

The background of the slide is a vibrant, fiery phoenix. The bird is depicted in a circular frame, with its wings spread wide, rising from a base of intense orange and yellow flames. The phoenix's feathers are detailed with a mix of brown, gold, and red tones, giving it a metallic, almost molten appearance. The overall color palette is dominated by warm, fiery hues of red, orange, and yellow, set against a dark, smoky background.

The Hunger Games
