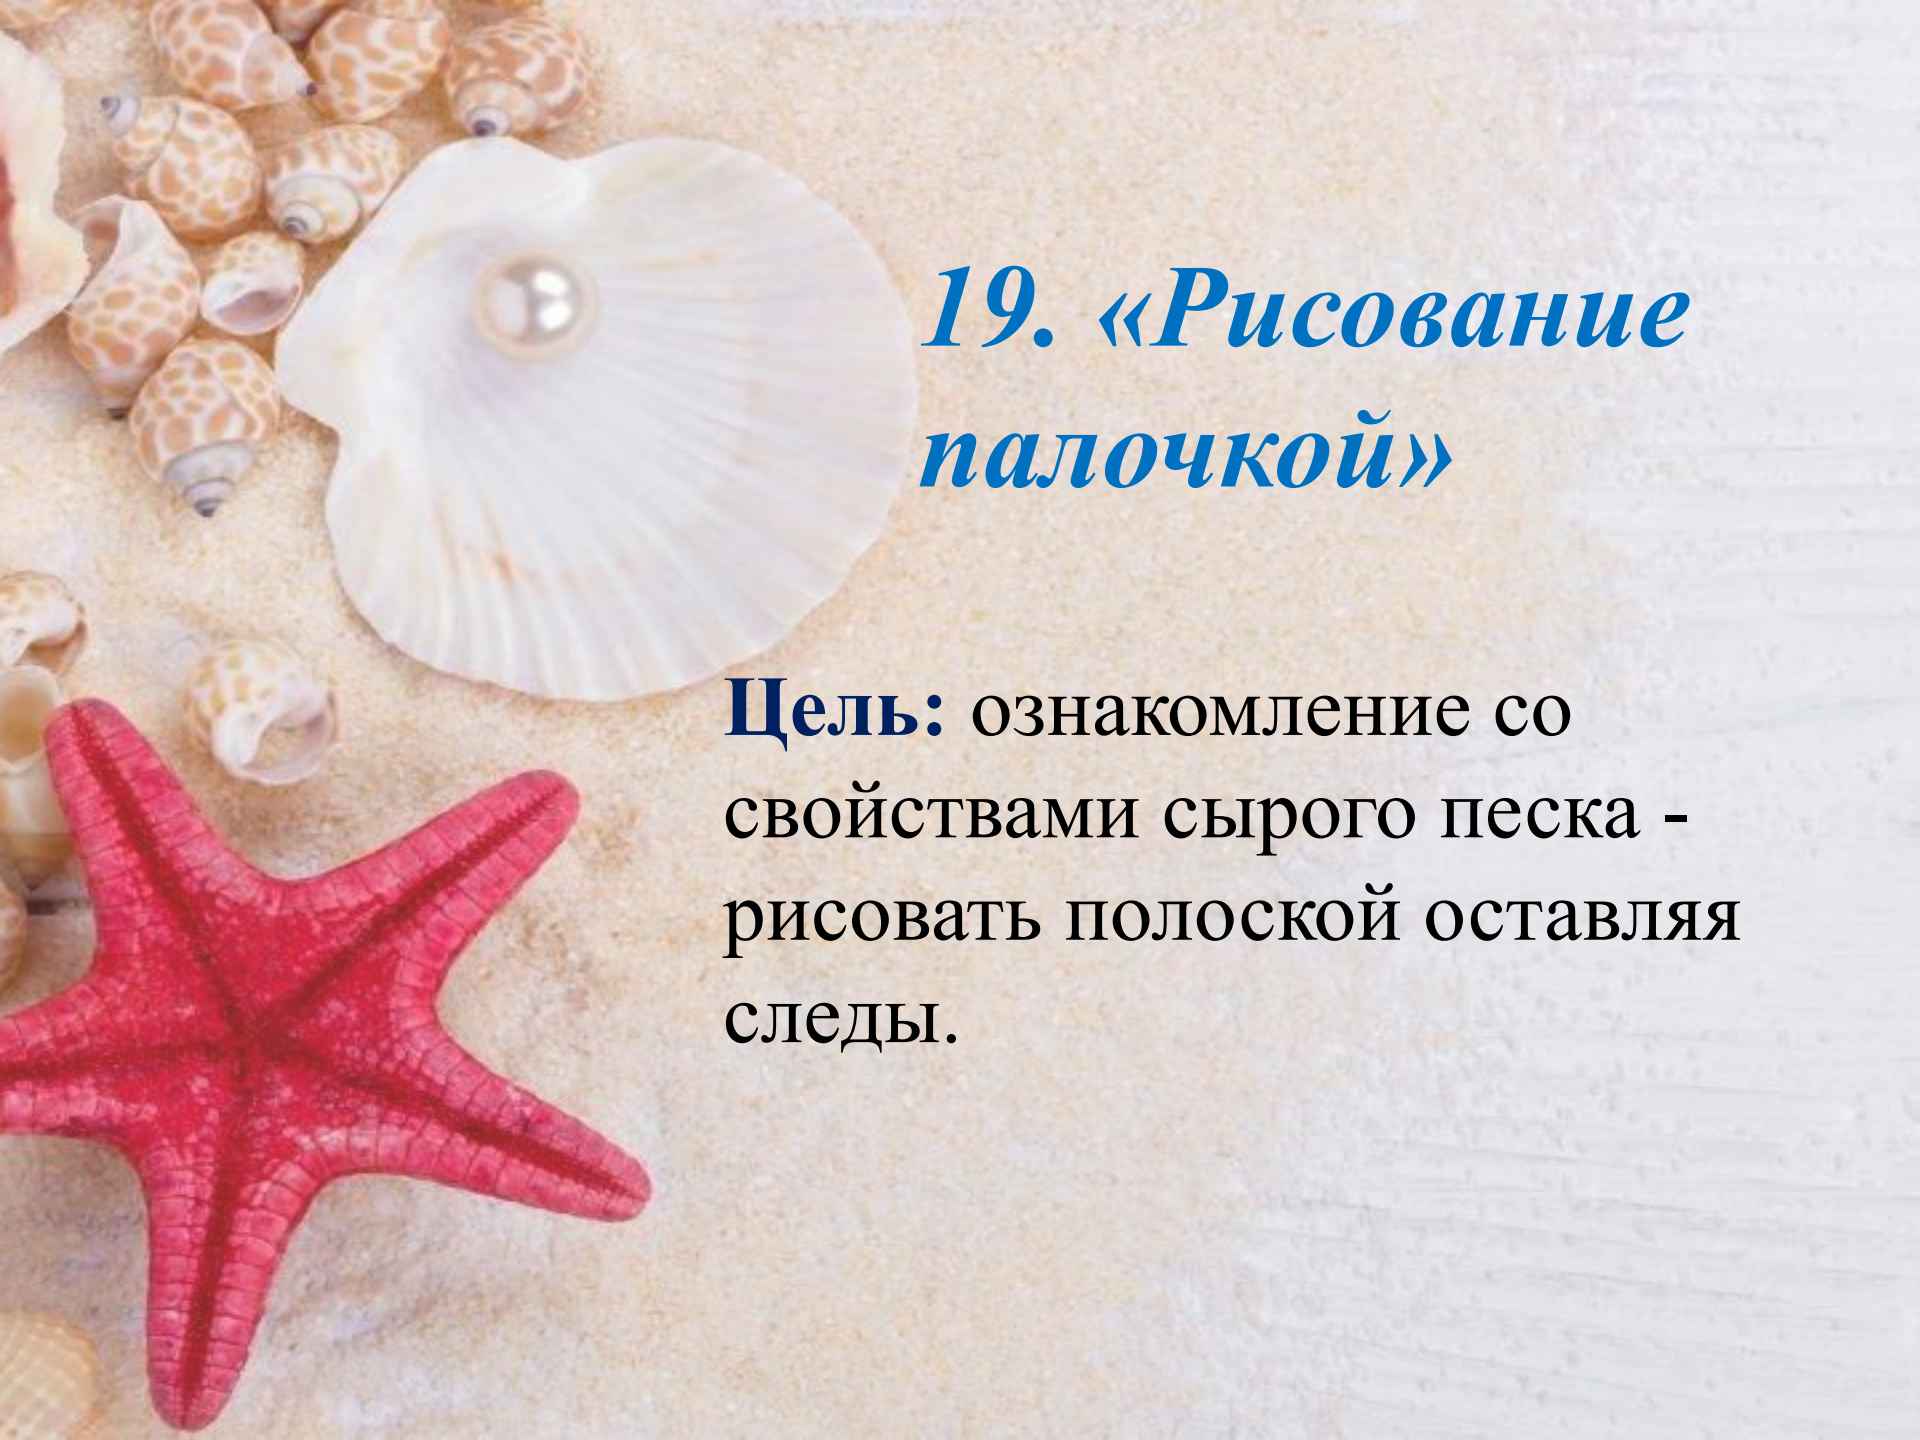

17. «Найди игрушку»

Цель: упражнение в умение
используя совок. Находить
игрушки в сыром песке.

The background of the slide is a close-up photograph of a sandy beach. In the upper left, there is a cluster of small, spiral seashells with orange and white mottled patterns. Below them, a large, white, fan-shaped scallop shell is visible, featuring a prominent, iridescent pearl in its center. In the lower left corner, a bright red, five-armed starfish is positioned. The sand is a light, warm beige color with a fine, granular texture.

18. «Колобки»

Цель: развитие умений
лепить из сырого песка
круглые формы.

The background of the slide is a close-up photograph of a sandy beach. In the upper left, there is a cluster of small, light-colored seashells with orange-brown spots. Below them, a large, white, fan-shaped scallop shell is visible. In the lower left corner, a bright red, five-armed starfish is lying on the sand. The sand itself is a light beige color with some subtle textures and shadows.

19. «Рисование палочкой»

Цель: ознакомление со свойствами сырого песка - рисовать полоской оставляя следы.

The background of the slide is a photograph of a sandy beach. In the upper left, there is a cluster of small, light-colored seashells with orange-brown spots. Below them, a large, white, fan-shaped scallop shell is visible. In the lower left corner, a bright red, five-armed starfish is lying on the sand. The overall scene is bright and sunny, with soft shadows.

20. «Посадим овощи»

Цель: формирование умений пользоваться плоскостными изображениями, втыкать их с сырой песок.

The background of the slide is a close-up photograph of a sandy beach. In the upper left, there is a cluster of small, light-colored seashells with orange-brown spots. Below them, a large, white, fan-shaped scallop shell is visible. In the lower left corner, a bright red, five-armed starfish is lying on the sand. The overall scene is bright and sunny, with soft shadows.

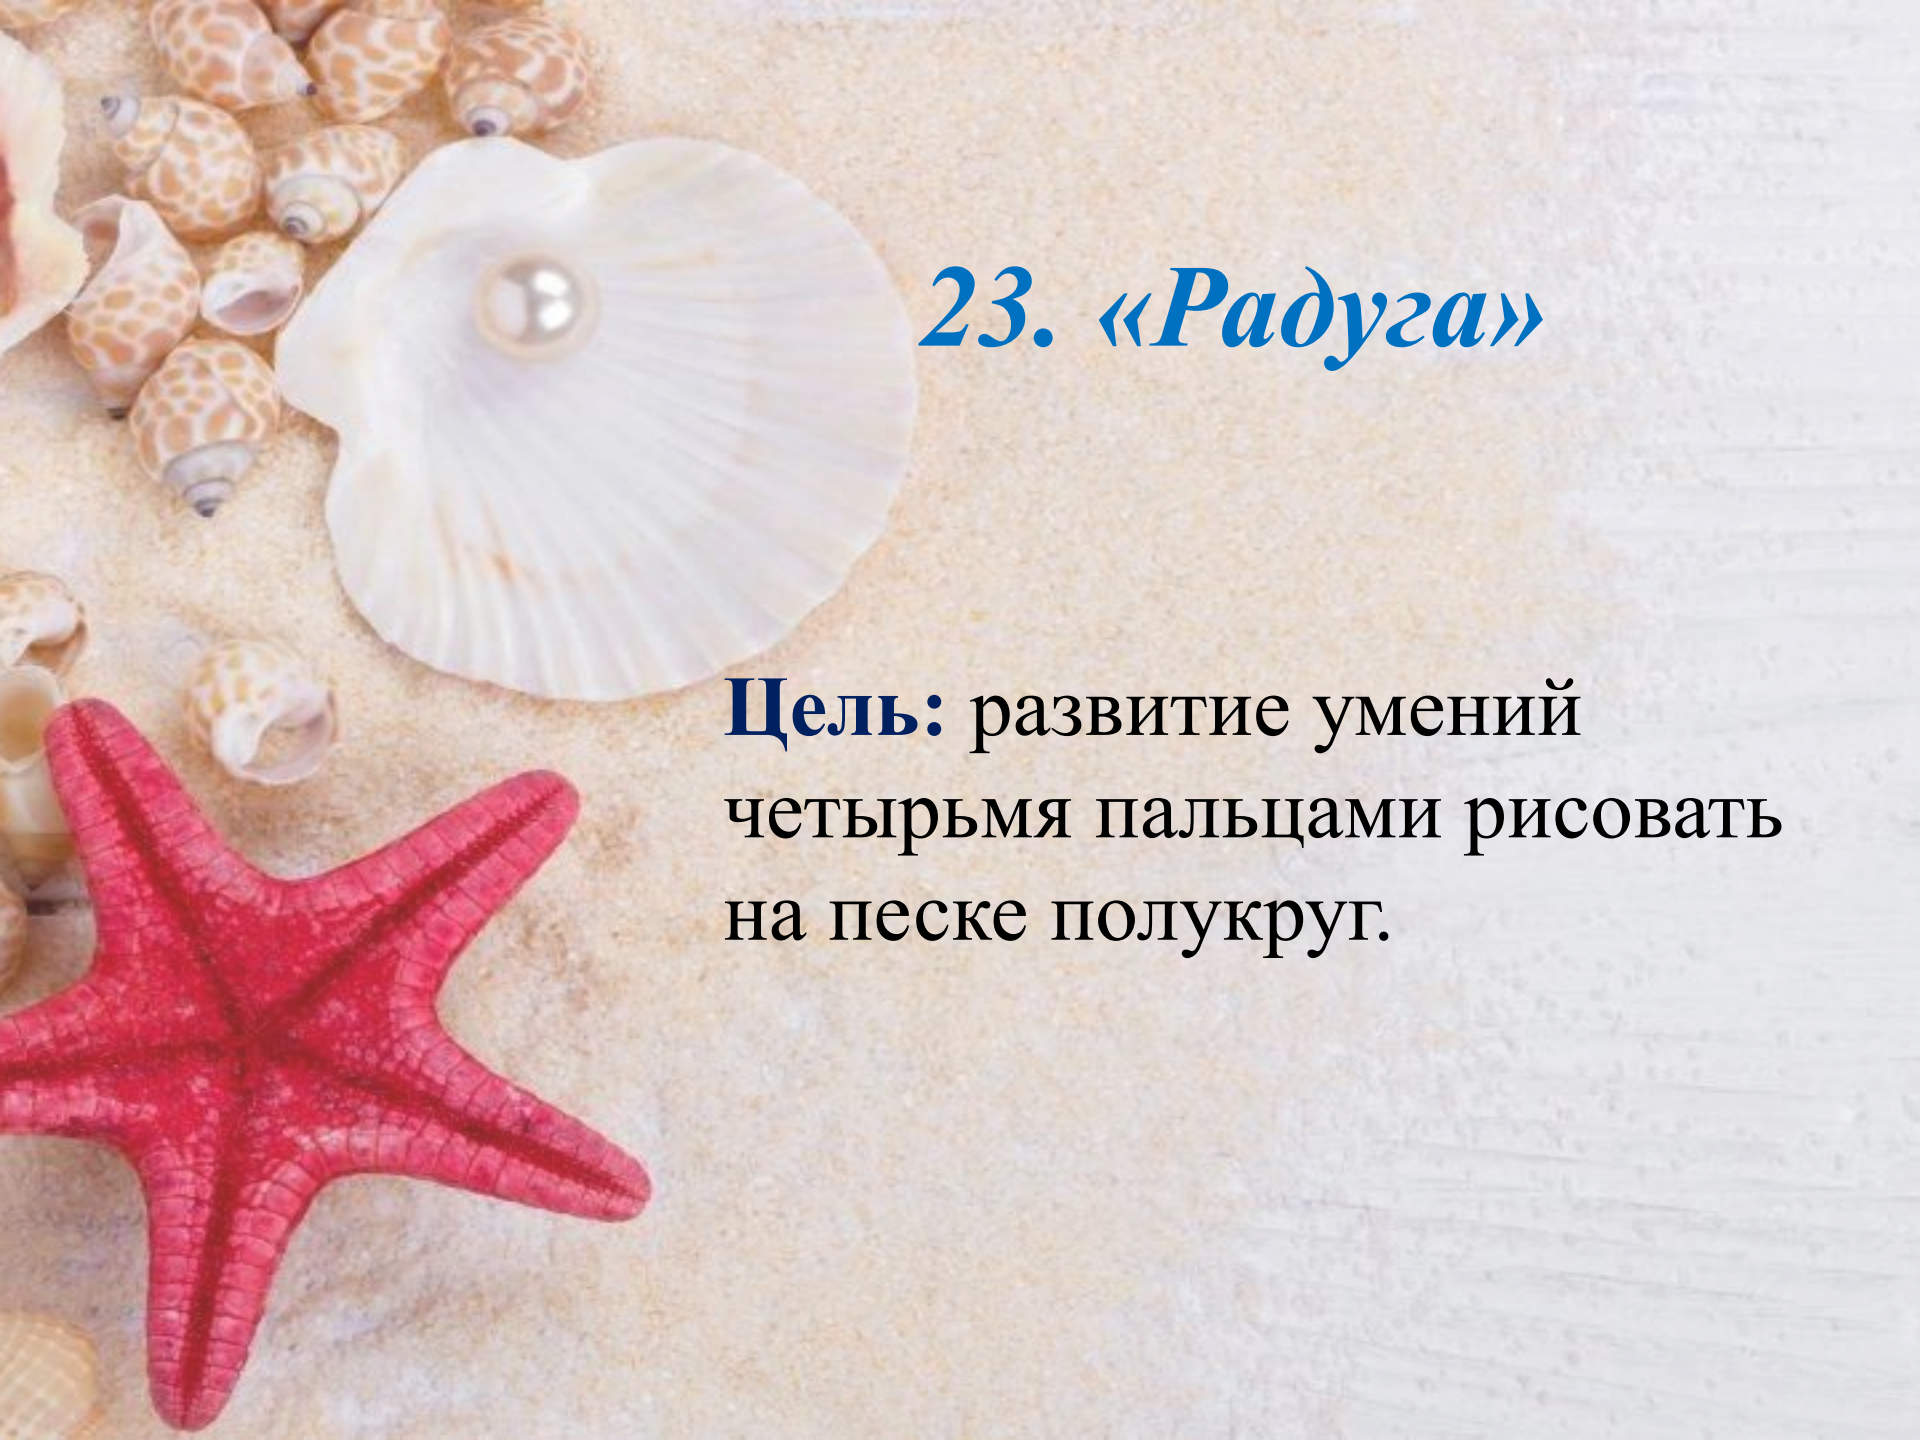

21. «Песочный лабиринт»

Цель: продолжать знакомить со свойствами сухого песка, (по широким трубочкам песок сыпается быстрее, а по узким медленней).

The background of the slide features a collection of seashells and a starfish on a sandy surface. In the upper left, there are several small, spiral shells with orange and white patterns. Below them, a large, white, fan-shaped scallop shell is prominent, with a small, shiny, silver-colored object (possibly a pearl or a small mirror) placed inside its central depression. In the lower left, a bright red, five-armed starfish is visible. The overall scene is bright and evokes a beach or coastal theme.

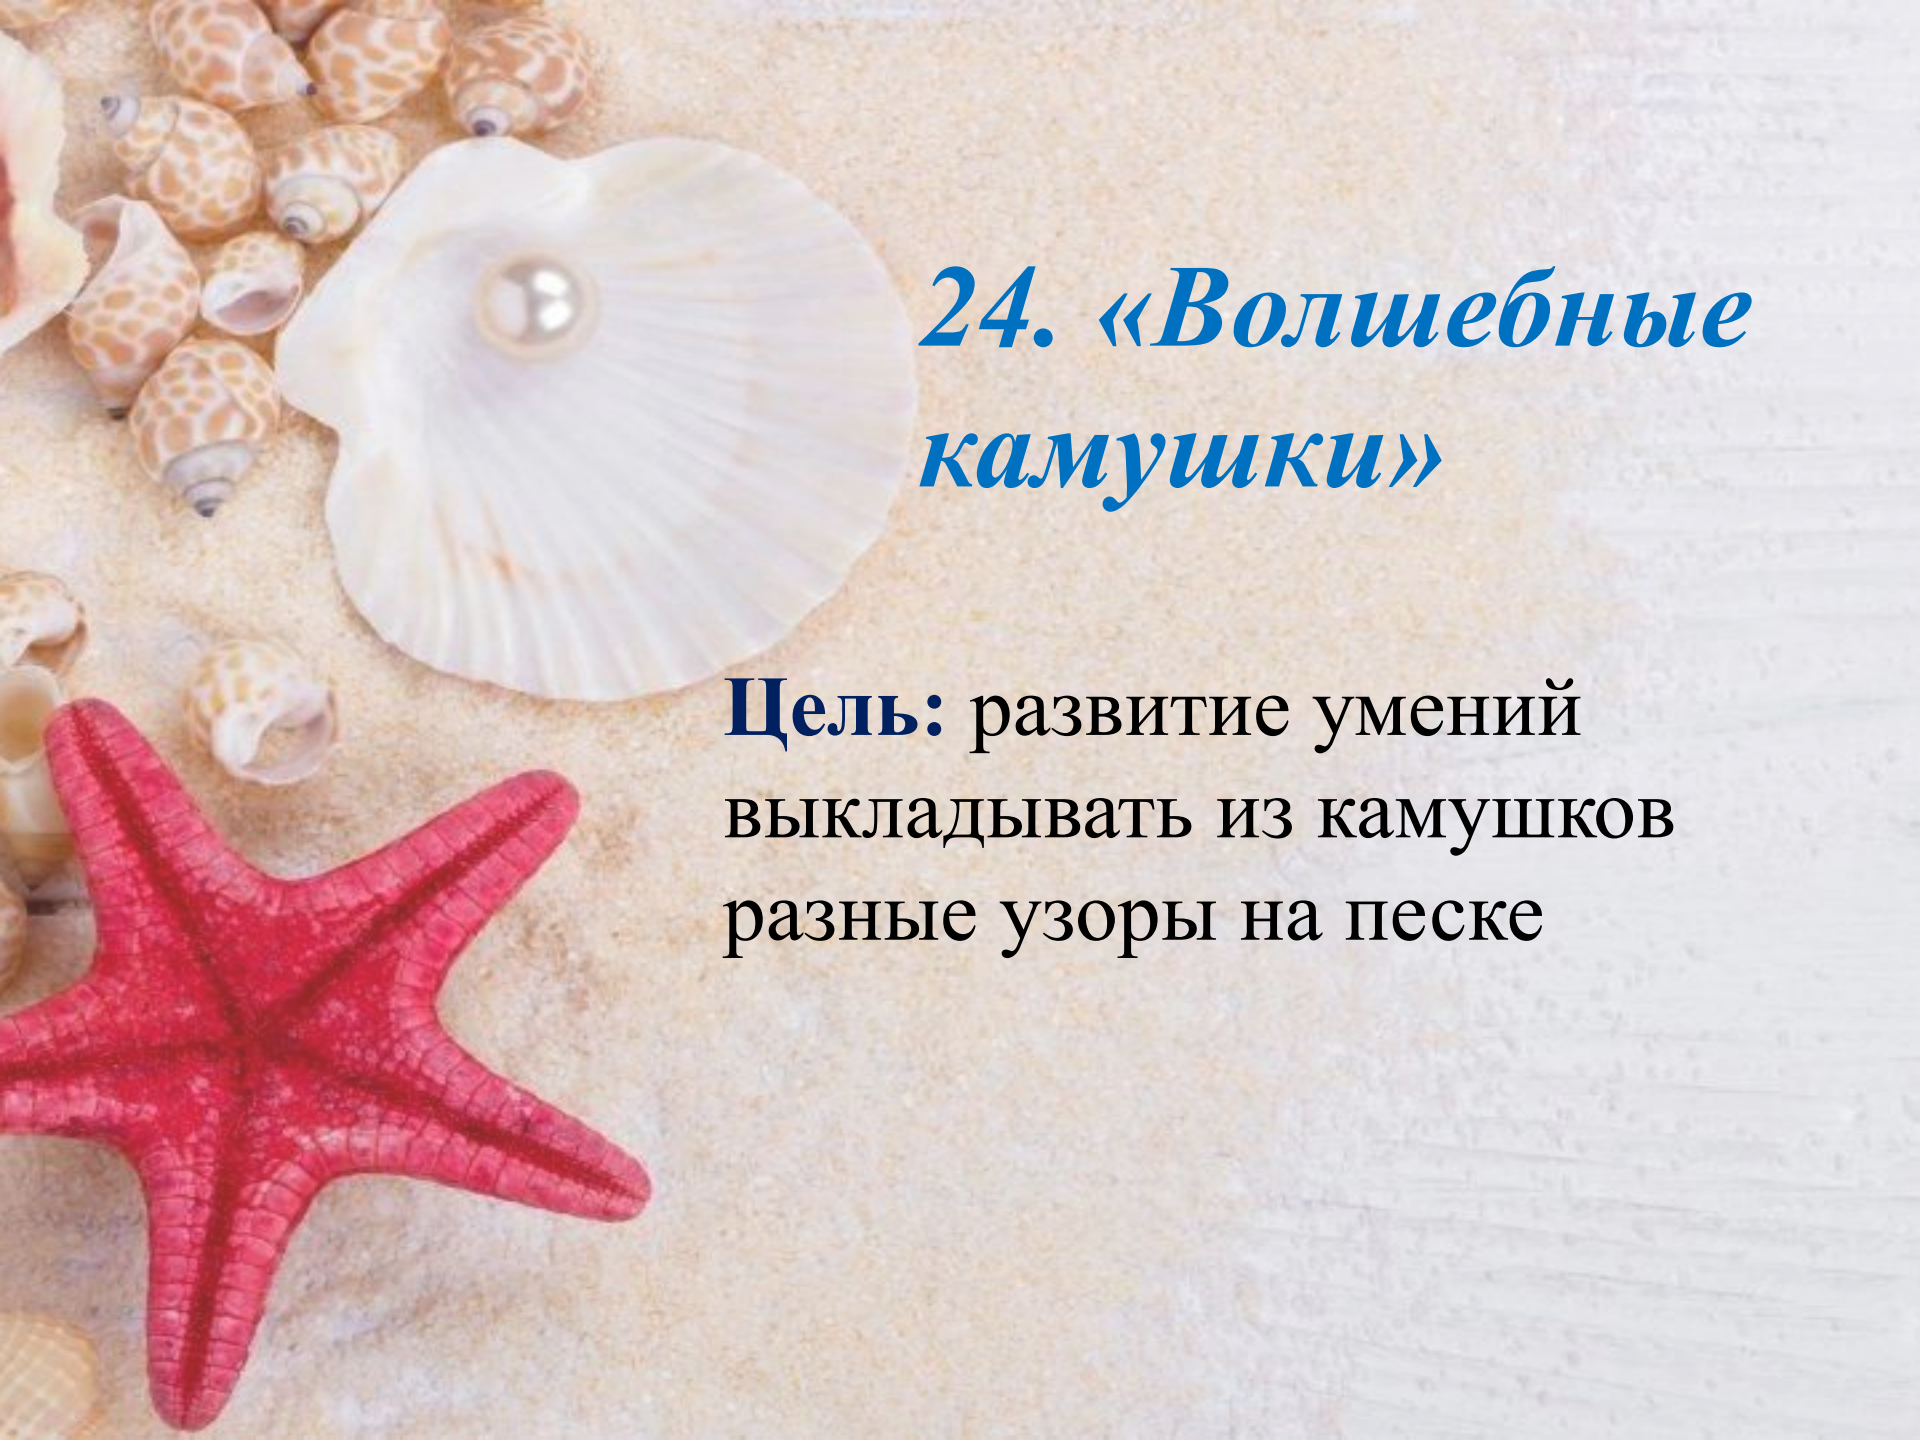

22. «Пироженное»

Цель: формирование умений формировать формочку при помощи совка, уплотнять и переворачивать на плоскую поверхность, получая готовое пироженное.

The background of the slide is a photograph of a sandy beach. In the upper left, there is a cluster of small, light-colored seashells with brown spots. Below them, a large, white, fan-shaped scallop shell is visible. In the lower left corner, a bright red, five-armed starfish is lying on the sand. The overall scene is bright and sunny, with the sand appearing light beige.

23. «Радуга»

Цель: развитие умений
четырьмя пальцами рисовать
на песке полукруг.

The background of the slide is a close-up photograph of a sandy beach. In the upper left, there is a cluster of small, light-colored seashells with orange-brown spots. Below them, a large, white, fan-shaped scallop shell is visible. In the lower left corner, a bright red, five-armed starfish is lying on the sand. The overall scene is bright and sunny, with soft shadows.

24. «Волшебные камушки»

Цель: развитие умений
выкладывать из камушков
разные узоры на песке

The background of the slide is a close-up photograph of a sandy beach. In the upper left, there is a cluster of small, spiral seashells with orange and white mottled patterns. Below them, a large, white, fan-shaped scallop shell is visible, featuring a prominent pearl in its center. In the lower left corner, a bright red, five-armed starfish is positioned. The sand is a light, warm tone with visible grain.

25. «Бульдозер»

Цель: упражнение в умение разгребать песок ладонями в разные стороны.

The background of the slide is a close-up photograph of a sandy beach. In the upper left, there is a cluster of small, spiral seashells with orange and white mottled patterns. Below them, a large, white, fan-shaped scallop shell is visible, with a small, shiny, light-colored object (possibly a pearl or a small stone) resting inside its cup. In the lower left corner, a bright red, five-armed starfish is lying on the sand. The sand itself is a light beige color with some darker, wet-looking patches.

26. «Экскаватор»

Цель: упражнение в умение зачерпывать песок ладошкой и сыпать.

The background of the slide is a photograph of a sandy beach. In the upper left, there is a cluster of small, spiral seashells with orange and white patterns. Below them, a large, white, fan-shaped scallop shell is visible. In the lower left corner, a bright red, five-armed starfish is lying on the sand. The overall scene is bright and sunny, with soft shadows.

27. «Спираль»

Цель: упражнение в умение вести по песку пальцем по спирали.

The background of the slide is a close-up photograph of a sandy beach. In the upper left, there is a cluster of small, light-colored seashells with orange-brown spots. Below them, a large, white, fan-shaped scallop shell is visible. In the lower left corner, a bright red, five-armed starfish is lying on the sand. The overall scene is bright and sunny, with soft shadows.

28. «Весёлые человечки»

Цель: формирование умений при помощи пальцев (палочки) рисовать на песке простейшую форму человека в движении.
