муниципального образования Северский район

*Интерактивное задание
по речевому развитию детей
старшего дошкольного возраста групп
компенсирующей направленности
по лексической теме «Фрукты»*

Подготовила воспитатель
Нестеренко Наталья Викторовна

A decorative border surrounds the central text. It features a brown vine with green leaves. In the top-left corner is a bunch of purple grapes. In the top-right corner is a cluster of red berries. In the bottom-left corner are two red apples. In the bottom-right corner is a collection of fruit including a green pear, a red apple, a large orange-red pear, and another green pear, along with several white daisies and green grass blades.

Задание 1:
«Отгадай загадку»

Груша, яблоко, банан.

Ананас из жарких стран.

Эти вкусные продукты

Вместе все зовутся...

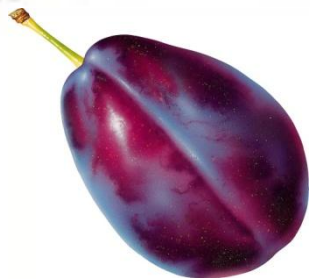

A decorative border surrounds the central text. It features a brown vine with green leaves and small red berries at the top left and right. At the bottom left, there are red and yellow apples. At the bottom right, there are green pears, a large red and yellow apple, and several white daisies with yellow centers.

Задание 2:
«Назови какое дерево»

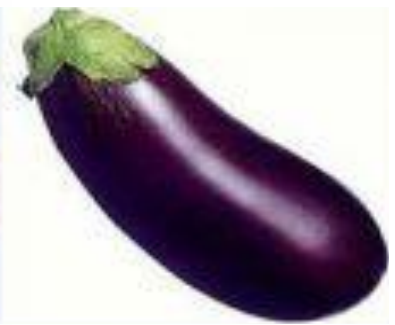

A decorative border surrounds the central text. It features a brown vine with green leaves. In the top-left corner is a bunch of purple grapes. In the top-right corner is a cluster of red berries. In the bottom-left corner are two red apples. In the bottom-right corner is a collection of fruit including a green pear, a red apple, a large orange-red pear, and another green pear, along with several white daisies and green grass blades.
