

An open notebook with two blank white pages is the central focus. It is surrounded by various school and office supplies: a magnifying glass is on the left; several colored pencils and pens are scattered around the notebook; a pair of orange-handled scissors is at the top; a pair of blue-handled scissors is on the right; a black calculator with a digital display showing '12345' is on the right; and a paint palette with several colors of paint is at the bottom. Two yellow daisies are on the left side of the notebook.
