

Shook the word!»

Prepared Ivanova Anna

*In 1876 Alexander
Graham Bell, an
American engineer,
Invented telephone*

The first phones

December 31, 1898 to
open the phone line
Moscow - Petersburg.

*The first phone conversation
between Moscow and New York
took place on 14 April 1936.*

*In 1946, the U.S.
has been the first
mobile phone*

In Russia the first mobile phone appeared in 1991. It weighed about 3 kg

*Mobile phones have
become distributed in
Russia in the last 10 years*

Mobile phones today

*I think the phone is
one of the most
useful inventions of
mankind*
