- redux-effects?

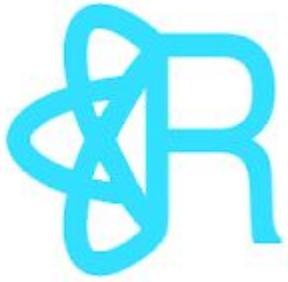

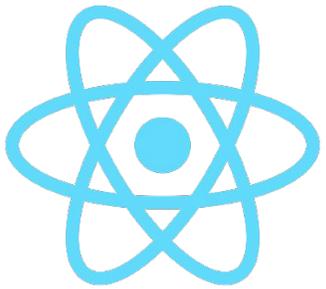

A screenshot of a tweet from Dan Abramov (@dan\_abramov). The tweet text reads: "I'd love to see a comparison of redux-saga, redux-effects, redux-side-effects, and redux-loop, on a particular example, as a blog post." Below the text, it shows 24 retweets and 113 likes. A row of profile pictures of users who interacted with the tweet is visible at the bottom.
